THE GREAT DISCOVERY.—KROLEBERG!

For Curbing the Hair! For many years it has been the object of deep study with chemists and others to produce a fluid that, applied to the hair, would cause it to wave and curl in beauty to the natural curl.

THE KROLEBERG is the only article ever offered to the world that will effect this most desirable object. But three or four applications are necessary to curl it as much as may be desired, and for any length of time. For my true testimonials of those who have used it, the subscriber does not hesitate to warrant the KROLEBERG to give satisfaction, and prove as recommended in all cases.

The recipe for making will full directions for use, will be sent on the receipt of \$1, post-paid. The ingredients will not cost over 25 cents.
