ART OF FINE TAILORING.

We haven't met him yet, however. Neither have those who have us make their clothing, for they keep on coming here right along and bring their friends with them. If our tailoring were not just right or if our prices were too high would they do that? Of course not.

PEOPLES PHARMACY

Will On Tuesdays, Thursdays and Saturdays,

Until further notice, give WITHOUT COST to everyone calling at our place of business, a full-size bottle of BROMONIA FREE. This offer is intended for those who suffer from dyspepsia, constipation or malaria, or any of the nervous diseases resulting from a disordered stomach. The manufacturers of Bromonia assert that in Bromonia they have discovered a remedy so speedy in action and so sure in action and so sure in its results, that they are willing to give to any one, no matter where they live, a full size bottle free, in order that a test of the remedy may be made before purchasing. Every adult living in this town or vicinity can have a free bottle by simply calling and asking for it. If you live out of town, send your name and address to THE BROMONIA COMPANY, New York City, and we will supply you with a FREE BOTTLE.

The Bromonia Company will distribute this year over two millions of bottles free.

If you have blood poison or consumption, we cannot benefit you. You need the service of a skilled physician. But if you are run down in general health, have dyspepsia, are subject to fainting spells, insomnia, biliousness, kidney or liver troubles, malaria, chronic constipation or headache, then we can help you. A dose of Bromonia taken in time often prevents an attack of pneumonia, la grippe, recurrent attacks of chills and fever and many of the various epidemics to which the human being is subject. *Keep a bottle on hand at all times in the house. NEVER BE WITHOUT IT. GUARANTEED UNDER THE PURE FOOD AND DRUG ACT, June 30, 1906.*

THE BROMONIA COMPANY.

If you do not care to accept this offer, you can secure Bromonia of any druggist in town or elsewhere. Price 25 cents, 50 cents and one dollar. Better avail yourself of this offer, however, at once, as it may be discontinued, if the demand exhausts our supply.
