FROM OUR EXCESSIONS.

tion vote which is exactly in keeping with that we wrote, which is as follows;

The result of the local option election in Natchitoches last week is but another victory of ignorance and impeople voted for prohibition while the immoral element, aided by an almost solid negro vote, went against prohibition. Without the greatest curse, both to white and black that was ever conferred upon the colored man.

The same paper says the Ruston School has 115 pupils.
