SAVE \$8.00

BEGINNING FEBRUARY 9th, 1914

One Week
Only

MAJESTIC RANGES ARE MADE IN ALL SIZES AND STYLES

AS a special inducement during our demonstration week only, with every MAJESTIC RANGE sold (prices always the same) we will give free one handsome set of ware as illustrated here.

Every piece of this ware is the best of its kind. Not a piece that is not needed in every kitchen. It cannot possibly be bought for less than \$8.00. This ware is on exhibition at our store. DON'T FAIL TO SEE IT.

Which Shall It Be?

DO You intend to continue laboring, burning valuable fuel and destroying high-priced food with that old worn-out cook stove.

You KNOW that old stove eats up a lot of fuel each year.

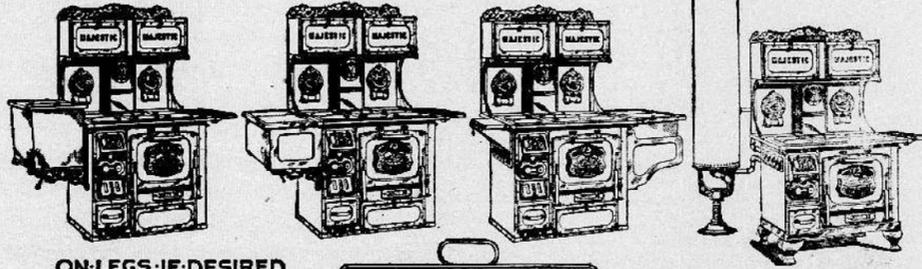

You KNOW you have trouble in getting it to bake just right, in fact, spoil a batch of bread every once in a while—you know it costs considerable for yearly repairs.

Stop and think and figure. Wouldn't it pay you to buy a good range—a range with a reputation—

GREAT MAJESTIC Malleable and Charcoal Iron RANGE

YOU make no mistake in buying the GREAT MAJESTIC—it's the range with the REPUTATION—ask your neighbors. Then, too, it's made just right and of the right kind of material—MALLEABLE AND CHARCOAL IRON—riveted together practically air tight—lined with pure asbestos—parts being malleable can't break—has a movable reservoir and an oven that doesn't warp—that's why the MAJESTIC uses so little fuel, bakes just right every day in the year (browns bread just right all over without turning), heats 15 gallons of water while breakfast is cooking—properly handled lasts a lifetime, and costs practically nothing for repairs.

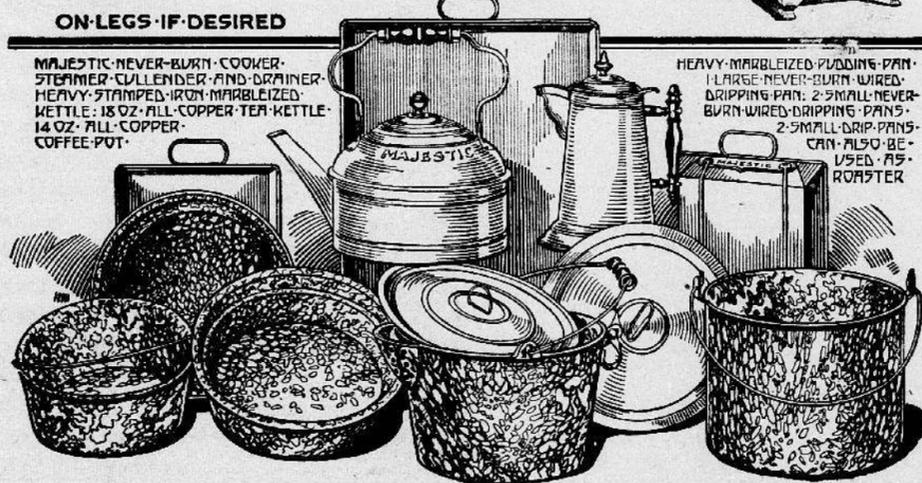

Don't buy the range you expect to last a lifetime "unsight unseen;" you'll be sure to be disappointed. Come to our store during demonstration week, see the GREAT MAJESTIC—have its many exclusive features explained—find out why the MAJESTIC is 300 per cent sturdier than other ranges where most ranges are weakest.

You can have worlds of fun with the MAJESTIC BIRD—it imitates the canary to perfection.

Be sure to have your answers ready to hand in at our store TUESDAY AFTERNOON, between 3 and 5.

SPECIAL All during this week a special demonstrator direct from the MAJESTIC FACTORY will be glad to show you "ALL ABOUT RANGES"—show you why the MAJESTIC is the best range on earth at any price.

COME, IF YOU INTEND TO BUY OR NOT
EDUCATION lies in KNOWING THINGS—KNOW why the oven of a range is heated—KNOW why the water is heated—KNOW how the water is heated—KNOW how the top is heated—WHY the MAJESTIC uses so little fuel—KNOW how a range is made inside and outside. This education may serve you in the future. DON'T OVERLOOK a chance to KNOW THINGS shown by one who knows. COME.

Don't Overlook the Date. This is a Special Invitation to You and Your Friends and Neighbors.

PARENT-TEACHER CLUB ORGANIZED

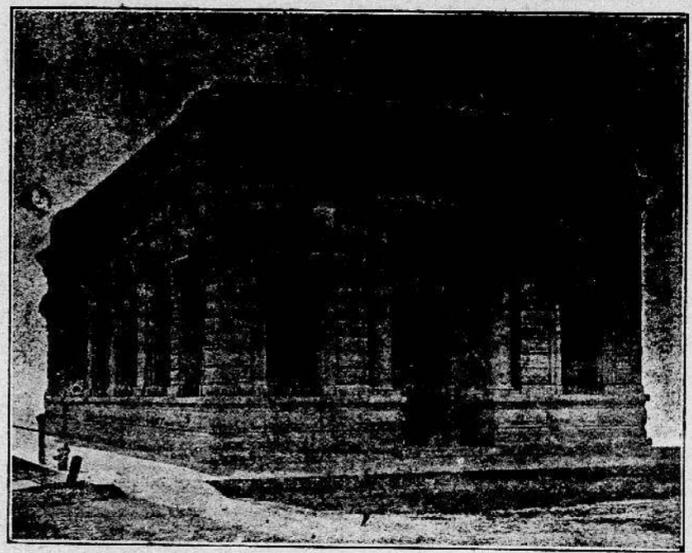

Organization Effected with Miss Dupre as President—Meetings to Be Held Monthly.

The proposed Parents Club at the Institute was modified into the Parent-Teacher Association at the meeting held for organization Tuesday night. A goodly attendance was again present and the purpose of similar organizations were fully discussed, after which it was decided to adopt a form somewhat like those composing the national organization of such school cooperative clubs. Supt. L. J. Alleman, who has recently become a patron of the Institute was called to preside and Geo. A. DeBlanc was elected temporary Secretary. A committee on Constitution was appointed by the Chair with instructions to report immediately with a proposed Constitution, which was duly adopted and permanent or with the following officers: President, Miss Edith G. Dupre, 1st Vice President, Mr. F. G. Mouton, 2nd Vice President, Mrs. J. J. Davidson, Secretary, Mr. George A. DeBlanc, Treasurer, Mr. R. L. Jordan. There are to be no dues and anybody is eligible for membership who is interested in the objects for which the Association was formed. Meetings will be held on the first Thursday night of each month. Standing committees were appointed on Program, Attendance, Discipline, Sanitation and Cleanliness of Buildings, Beautification of Grounds, Health, and Vocational Guidance.
