A Race Track for Lafayette.

A splendid race track is being built on the grounds of D. A. Cochrane, and will be completed by the 25th. of May, when a number of fine races will take place. Mr. Alfred Hebert is the manager of the track and intends to have it first class in every particular. The grand stand will accommodate several hundred people and will be well situated to afford a good view of the track. In the center of the grounds, a large garden with many walks, fountains, etc. will be laid off, so as to make it a pleasant park to visit on Sunday afternoons and other times.

On the 25th. of May, besides other races, there will be a contest between the eight wards of the parish for the best 3 year old colt. This feature alone will doubtless attract a large number of people from all parts of the parish. This track will be of great benefit to the town of Lafayette in many ways and the people should give it their warm support. Later on we will publish the full list of races for the 25th. The name of this new enterprise will be the Surry Race Track and Amusement Park of Lafayette.

The winner of the Tournament was Mr. Felix Mouton. The contest was a hard one, and proved that Mr. Mouton is a very skillful player. In the guessing contest, Mesdames T. M. Blossat and G. C. Comstock and Miss Lizzie Parkerson guessed the winners of the
