MAKERS OF ICE CREAM WILL BE LICENSED

That is What Pure Food Commissioner Foust Told the Pennsylvania Association of Ice Cream Manufacturers at Atlantic City

James Foust, Pure Food Commissioner of the State, served friendly notice on the Pennsylvania Association of Ice Cream Manufacturers in Atlantic City yesterday, that they might as well prepare for the enactment of a law for the licensing of both manufacturers and dealers. His remarks were received in silence almost as frigid as the ice cream. President Crane said the manufacturers were in full accord with the Commissioner's views.

Contracts Approved The Public Service Commission yesterday approved the proposed crossing of the Elizabethtown and Dootie Street Railway Company over the tracks of the Cornwall and Lebanon railroad in Mt. Joy township. The contract between the Lebanon Gas and Fuel Company and the City of Lebanon was also approved.

Thousand See the Capitol Since the days of the Pennsylvania excursionists to view the Capitol there have never been so many visitors to the big building as there were today. During the morning they were present in crowds, and it is estimated that at least ten thousand passed through the corridors. As soon as the doors were opened this morning the corridors were thronged, many of the people having been waiting. The Governor's reception room and the Senate and House chambers were the principal points of interest, but there wasn't a nook or corner that was not visited by some of the strangers.

New Notary Raymond Staub, of Hanover, York county, was today commissioned a notary public by the Governor.

Sub-Candidates Carl A. Newberg, of Ridgway, has withdrawn as a candidate for Senator on the Washington party ticket in the Twenty-sixth district.

Effort Will Be Made to Free Ray Timberlake From Prison During the holidays in December, 1911, Ray Timberlake, a young Harrisburg, was caught trying to steal three bottles of whiskey from the cellar of the National hotel, at Fourth and State streets, Fred W. Ebel, the proprietor, doing the detective work. Timberlake was tried and found guilty and sentenced by Judge Kunkel to serve in the Eastern penitentiary from 15 months to 18 months.

At the next meeting of the Board of Pardons Timberlake will present an application for pardon through his attorney, Ralph J. Baker, of Philadelphia. The pardon is urged on the ground that the prisoner has always been of good character in twenty years' residence in Harrisburg and that the sentence was excessive.

The fact that he was sentenced after the parole law went into effect and could not take advantage of it is also urged as a reason for his pardon. The pardon is said to be recommended by Judge Kunkel, who sentenced him; by former District Attorney Weiss, who tried him, and by Fred W. Ebel, who prosecuted him, and there are strong letters from friends asking his release.

Dr. George B. Stewart a Visitor Here The Rev. Dr. George B. Stewart, of Auburn Theological Seminary, and a former pastor of Market Square Presbyterian church, visited friends in the city last evening.

PERSONAL Mrs. Mary Matenette, Walnut street, has returned from Hummelstown, where she was the guest of her daughter, Miss John Killinger. The latter accompanied her mother to the borough and will spend several days in town.

POSTPONED MEETING Steelton Lodge No. 411, Knights of Pythias, has postponed its meeting which was scheduled for this evening.

Boy Falls From Roof Richard Erbe, 8 years old, fell from a roof a distance of eight feet at his home, 530 South Second street, Steelton, this morning, and was admitted to the Harrisburg hospital with a fractured right arm.

RESPOND TO FALSE ALARM A false alarm was turned in at 10 o'clock last night from box No. 26, Third and Muench streets, calling out the western district companies.

CONFERENCE OF UNITED BRETHREN CHURCH OPENS

In Resolution Delegates Praise President Wilson and Offer Co-operation in Having Nations Settle Difficulties by Arbitration

Mechanicsburg, Oct. 8.—The 135th session of the Pennsylvania Conference of the United Brethren church was called to order in the First United Brethren church here yesterday by Bishop Weakley, of Parkersburg, W. Va., bishop of the East District. In his opening address he spoke of the three-fold challenge of the preacher to his congregation, of a clean consistent life, a pure gospel preached, and lofty purpose among his people.

"God has not called an untruthful, imprudent, dishonest preacher," he declared. In the prayer following the address the bishop most earnestly pleaded with God, the ruler of nations, for speedy peace among the European nations now at war, and that God would overrule their foreman for his praise.

In the business session following the Rev. M. O. Over, of Boiling Springs, and the Rev. W. H. Beattie, of Mt. Wolf, were elected recording and statistical secretaries. The announcement was made to the conference of the legacy having been received by the conference from the estate of the Rev. W. U. Shearer, deceased minister of the conference, and it was ordered placed in the permanent conference church extension fund. At the adjournment of the morning session the roll of departed ministers of the conference was called, and the Rev. Z. A. Colestock, D. of Mechanicsburg, the oldest member of the conference in years and membership, led in an eloquent and fervent prayer of consecration.

The afternoon session of the Pennsylvania Conference of the United Brethren church was opened with an address by Bishop Weakley. At the business session which followed the Rev. W. H. Wainwright, D. of Chambersburg, gave his annual report as superintendent of the conference, which position he has held for ten years, having previously been presiding elder over a district of the conference for nearly three years. In the evening of his report he commended most heartily the devotion and support of the administration by the ministers of the conference, and the co-operation of pastor and people necessary to bring success which the conference has enjoyed. He sounded the key-note of mobilization for a great progress for the future in the Pennsylvania Conference. He commended President Wilson in these words: "President Wilson's policy of watchful waiting at which the channels scoffed has advanced us a long way toward that time when the angels' song will be the music of humanity," and invests his name with undying honor.

Three ministers died during the year. The Rev. M. L. Maysilles, Sleepy Creek, W. Va.; the Rev. W. H. Wagner, Hayes Grove, and the Rev. J. S. Kiracoff, of Hagerstown; also two ministers' wives, Mrs. W. H. Shearer, Perry county, and Mrs. J. D. Sawyer, Biglerville, Pa., was granted lay license. Five young men were granted quarterly conference license during the year, Paul C. Shettel, West Fairview; John E. Lehman, Mt. Wolf; Roy R. Ziegler, Mechanicsburg; Joseph H. Shmitt, Hagerstown, Md.; and Harry P. Baker, Newburg. Four young men were recommended for membership in annual conference, John H. Powell, Dillsburg, Pa.; J. Stewart Ingersoll, Dallastown; Edgar D. Spatz, Dallastown; and J. Leonard Reddick, Walkersville, Md. The total increase of pastors' salary during the year, not including appropriations, was \$1,870.85 throughout the conference, every pastor serving his full charge receiving a minimum salary of \$700 and parsonage. During the year two new churches were built, Franklin Street church, Baltimore, Md., the Rev. E. W. Leech, pastor, a magnificent structure of Woodstock granite, and a parsonage and sexton's home connected, at a cost of \$26,566; also a church at Star View, Pa., the Rev. J. D. March, pastor, dedicated at a cost of \$2,500. The new pipe organ donated by Nathan Red and Andrew Carnegie was placed in Trinity church, New Cumberland, Pa., the Rev. B. D. Rajahn, pastor.

Superintendent Wainwright recommended that "Inasmuch as we have in the Presidential chair a man of high honor and discretion of people with all nations that characterize our great first President, that we preach him our sincere principles and hearty co-operation in his earnest efforts to have all nations settle their difficulties by arbitration." He also made the recommendation, "In view of our advanced position as a church in reform work and because of the dominating influences of liquor forces over candidates for office, that we will not regard to this product, nor vote for or support directly any candidate for office who is endorsed by the Liquor Dealers' Association."

MANY DEPARTMENTS CLOSED FOR FIREMEN'S PARADE

Only Three Mills at Local Plant of Pennsylvania Company Operated To-day—Prominent Stores Closed to Noon—Many Go to Harrisburg

In honor of the big firemen's demonstration in Harrisburg this afternoon the Pennsylvania Steel Company closed the following departments for the day: Bridge and construction, outside construction, frog and switch. The only mills which operated to-day were the merchant mill No. 2, blooming mill and slab mill.

The streets of the borough were alive with firemen assembling for the local street parade prior to going to Harrisburg to take part in the larger demonstration. This parade consisted of the Humane Fire Company, of Royersford, Pa., visiting the Paxtang Hook and Ladder Company, which also paraded down Front street to the Baldwin hose house, where they were joined with the latter company for a short walk around over the wooden blocks. The procession was headed by Fire Chief Shupp in full uniform.

SQUIRE GARDNER DISMISSED CASE AGAINST A. D. KLUGH

Mrs. Hand Admitted Under Oath That She Took Breakfast With Highspire Official on Morning After Alleged Crime Was Committed

The case against Aaron D. Klugh, Burgess and Justice of the Peace of Highspire, was dismissed last evening by Squire Gardner after the Highspire official had been given a hearing on a serious charge preferred by William Hand, the husband of Mrs. Emma Hand. The woman's charges on which the information was made were that she had been intoxicated or drugged by Klugh and taken to a Harrisburg hotel, where she was forced to remain with him all night.

These charges were disproved by several persons who had seen the couple together on the night of the alleged crime and the following morning. Mrs. Hand also testified under oath that she took breakfast with Klugh the next morning and that she made no attempt to get away.

In disposing of the case Squire Gardner said: "In case Mrs. Hand had been the only witness I would have been justified in holding the defendant, but others have testified that Mrs. Hand was seen taking breakfast with the defendant, apparently on the best of terms with him."

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle.

Your doctor will tell you ninety per cent. of all sickness comes from inactive bowels and liver. Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years. Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective.

They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities. You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O. Adv.
