

Ford

THE UNIVERSAL CAR

The Ford Coupe with an electric self-starting and lighting system is one of the most popular members of the Ford Family. It is a permanently enclosed car, with sliding plate glass windows—an open car with plenty of shade. Then in inclement weather, enclosed and cozy, dust-proof and rain-proof. Just the car for traveling salesmen, physicians, architects, contractors, builders, and a regular family car for two. Demountable rims with 3½-inch tires all around. To women it brings the convenience and comforts of the electric with the durability and economy of the Ford car. Early orders will avoid long delays in delivery.

ST. PATRICKS, LA.

Transfer? A fat chance!

20 for 20 cents
in air-tight packages.
Also obtainable in round
tins of 50, vacuum-sealed.

I READ a story,
ABOUT A fellow,
WHO SLIPPED,
ON AN icy hill,
AND STARTED to slide,
AND TRIPPED up,
A FAT lady,
WHO SAT on him,
AND RODE down hill,
TO THE foot,
AND THEN he wheezed,
"MADAM, YOU'LL have,
TO GET off here,
THIS IS as far,
AS I go."
SO WHEN a new clerk,
WHO DIDN'T know,
MY REGULAR smoke,
TRIED TO sell me,

SOME OTHER kind,
OF CIGARETTE,
I REMEMBERED that yarn,
AND TOLD the clerk,
JUST WHERE to get off,
OTHER KINDS will burn,
AND GIVE off smoke,
I'LL ADMIT that much,
BUT THAT'S as far,
AS I'LL go,
THERE'S ONLY one kind,
OF CIGARETTE,
THAT CAN, and will, and does,
REALLY "SATISFY."

OTHER cigarettes may please
your taste for a time—but that's
as far as they go. With finer tobac-
cos—both Turkish and Domestic—
and with finer blending—Chester-
fields give you the fullest possible
cigarette enjoyment. They always
satisfy. It's the blend—and it can't
be copied.

They Satisfy Chesterfield CIGARETTES

LIGGETT & MYERS TOBACCO CO.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle
of Danderine right now—Also
stops itching scalp.

Thin, brittle, colorless and scraggy
hair is mute evidence of a neglected
scalp; of dandruff—that awful scurf.
There is nothing so destructive to
the hair as dandruff. It robs the hair
of its lustre, its strength and its very
life; eventually producing a feverish-
ness and itching of the scalp, which if
not remedied causes the hair roots to
shrink, loosen and die—then the hair
falls out fast. A little Danderine to-
night—now—any time—will surely save
your hair.

Get a small bottle of Knowlton's
Danderine from any drug store. You
surely can have beautiful hair and lots
of it if you will just try a little Dan-
derine. Save your hair! Try it!

BE SURE TO LOOK OVER OUR
"Want Ads"
EVERY ISSUE

Many a towering
business success owes
its first strides to the
little modest want ad,
timidly bidding for
customers.

Your little business
may be helped to suc-
cess in the same way.

Mail ads are the
"Bargain Counter" of
newspaper space, and
you should have your
share of the benefits.

Gentle Hint.

A miserable-sinner-looking clergy-
man sought advice of an experienced
preacher, and was told, among other
things: "If you are preaching of hell,
—your ordinary expression of coun-
tenance will do; but if you preach
of heaven, I should try to look a little
more cheerful."—Christian Register.

Temple of Lord's Prayer.

Perhaps the most interesting, surely
the most exquisite, house of prayer in
the world is the Little Temple of the
Lord's Prayer in Palestine, erected on
the spot where it is believed the Sav-
ior taught his prayer to the disciples.
The little temple is of pure white
marble, with simple straight lines, dis-
tinctly unlike the architecture of the
Orient. "Our Father which art in
heaven" in every known language is
carved on the walls and columns, and
is the only decoration of this supremely
lovely place. To see it in the soft
opal twilight of the east, or at moon-
light, or in the earliest dawn, is to un-
derstand the matchless words of the
Master translated into marble.—Chris-
tian Herald.

The departure of the
cook or the maid does
not prostrate the lady
who knows the effi-
ciency of the want ads.
And want ad-reading
servants are of the desir-
able class.

Seldom does a "girl
wanted" ad run its full
time until a "Stop—girl
supplied" order is re-
ceived.

ness man.

Directing terms for coins.
The language of money differs in
different parts of the United States.
On the Pacific coast the usual term
for a quarter dollar is two bits.
In the most communities of New York
the most common name for the same
piece is a dime. In the middle States
it is called a dime. In the South it is
called a dime. In the West it is called
a dime. In the North it is called a
dime. In the East it is called a dime.
In the South it is called a dime. In
