DR. J. E. ENNIS
 Atlanta, Ga., Physician Addresses
 the People of Lafayette on a
 Matter of Health.

"To whom it may concern:—Of late there has been a good deal of discussion in regard to advertised medicines, their value and power to cure.

I want to say to the people of Lafayette that I believe the most valuable cod liver oil preparation, the best body-builder, health restorer, and strength creator, known to medicine to-day is Vinol.

While Vinol does not contain the system-clogging oil of old-fashioned cod liver oil and emulsions it actually does contain all the curative, medicinal principles of the cod's liver in a highly concentrated form, and it is delicious to take.

I advise Vinol in my practice, and find it has no equal for healing coughs, colds, bronchial troubles and sore lungs.

I have used Vinol in many cases of indigestion, mal-assimilation, and for patients who were anaemic and run down, with splendid results. I have found Vinol to be a boon to the aged, as it aids the enfeebled system to sustain life; it induces appetite, and restful sleep, it is a real body-builder, and thus prolongs life.

I believe Vinol to be well worthy of any honest physician's endorsement. The Moss Pharmacy sells Vinol to the people of Lafayette on a positive guarantee; if it fails to give satisfaction the entire purchase money will be refunded.

L. E. Daspit, of St. Martinville, has moved to Lafayette and will open a boarding house across the railroad, near Mouton's lumber yard.

Onion sets, white, yellow, and red in any quantity at the Moss Pharmacy.

Rev. F. E. Rogers who fell from his bicycle last week and sustained painful injuries, is improving.

Onion sets, white, yellow and red in any quantity at the Moss Pharmacy.

Dr. and Mrs. H. L. Ducrocq, of Lafayette Crossing, have moved to Lafayette and will make their home with Mrs. Ducrocq's parents, Dr. and Mrs. J. D. Talbot, until they can obtain possession of the residence which they have recently purchased.

Ladies can always count on finding something to suit them in dress goods and trimmings at Schmulen's.

Miss Ellen Church left Sunday for New Orleans to spend the carnival days with her aunt, Mrs. A. Boyd.

A MONEY MAKER.—35 arpents of land adjoining the town limits; \$6,750 will buy this valuable property. Cut into town lots, it will bring more than double the above amount. This will beat loaning your money at 20 per cent. J. C. Nickerson, Real Estate and Insurance Agency, Lafayette, La.

The Lafayette Sugar Refining Co.
 Will Help Too.

Upon the solicitation of Mr. A. B. Denbo, president of the Citizens' Road-Building Association, the side tracks and switches, oil tank wagon and other conveniences owned by the Lafayette Sugar Refining Co. have been generously placed at the disposal of the government road experts, for unloading heavy road machinery and to otherwise facilitate the demonstration work in road construction to be carried on under government supervision in Lafayette parish, in the near future.

The Advertiser takes interest and pleasure in giving publicity

to the splendid spirit being shown on every hand with reference to the object lesson road-building soon to be undertaken here with the co-operation of the office of Public Roads at Washington.

The value of this work to our people can hardly be estimated at this time, but the good results will be far reaching. This has been the case in all other parts of the country where similar work has been carried out in the past, and we should count ourselves fortunate in having enlisted the co-operation of the government in this good undertaking, when urgent requests of the same kind are continually being made on the office of Public Roads, a sub-department of the Department of Agriculture.
