

**City Council Proceedings.**

Lafayette, La., August 1, 1904.  
A regular meeting of the City Council was held this day, with Mayor Chas. D. Caffery presiding.  
Members present: A. E. Mouton, M. Rosenfeld, Geo. A. Deblanc, D. V. Gardebled, John O. Mouton, Henry Fontenot. Absent: Felix Demande.  
Moved and seconded that minutes of last meetings be approved as read. Carried.

Committee on Water and Light reported that they had signed a contract with the Standard Electric Co., represented by Mr. Henry Widmer for an engine and two dynamos according to specifications agreed upon.  
Moved and seconded that the action of the committee be approved and contract spread on the minutes. Carried.

**CONTRACT.**

Lafayette, La., July 19, 1904.  
The propositions of the Standard Electric Co., of New Orleans, La., which are hereto annexed, to furnish the town of Lafayette, La., with one "Chuse" engine, as per specifications hereto annexed, and plans to be prepared, and to furnish also two C. & C. dynamos of seventy five kilowatts each, as per specifications hereto annexed and plans to be prepared; said engine and dynamos to be complete in all respects, (any omissions in said specifications to the contrary notwithstanding), are hereby accepted.  
Shipment to be made seventy five days from receipt of order. Price of said engines and dynamos is six thousand three hundred and fifty three dollars; one half cash on delivery in Lafayette, La., and other half after trial and acceptance; time of trial not to exceed thirty days. The said town of Lafayette, La., being herein represented by A. E. Mouton, chairman, of Water and Light Committee of the City Council of said town and being duly authorized in this behalf by resolution of said council adopted July 18, 1904.

A. E. MOUTON, Chairman,  
STANDARD ELECTRICAL CO.,  
per Henry Widmer P & Mgr.  
The Water and Light Committee further reported that the purchase of new Engine and dynamos would require a new switch board including all connections and that it would be necessary to construct before hand the foundation required for the new machinery.  
Moved and seconded that the said committee be and they are hereby authorized to acquire said switch board and all necessary connections and build said foundation. Carried.
