THE KNICKERBOCKER MAGAZINE FOR 1862.

In the beginning of the last year, when its present proprietors assumed control of THE KNICKERBOCKER, they announced their determination to spare no pains to place it in its true position as the leading literary Monthly in America. When rebellion had raised a successful front, and its armies threatened the very existence of the Republic, it was impossible to permit a Magazine which in its circulation reached the best intellects in the land, to continue in a purely literary course, as if insensible or indifferent to the dangers which threatened the Union. The proprietors accordingly gave notice that it would present in its pages forcible expositions with regard to the great question of the times: How to preserve the United States of America in their integrity and unity. How far this pledge has been redeemed, the public must judge. It would, however, be mere affectation to ignore the seal of approbation which the public has already placed on these efforts. The proprietors gratefully acknowledge this, and it has led them to embark in a fresh undertaking, the publication of THE CONTINENTAL MONTHLY, devoted to literature and national policy, in which Magazine those readers who have followed with sympathy the political and social views so forcibly expressed of late in our pages, may find them still further enforced by the most eminent and energetic minds in America.

The Knickerbocker, while it will remain firm in support of the Union, will be found, according to the originally expressed intention of the publisher, devoting itself more exclusively to art and letters, and in maintaining its long established position as the leader in America of the widely varied departments of literature to which it is specially devoted.

The number for January commences its thirtieth year. With such antecedents as it possesses, it seems unnecessary to make any special pledges as to the future; but it may not be amiss to say that it will be the aim of its conductors to make it more and more deserving of the liberal support it has hitherto received. The same eminent writers who have contributed to it during the past year will continue to enrich its pages, and in addition, contributions will appear from others of the highest reputation and from many rising authors. We shall, as before, specially cultivate the genial and humorous in every variety; but during the coming year, however, the Knickerbocker will receive many contributions in the highest departments of literature, embracing Critical, Historical, Biographical, Scientific, or Ethnographical articles, in all of which special pains will be taken to introduce that spirited and agreeable tone and style which have of late years distinguished really first-class writings of this nature from the dry and pedantic essays of the old school. We intend to devote especial zeal and labor to attract to our pages such reading, and confidently anticipate pre-eminence in this department.

In the January Number we shall publish "Sunshine in Letters," by Charles Godfrey Leland—the first of a series of papers on the cheerful and joyous in Literature and Art, which will be found interesting to the most general reader, while at an early date will appear the First Chapters of a most entertaining and instructive description of American Life, in the form of a First-class Novel. The Knickerbocker, in short, while retaining the best of the old, will continually add to the cream of the new.

A YER'S Sarsaparilla

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Boils, Blotches, Itch, Blisters, and all Skin Diseases.

St. Anthony's Fire, Rose or Erysipelas, Tetters, and all Scrofulous Infections. Ringworm, Sore Eyes, &c.

Dr. Robert M. Noble writes from Salem, N. Y., 12th Sept. 1859, that he has cured an inveterate case of Dropsy, which he threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a dangerous Maligned Erysipelas by large doses of the same; and he cures the common Eruptions by its constantly.

Bronchocoele, Goitre or Swelled Neck, Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Disease, Dr. J. E. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent medicine in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous class. I have cured many of the most obstinate cases of Leucorrhoea by it, and some where the complaint was caused by absorption of the uterus. The absorption itself was soon cured, and the uterus regained its normal size and position. I have cured many cases of Edward S. Marrow, of Newbury, Mass., writes: "A dangerous scrofulous tumor on one of the females in my family, which had defied all the skill of the most eminent physicians, but which had been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the best remedy before cutting, and it proved effectual. After taking your remedy eight weeks a symptom of the disease returned."

Syphilis and Mercurial Disease. NEW ORLEANS, 24th August, 1859. Dr. J. C. Ayer & Co. Sir: I cheerfully comply with the request of your agent, and consent to your use of the extract I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and I find its effects truly wonderful in the cure of Venereal and Scrofulous Diseases. One of my patients had Syphilis in his throat, which was consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe it would have soon resulted in his death. He had yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfigurement in the nose, but the woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and her legs, and was cured entirely by your Sarsaparilla in a few weeks. I know from my formula, which your agent gave me, that his preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Rheumatism, Gout, Liver Complaint, EDWARDSBURG, POTTER CO., Va., 4th July, 1859. Dr. J. C. Ayer & Co. Sir: I have been afflicted with a painful chronic Rheumatism for a long time, which has defied the skill of physicians, and struck me in spite of all the medicines I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than I have been for many years. I think it a wonderful medicine. J. FREEMAN. Jules Y. Gitchell, of St. Louis, writes: "I have been afflicted for years with an abscess of the Liver, which defied every remedy, and I was unable to find relief to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. I doctored for the best, but Mr. Pepp, advised me to try your Sarsaparilla, because he said he knew of no other thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel confident that it is the best that can be said of you is not half good enough!"

Schlerus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones. A great variety of cases have been reported to us where cures of those formidable complaints have resulted from the use of this remedy, but only a few can be named. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Neuralgia, Secularia. Many remarkable cures of these afflictions have been effected by the alternative power of this medicine. It stimulates the vital functions, invigorates the system, and thus procures a disease which would be supposed beyond all reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will be for them all that medicine can do.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease. This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is needless here to publish the evidence of its virtue. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized portions of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects. Some living, happily in the midst of its virtues, and others who have suffered from its effects, and longed for its use. All know the dreadful fatality of those disorders, and how they know, too, the effects of this remedy, we need not say more than to assure them that it has now all the virtues that it has ever had, and that it is now more than ever so strongly upon the confidence of mankind. Prepared by DR. J. C. AYER & CO., Lowell, Mass. Sold by C. S. & E. A. Jones, Coudersport; Mann & Nichols, Millport; N. J. Mills, Colerburg; Caldwell & Lyman, Roulet; A. Corey & Son, Ulysses; A. B. Horton, Cushingville; and by Dealers generally.
