You Can Depend on This Cough Syrup

Is that cough of yours obstinate — won't let up day or night — got the throat irritated and inflamed — covered with mucous deposits?

Take a few doses of Nyal's Winter Cough Syrup — you'll notice a decided improvement in a day or two—even the first dose brings relief.

It relieves all soreness and irritation — soothes and heals the inflamed tissue — removes the mucus and prevents further infection.

Contains no morphine, chloroform, or opiates of any description — it is absolutely safe and dependable — you know just what you are taking — we can give you the formula and that's why we are so enthusiastic about it.

Two sizes, 25 and 50 cents.

When we had a chance to get the exclusive selling agency for Nyal's Family Remedies we jumped at it. They are known among all druggists as the highest quality line on the market, and are prepared by a great firm of manufacturing chemists, famous for fifty years.
