

PRESERVING CLOTHING

is as much a part of our business as making them. We

PRESS AND CLEAN

your garments with the same thoroughness and skill that we give to tailoring you a suit. Our work in this line prolongs the life of the garment and keeps it looking right till worn out. Send us your clothing to clean and press and note the improvement.

The Third Term.

Concerning a third term for president of the United States, De Tocqueville said: "President Washington established the practice of declining a third election, and every one of his successors, either from a sense of its propriety or from apprehensions of the force of public opinion, has followed the example. So that it has become as much a part of the constitution that no citizen can a third time be elected president if it were expressed in that instrument in words."

Telephone Notice.

This is to notify the public that we will in a short time be in a position to place telephones in any part of Lafayette. Persons desiring telephones will please notify the manager or chief operator, either by telephone, postal card, or, if convenient, call at the office. Cumberland Telephone and Telegraph Company. T. M. Watts, Manager.
