

Broussard Notes.

Mr. L. J. Alleman was seen on our streets Friday.

A. A. Comeaux is now at home for vacation. He has been attending Spring Hill College in Mobile.

C. E. St. Julien, who has just graduated at Bay St. Louis College, is now at home for vacation.

Mr. Dugas, of Lafayette, is spending a few days with Euclide St. Julien.

Miss Anita St. Julien, who has been in Grand Coteau Convent for the past session, is now at home. Nita was one of our brightest pupils and has made a splendid record at the convent.

Della Billeaud is at home enjoying vacation.

Only a few more days and the teachers and pupils of Broussard school will be enjoying their vacation. The closing exercises will be held Thursday night. Everybody invited.

Examinations were completed last week and every one (?) seems happy.

Robert Comeaux went to New Iberia last Sunday, in fact he goes nearly every Sunday. We often wonder why.

Miss Annie Terrell returned to her home in New Iberia after having spent a week with friends in Broussard.

In a Bad Way.

"Yes, poor papa's been shut up in the house so long. The doctor says if he could only get out to take a little exercise he would be very much better."

"Is he too weak to go out?"
"Oh, no, but there's process servers all around the house even down to the back gate."—Baltimore American.

Must Be Fresh.

"See here," exclaimed the husband of the fashionable invalid, "what's the idea of the doctor coming here again to-day?"

"My gracious!" she exclaimed petulantly, "he has come to leave my fresh medicine. You don't suppose I'd use yesterday's, do you?"—Catholic Standard and Times.

A Joke on Him.

"What's old man Groucher kicking about?" asked the hardware dealer.

"Wanted ten pounds o' nails," replied the clerk, "an' wouldn't trust us to send 'em. Insisted on taking them with him."

"Euh! I hope he'll sweat for it."
"I'll bet he will. I sneaked five or six extra pounds of 'em in the package."

Does Not Favor Elective School Boards.

Boyce Advertiser.

One of the late bills passed by the House is to make school boards elective. We believe this wrong, as we already have enough petty officers for trading stock, as there has always been a tendency to trade small offices to incompetent men to secure their influence, which half of the time does not amount to a row of pins.

Additional Train Service for Colorado Tourists.

Beginning on the 10th inst. the F. W. & D. C. Ry. (The Denver Road) re-established double-daily train service between Fort Worth and Denver under faster schedules than ever before. These trains leave Fort Worth at 9:45 a. m., and 8:45 p. m., and arrive at Fort Worth from Denver at 5:10 p. m. and 7:25 a. m. daily, thus preserving connections with all other Texas lines in both directions and affording Colorado Tourists all that could be desired. Each of these trains is operated solid between Fort Worth and Denver, and carry Pullman Palace Sleepers and also serve all meals in superb Cafe Cars at city prices upon the "Pay only for what you order" plan.

In connection with the foregoing, this company has placed in service additional trains between Fort Worth and Quanah, Texas, a distance of 192 miles, for the accommodation of local travel, and by reason of same has been enabled to reduce the time of through trains between Fort Worth and Denver more than two hours, all of which should and will be appreciated by vacationists bound for "Cool Colorado" and by the traveling public generally.
