STATE TEACHERS' ASSOCIATION.

To Meet in Lafayette Dec. 27-30.
—Special Trains to be Run.

Prof. T. H. Harris, president of the Louisiana State Public School Teachers' Association, has issued a circular calling attention to the thirteenth meeting of the Association, which will be held at Lafayette Dec. 27-30, and giving a general outline of the program. A large attendance is expected, larger than ever before in the history of the Association. Arrangements are being made for a special rate of one fare for the round trip on all railroads. Efforts are being made to arrange for a T. & P. special leaving Shreveport Tuesday morning, Dec. 27, to combine at Alexandria with a special from Monroe over the Iron Mountain, so as to reach Lafayette about noon the same day. A special will also leave New Orleans over the Southern Pacific reaching Lafayette Tuesday.

A number of prominent educators, among them Dr. Chas. D. Mc Iver, of North Carolina, will deliver addresses.

Prominent Citizen Dead.

J. S. Broussard, a prominent planter of the parish, died at his home near Pilette Friday about 12 o'clock, in the 42nd year of his age, of typhoid fever. Two of his daughters died the week before of the same disease.

Mr. Broussard was a good man and a good citizen whose loss will be felt in the community in which he lived. At one time he served as deputy sheriff under Sheriff I. A. Broussard.

MARCEL MELANCON

Appointed Assessor to Fill Unexpired Term of A. M. Martin, Resigned.

Friday Gov. Blanchard appointed Marcel Melancon assessor to fill the unexpired term of A. M. Martin, who resigned, which will expire next January. In reply to a letter of inquiry, Gov. Blanchard stated that he would not appoint an assessor for the full term until December, at which time he said he would give careful consideration to any recommendation made by the people.

Entertainment.

The ladies of the Presbyterian church will give an entertainment at Parkerson's Grove on Friday, Sept. 16, to raise funds for the benefit of the church. A fine program, consisting of several interesting little plays by children, has been prepared and will be very entertaining. A suitable stage will be erected and the curtain will rise at 8:30 sharp. The Sontag Band has kindly consented to give their services and will render a number of beautiful selections.

To add to the pleasure and also assist the finances, handkerchief, sofa pillow and fancy work sales have been devised. For those who like sweet things, candy booths will offer an attraction, and nearby cozy tables will invite all who have a fondness for delicious ice-cream and cake.

Everybody is cordially invited. A small admission fee of 10 cents will be charged.

MASTIC PAINT IS ALL RIGHT.

LAFAYETTE, LA., DECEMBER 10, 1903.

To Whomsoever It May Concern:

From my knowledge of Mastic Mixed Paint based on an extended experience as a practical painter, I can honestly say that it is a paint of very superior quality and one which stands the hard tests of our climate particularly well. I strongly recommend the Mastic brand to all those who may be in need of a first class ready-mixed paint for indoor and outdoor use.

H. A. EASTIN.

LAFAYETTE, LA., DECEMBER 10, 1903.

To Whomsoever it May Concern:

In my long experience as a practical painter I have had occasion to use several of the standard brands of ready-mixed paint, and I can conscientiously say that I have obtained better results from Mastic Mixed Paint than from any other brand used by me. It has a heavier body and a greater covering capacity and lasting qualities, and for these reasons I always take pleasure in recommending Mastic Paint to my friends and patrons.
