AND

The Strongest Fence

Science proves that the strongest fence, because constructed throughout on scientific lines, is the

ELLWOOD FENCE

SIMPLE—SCIENTIFIC—STRONG

THE REASONS:
 1st—Each horizontal extension of the ELLWOOD is a steel cable, consisting of two heavy wires intertwined.
 2d—Each of these cables is tied to each other cable by a continuous heavy wire lapped tightly about every cable—not tied in a crooked knot or twist to weaken the strength of the tie wire at the lapping point. (Wrap a wire around your finger and the wire is not weakened; tie a wire up in a hard knot and you cannot untie it without breaking, it is so much weakened.)

THAT IS ALL THERE IS TO ELLWOOD FENCE—

Heavy steel cables lapped about and held together by steel wire, forming uniform meshes. Simple, isn't it? No chance for weakness in any part; uniformly strong. The reasons for the superiority of ELLWOOD FENCE are not hard to find. This company owns and operates its own iron mines and furnaces; its own wire mills and six large fence factories—either one of the six being larger than any other fence factory in the world. These facts should be convincing.

The fence shown in the cut is our **Standard Style** because it is built for general use and answers every purpose. We can supply this fence in the various heights indicated in the cut. We can also supply several kinds of Ellwood special fence made for special purposes.

Posts—Get the CHEAPEST GOOD posts you can. Set the posts any desired distance apart, remembering that the closer the posts the stronger the fence, no matter what kind of a fence ten feet however is the closest necessary. Posts should be set 2 1-2 to 3 feet in the ground.

The Wire Fence has reached practical perfection in the Ellwood Fence and its great popularity shows that that fact is widely appreciated. Call and let us show you the fence and explain its merits.

VORDENBAUMEN LUMBER COMPANY, Ltd.

POLICE JURY.

(Continued from page four.)

Felix H. Moulton, Secretary.

Broussard Items.

Miss Ila Sealy, one of the Iberia High School faculty visited Miss Breazeale Saturday and Sunday.

Misses Trousdale, Stecker, Kahn, Breazeale and Sealy drove over to Lafayette Saturday evening.

Mr. J. H. Bernard was in town Sunday evening.

Robley Dupelix was in town Sunday evening.

Mrs. Kilpatrick and son, Ray arrived Thursday. Mr. Kilpatrick is keeping Mr. Billeaud's books. They will move into the new building belonging to Mr. Paul Bernard.

Two hundred and ten pupils enrolled and still they come.

The school children are beautifying their grounds by planting flowers of different kinds and caring for them. We expect to have the prettiest school yard in the parish.

The city officer succeeded in landing two negroes in jail Saturday night, and Mayor Bernard did not fail to make them pay for their rowdiness. These officers are determined to break up these weekly disturbances and we urge them on in their good work.

Good coffee, 10 cents a pound at Broussard Bros.

Plant sweet pea seed now. At the Moss Pharmacy they have a selection of the best varieties in bulk.

Childhood's Fading Joys.
 "Don't trade candy that has been bitten, apple cores or chewing gum."
 "Yes."
 "What do you mean by comparatively?"
 "Compared with my wife."—Cleveland Leader.

Fresh garden seed in any quantity, bulk or package, at the Moss Pharmacy.
