A PLEA FOR TEMPERANCE.
The Rev. N. V. HULL, of Alfred, Allegany Co., N. Y., will deliver a Temperance Lecture in the Court House in Coudersport, on Tuesday Evening, Dec. 20th, being Tuesday evening of December Court.

Let every one who wants to hear good speaking, and every body who desires a REVIVAL of the Temperance Cause in this County, attend this meeting.

JNO. S. MANN, } Committee
A. F. JONES, } of
J. HENDRICK, } Arrangements

Y. R. Champney, Jr., the Agent for this county, has presented us with one of Loren Wetmore's new Patent Animal Traps, which after a fair trial in catching mice, we are glad to pronounce one of the best we ever saw. It is simple in construction, yet so perfect in design that it will catch as many as nine rats at a time. Mr. C. will also fill all orders from any direction by letter. His post-office address is Gaines, Tioga Co., Pa., which is also the address of the inventor.

We find the following in the Tioga Agri-cultor of the 3d inst., under the head of "Adjoining Counties." We agree with the Agri-cultor that its author "cannot survive"—if he lives in Potter county. It is a good thing he is "from Potter county," now. How long has he been with you, Hugh?

"A fellow from Potter County writes as follows concerning him: 'Why was Mr. Leslie, of whom Chase of the Journal speaks in his 'Wedding Tour' as having saved her child, like the creditors of the late Nigger Bumper? Because he had caught her son (Cetter's son) by the 'short hair.' The author of the above has gone to Shippen or Pike's Peak. He cannot survive.'

Fatal Accident.—A correspondent at Hartsville, in this county, sends us the following account of a fearful accident which occurred at that place on the 18th inst. Ardell Gray was the daughter of Mr. Wm. Gray, formerly of this place, and who, while living here, had a little son scalded to death by falling into a tub of hot water:

BURVILLE, Nov. 19, 1859.
MR. CHASE—Dear Sir: An awful accident happened at Benton's Mills yesterday at 1 o'clock. P. M. Two little girls, one named Ardell Gray and the other Jane More, aged about 8 years each, were playing around the Shingle Machine, and were riding on the shaft that drives the drag saw, when their clothes caught on the shaft, throwing the children down with great force and mangled them terribly. Ardell was almost scalped and both her thighs were broken. She lived till about 3 o'clock—two hours. Jane More still survives, but her life is despaired of. She was hurt over the left eye, and her head continued to bleed inwardly. This is a sad warning to parents to keep their children away from machinery. Yours, D. P. R.

Coudersport and Mount Vernon.—In the Mount Vernon Record for October we find the following handsome list of contributions collected by Mrs. M. Ross, Lady Manager for this county. The contributions will no doubt be greatly increased when the plan becomes more generally known to our citizens—as it now is, they make a good report of their regard for the memory of the "Father of his Country":

 - Dr. E. Joerg, 1 00
 - Mrs. C. Glassmire, 1 00

- Total, \$15 00

Peterson's Magazine.—We are in receipt of this popular Lady's Magazine for December. It is a splendid number. "Peterson" has a circulation steady, of nearly 100,000, but will be greatly improved in 1860. It will contain about 1000 pages of double column reading matter, 14 steel plates, 12 colored steel fashion plates, 12 colored patterns in Berlin work, embroidery or crochet, and 800 wood engravings—proportionately more than any other periodical gives. Its stories and novelets are by the best writers. Its fashions are always the latest and prettiest. Its price is but Two Dollars a year, or a dollar less than Magazines of its class. *Subscribe for it and save a dollar.* To clubs, it is cheaper still—viz: three copies for \$5, or eight for \$10. To every person getting up a club, the Publisher will send two splendid engravings of Niagara, of a size for framing. Address, CHARLES J. PETERSON, 306 Chestnut Street, Philadelphia. Specimens sent gratis.

Hon Thos. M. Howe, of Pittsburgh is earnestly urged by his friends for the Republican nomination for Governor. We notice the following other gentlemen's names prominently mentioned:—A. G. Curtin, Andrew Reeder John Covode, G. J. Ball, John Dick.

Full Length Steel Engravings of WASHINGTON & EVERETT,
Including a View of Mount Vernon,

In the Engraving of Washington. These splendid engravings are from original paintings by Hicks, and are engraved on steel in the highest style of Art. They are each 25x35 inches, each containing six square feet. So many coarse, miserable pictures have been palmed upon the public as works of art—and especially in cheap, black and muddy engravings—that it is difficult to convince persons of taste that they are safe in ordering what they have not first seen. We have paid the first artists their own prices, amounting to MANY THOUSAND DOLLARS, to produce engravings really beautiful, as well as the best portraits, and that shall be splendid ornaments to any parlor.

Opinions that can be relied on:—The Editor of the New York Observer says:—"These engravings are genuine works of art—the likenesses are admirable. The portrait of Mr. Everett will take precedence of all others."

The New York Christian Advocate says:—"They are among the finest engravings we have ever seen, and THE PUBLISHERS ARE FULLY RESPONSIBLE FOR ALL THEY PROMISE."

Terms, Almost Gratis,
We will send, POST-PAID, securely packed in rollers—

Either Engraving and a \$3 Magazine, one year, for \$5.
Both Engravings, and a \$3 Magazine, one year, for \$4.

AGENTS who remit \$30 at a time, will have an extra copy of each engraving. The Magazines are HARPER'S, THE KNICKERBOCKER, GODEY'S LADY'S BOOK, THE ATLANTIC, BLACKWOOD.

By special arrangement, the entire year's subscription to the Magazines is paid over by us to their publishers, and subscribers receive their supply for the year direct from their respective publication offices. The cost of the engravings is paid only by the difference between the lowest wholesale and the regular price of the Magazine.

Engravings sent at once, and subscriptions to periodicals commence with current issue, unless otherwise ordered. Money at our risk if proof is retained of having been mailed. First impressions are best, therefore send early. Address,
