SEWING MACHINES!

THE WILSON SEWING MACHINE
MANUFACTURING COMPANY

are now offering to the Public,

WILSON'S

NEW FAMILY MACHINES

FOR ONLY TWENTY DOLLARS!

It is the only First-Class Sewing Machine in the market that retails for less than \$30. We present our new Machine to the Public with all the improvements that can well be combined in a Sewing Machine. Great labor and pains have been bestowed on this Machine to bring it into the very highest class in the scale of Sewing Machines. It is acknowledged by the best judges to stand entirely above and beyond any Machine ever invented.

Wilson's Celebrated Sewing Machine

has the capacity for doing

All Kinds of Family Sewing

equally as well as any other Machine in the market. It will SEW, HEM, FELL, STITCH, COSS, BIND, BRAID, GATHER AND SEW ON THE GATHER AS THE BARK TIME, AND REVERSE THE REVERSE.

It uses all common Spool Cotton, Green Thread, Silk, and Thread, directly from the Spool, and can be run (by steam) at the unprecedented speed of 4,000 stitches per minute. This Machine makes the celebrated

Elastic Lock-Stitch,

which can be cut at frequent intervals of every 1/4 inch, and can not be worked or pulled apart.

Wilson's

NEW \$20 MACHINE

Does away with our old style of Treadle Machines.

It is as large as the old Machine, and is so adapted that it will stand upon any work-table, and remain firm without fastening.

IT FEEDS THE WORK ITSELF,

and relieves the hands almost entirely, which obviates the necessity of using a stand and treadle, to allow the operator the use of their hands to guide the work. All those who have operated on treadle Machines, will appreciate this great improvement, as well as all the scientific Physicians, who have decided that sewing machines propelled by the feet are highly injurious to females and should not be used more than one or two hours a day. With Wilson's Improved Machine the operator can sit erect, thus preventing pain in the back, head and chest, which are caused by the old style of Machines.

In order to introduce our Machine throughout the civilized world, we have decided to offer the following

Unprecedented Inducements:

To any one sending us Twenty Dollars, either by Draft, Postal Money Order, or Express, prepaid, (which they can do at our risk), we will forward one of the Wilson Machines on Terms, for two weeks, and at the end of that time, if they like the Machine, it is not, in every respect, just as we presented it, they can return it to us, paid through, and we will refund the money.

Can this advertisement out and send it to us, with your address and Twenty Dollars, and we will forward you a Machine by return Express. Directions accompany each Machine, from which the most inexperienced will find no difficulty in using it.

EACH MACHINE

Warranted for Five Years!

AGENTS WANTED

On Commission, or to work for a regular Salary. We will send Private Terms to Agents, with Machine to those who desire an Agency.

Address all Orders—

PETROLEUM STOVES!!

PETROLEUM STOVES!!

The Most Useful Invention Of The Age!

COOKING MADE EASY.

THESE STOVES make no SMOKE, SOOT, LASHES or DIRT. They throw off very little heat, outwardly, and cook better than any other Stove. They are now used by HUNDREDS OF FAMILIES in New Orleans, who find them not only the most economical, but indispensable. As every Housekeeper can easily do her own cooking, independent of Servants.

Liberal terms offered to the Country Trade. Refer to Gen. Frank Gardner, Judge Charles L. Dumont, Rev. Mr. Hall, and C. Cavacon, Esq., among many other well known New Orleans gentlemen, who are using these Stoves, which are on exhibition and for sale
