

It had been cut off for the purpose. Mr. Davis' wife died a few months after marriage. After this misfortune he lived for some years in great seclusion and retirement. His brother was his only habitual associate. This brother was many years his senior, being the oldest, as Jefferson was the youngest, of the ten children.

GOV. LOWRY'S PROCLAMATION. Jackson, Dec. 7.—The governor has issued the following proclamation: "STATE OF MISSISSIPPI. EXECUTIVE DEPARTMENT. JACKSON, DECEMBER 7, 1889."

Death of Jefferson Davis. It will be remembered that the announcement of the illness of this notable man was made throughout the country some time ago, as he had been taken sick at one of his plantations in Warren county, Miss., and had stopped in New Orleans. He had malaria fever with other diseases. At times he seemed better. He insisted all the while that he was nearing his end, notwithstanding the doctors tried to impress him with the belief that he was better.

The Delhi Outrage. Charlottesville, La., Dec. 9, 1889. At a mass meeting of citizens of the Seventh ward, held at this place, W. Geo. Meyers was called to the chair, and Dr. Y. M. Milam, secretary. The chair stated the object of the meeting as follows: That we express ourselves in condemning the late acts perpetrated against citizens of Jewish descent residing and doing business in Delhi.

On motion, the chair appointed a committee of three to draft resolutions. J. F. Burns, J. T. Stokes and Dr. Y. M. Milam, who submitted resolutions as follows: Resolved, That we regret to see the animosity shown to our Jewish fellow-citizens residing in Delhi, this parish. We declare ourselves utterly opposed to all such acts of violence, and denounce the same as being against the laws and peace of Louisiana.

Resolved, That we regard such acts detrimental to our endeavors in obtaining immigration to our parish. Resolved, That we regard the Jewish citizens of our parish as being a quiet and law-abiding people, and we will do all in our power to protect them in their rights under the law in person and property.

Resolved, That we herein call upon our District Attorney, whose duty we consider it to be, to thoroughly investigate the late riotous and would-be murderous acts of parties in Delhi against the Jews doing business there, and protect them and their property as well as any other people.

On motion, above resolutions were adopted, and a copy of these proceedings be forwarded to the Richmond News and Beacon by the secretary with request to publish.

Deaths in Richland. On Tuesday morning early, we received a note from Mr. M. L. McCoy to order a coffin for his little two-year-old daughter who had died on Monday night with croup. The afflicted parents have our sympathy in their sad loss, but they have the consolation of believing that their darling is saved.

On Tuesday we noticed a wagon going out with a coffin, and on enquiry learned that it was for Mrs. Geo. W. Wright, consort of our esteemed friend, Geo. W. Wright, who resides about four miles north of Rayville. Deceased has been in failing health for some time, and all that kind attention and medical skill could do was done for her, but the all-destroying sythe of death came at last and severed from a fond husband and dutiful children all that was mortal of wife and mother, but as she was a Christian she mourns not as those who have no hope, and they should be comforted in the belief that their loss is here eternal gain. But time alone can assuage the grief of the afflicted.

Since writing the above notices the news was received in town that Mrs. W. C. Chennault had died at 8 a. m. Wednesday, December 11th, 1889. Mrs. Chennault leaves a husband and one small child to mourn her death. They have our deepest sympathy.

The following petition from property tax payers of the parish of Richland was presented:

Railroad Petition. To the Honorable Police Jury of the Parish of Richland State of Louisiana: The undersigned petitioners being more than one-third of the property taxpayers of said Parish of Richland represent that

Whereas, an alleged special election held in the Parish of Richland on Tuesday the 16th day of August, A. D. 1887, an alleged special tax of five mills per annum for a period of ten years on the taxable property of Richland parish is claimed and alleged to have been voted in aid of the Louisiana and Arkansas Railway Company, and

Whereas, on the 24 day of November A. D. 1886, a special election was held and a special tax of five mills per annum on the taxable property of Richland parish for a period of ten consecutive years, was voted in aid of the New Orleans, Natchez and Fort Scott Railway Company, and objections may be urged to the validity of said special election and tax, and

Whereas, the property taxpayers desire to offer every possible inducement to secure said railroad, therefore, in consideration of the foregoing premises your petitioners pray your Honorable body to meet in special and extraordinary session and submit to the property taxpayers of Richland parish an ordinance and proposition to levy a special tax of five mills per annum for the period of ten consecutive years in aid of the New Orleans, Natchez and Fort Scott Railway Company, its successors or assigns, a corporation created and existing under the laws of the State of Louisiana, on the following conditions, to-wit:

First, In the event said special tax voted on November 24, 1886, in aid of the New Orleans, Natchez and Fort Scott Railway Company, is regular, legal and valid, the said Railway Company shall have the right to claim, demand and collect said special tax voted in its favor on November 24, 1886, the special election under this petition not to prejudice, waive or in any way affect the right of said Railway Company, its successors or assigns, to such special tax if regular and valid.

Second, In the event the said special election held and special tax voted on November 24, 1886, in aid of the said Railway Company is regular, legal and valid in the sum of five thousand dollars per annum, and fifty thousand dollars for ten years no more, although a five mill tax may exceed five thousand dollars per annum, and fifty thousand dollars for a period of ten years, then the election under this petition shall be for such additional amount as the said five mill tax may exceed five thousand dollars per annum and fifty thousand dollars for the period of ten years.

Third, In the event the special election and special tax voted on November 24, 1886, in aid of said New Orleans, Natchez and Fort Scott Railway Company is irregular, illegal, null and void, then the special election under this petition shall be for the full five mill tax on the taxable property of Richland parish for a period of ten consecutive years in aid of the New Orleans, Natchez and Fort Scott Railway Company, its successors or assigns.

Fourth, In the event the aforesaid special tax in favor of the Louisiana and Arkansas Railway Company is regular and valid, not forfeited and should be earned, and the said special tax voted in aid of the New Orleans, Natchez and Fort Scott Railway Company is not regular and valid, and the property taxpayers have not the right and are not authorized to vote another such special tax in favor of the New Orleans, Natchez and Fort Scott Railway Company till the special tax in aid of the Louisiana and Arkansas Railway Company is earned, levied and collected, then such event the special tax voted under this petition shall commence and be collected for the period of ten years, beginning in the year next succeeding the expiration of the ten years covered by the special tax in favor of the Louisiana and Arkansas Railway Company.

Fifth, It is expressly provided that only one special tax of five mills per annum for the period of ten years on the taxable property of Richland parish shall be collected and paid to the New Orleans, Natchez and Fort Scott Railway Company, its successors or assigns.

Sixth, That the New Orleans, Natchez and Fort Scott Railway Company, its successors or assigns shall construct, equip and have in operation with cars running thereon a standard gauge railroad from or near Vidalia, in the Parish of Concordia, Louisiana, to the intersection of the Vicksburg, Shreveport and Pacific Railroad within three miles of the point at which the said Vicksburg, Shreveport and Pacific Railroad crosses Bayou river in the Parish of Richland.

Seventh, In the event said Railway Company, its successors or assigns, shall not construct, equip and have in operation with cars running thereon a standard gauge railroad from and to the point above named by January 1st, 1891, such special tax shall be forfeited and all action taken under this petition shall be null and void; and in the event of any delays caused by litigation, overflows or epidemics then the above time to be extended from January 1st, 1891, to such a date as shall be equal to said delays.

Petitioners pray that said special tax shall be placed on the first roll for collection after said special tax shall have been earned and become exigible and thereafter annually collected and paid to said Railway Company, its successors or assigns.

Petitioners further pray, That said special election shall be held in accordance with art 25 of the acts of the General Assembly of Louisiana for 1886, and that the form of the ballots to be used at said special election shall be as follows: In favor of the said special tax, shall be "For the levy of the special tax in aid of the New Orleans, Natchez and Fort Scott Railway Company." And against the levy of said special tax shall be, "Against the levy of said special tax in aid of the New Orleans, Natchez and Fort Scott Railway Company." And for proper action and relief.
