

Police Jury Proceedings.

(Continued from page 6.)

Section 10. Be it further enacted and ordained, that this ordinance shall take effect after thirty days' publication in the official journal of this parish.

Section 11. Be it further ordained that all parts of this ordinance passed by this body on the sixth day of February, nineteen hundred and two, levying a special license and per capita tax for the year nineteen hundred and two and for each subsequent year, inconsistent with the provisions of this present ordinance are hereby repealed, leaving in full operation all provisions concerning the per capita tax and the collection thereof.

Emile Grand, Jr., having paid a tax of \$2.75 twice, asked that the amount of \$2.75 be refunded him. So ordered upon presentation of the receipts.

For the following reasons it was ordered that: Clasmir Broussard be refunded 75 cents account no buggy.

Antoine Tamasse be refunded \$1.00 per capita tax account over age.

Ned Glover be refunded \$1.00 per capita tax account over age.

Ovignac Prejean be refunded \$1.00, account underaged.

Jos. White be refunded 25 cents account overaged, retaining 75 cents for buggy tax.

Eraste Guidry be refunded \$1.00 account no surrey.

H. M. Durke be refunded on presentation of receipts, account double assessment.

Numa Chiasson be refunded \$1.00 account overaged.

Aithen Martin be refunded \$1.00 account no wagon.

Moved and seconded that the secretary notify the sheriff that the per capita tax is collectible from persons of 18 to 55 years of age. Carried.

Mr. Connolly asked permission of the Jury to allow the turning over of the road tax money, paid by the town of Carencro, to themselves. Granted, provided the same was accepted by the town officials and that they agree to keep these roads in good condition.

In view of the fact that a good many animals are dying throughout the parish, it was moved and seconded that the constable of each ward be instructed to call to the attention of the owners the ordinance of the Jury requiring these dead animals to be buried at a depth of not less than four feet. It being preferable to have them burned with petroleum oil. Carried.

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmor, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by All Druggists.

"I have lived in the searchlight of publicity for forty years, and this is the first time I have been called to account for anything," says Chauncey M. Depew. Just one of these perverse accidents of fate that you were found out, sooner. Such accidents will happen. —Always Consultation.
