A DENVER woman telegraphed to police headquarters for an officer. Thinking that nothing short of a robbery had occurred, the Chief dispatched four policemen in great haste. They reached the house out of breath with running. What did the woman want? Her little boy would not let her wash his face, and, having threatened him with the police in vain, she concluded to try what effect their presence would have.

It is said the Goatherd threw and struck the Goat on the horn and broke it. Becoming alarmed, he besought the Goat not to tell his master. Oh! most foolish Goatherd," replied the Goat, "my broken horn will tell the story though I should not utter a word." Facts speak louder than words, which accounts for the unprecedented popularity of ENGLISH FEMALE BITTERS for the quick and permanent cure of all troublesome female complaints and irregularities. It relieves monthly weakness or excesses, cures leucorrhoea, pain in the back and filling of the womb; eradicates swimming and giddiness of the head, acts like a charm with girls just merging into womanhood and insures a safe journey through "the town of life." An Extraordinary Offer.

There are a number of persons out of employment in every country,—yet energetic men willing to work do not need to be. Those willing to work can make from \$100 to \$500 a month clear, working for us in a pleasant and permanent business. The amount our agents make varies,—some making as high as \$500 a month, while others as low as \$100, all depending on the energy of the agent. We have an article of great merit. It should be sold to every House-owner, and pays over 100 per cent profit. Each sale is from \$3.50 to \$10.00. One agent in Pennsylvania sold 32 in two days, and cleared \$64.00. An agent in New York made \$15.00 in one day. Any man with energy enough to work a full day, and will do this during the year, can make from \$2,000 to \$6,000 a year. We only want one man in each county, and to him will give the exclusive sale as long as he continues to work faithfully for us. There is no competition, and nothing like our invention made. Parties having from \$200 to \$1,000 to invest, can obtain a General Agency for ten counties or a state. Any one can make an investment of from \$25 to \$1,000 without the least risk of loss, as our circulars will show that those investing \$25 can after a 30 days trial return the goods unsold to us and get their money back, if they do not clear at least \$100. They see that a General Agent who will take ten counties and invest \$216.00 can after a trial of 90 days return all goods unsold to us, and have money returned to them if they fail to clear at least \$750.00 in that time. We are not paying salaries, but want men willing to work and obtain as their pay the profits of their energy. Men not willing to work on our terms will not work on any. Those meaning business will receive our large descriptive circular, and extraordinary offer by enclosing a three cent stamp, with their address. The first to comply with our terms will secure the county or counties they may wish to work. Address KENNER MANUFACTURING CO., 118 Smithfield Street, Pittsburgh, Pa. July 14-16. o. w.
