How to kill time—shoot every day.

Look in at Rosenfield's and examine his fine new stock of spring goods just received and for sale at his customary low prices.

An old toper says he prefers traveling on the steamer Dexter to any other on the river, because he always had a banking likeness for the brand.

IMPORTANT TO MARY.—A telegram in the N. O. Picayune states that the United States Supreme Court has promulgated a very important decision. The Court unanimously decides that confiscation without jury trial is null and void. This will set aside all the decrees of confiscation rendered by the U. S. District Court in Louisiana during the past four years.

We are informed that Col. R. S. Morse, of the City Hotel, New Orleans, taking into consideration the hardness of the times and the scarcity of money, has reduced the rates of charges in this Hotel to three dollars per day.
