The improvements to the big auditorium, which were made at the suggestion of Professor William Harwood, supervisor of music in the public schools, consist of an extension of 80 feet to the stage bringing it away from a big arch, which formerly checked the sound.

Four rows of seats have been removed from the front of the auditorium and have been added to the rear so that the seating capacity has not been decreased.

SPLENDID RECITAL GIVEN

Was Held in Camp Hill Church of God Last Night

The recital given last night in the Camp Hill Church of God by Miss Rachel McCarrell and Miss Alice Weaver, assisted by William N. Yates and Miss Pauline Davidson was very able given. Miss McCarrell has a striking personality and a good speaking voice and while she interpreted her selections very well, her talk on "Anti-Suffrage" was far the best.

Miss Myers, who is well known in musical circles, rendered her solos with much grace and ease, her best number being "Mon Dieu" and "Morning." The Misses McCarrell and Myers are traveling on the Lyceum circuit this coming season and are assured of success.

Miss Pauline Davidson rendered Liszt's "Quartet" with much expression and makes promise of a brilliant pianist.

Mr. Yates, who is well known in Harrisburg and vicinity, gave his selections with masterful technique and expression. His rendition of Chopin's "Marche Funebre" was exceptionally well played and the soft singing tones were wonderfully produced.

HARRISBURG GETS TWO NEW PASTORS

Church of God Eldership Closes Lancaster Sessions by Apportioning Ministers

GOLDSBORO NEXT MEETING PLACE

The Rev. J. A. Staub Goes to Nagle Church; the Rev. F. J. M. Thomas Appointed to Maclay Street, Succeeding the Rev. J. C. Fornbrook

(Special to the Star-Independent.) Lancaster, Oct. 14.—The Church of God Eldership closed its sessions yesterday following the adoption of the report of the ministerial stationing committee and deciding to hold the next Eldership at Goldsboro, York county, beginning the first Thursday in October, 1915. A few changes were made in stationing the ministers, the majority of which were caused either by resignations or by those previously been given leaves of absence returning to the ministerial field.

Two new ministers will go to Harrisburg under the new apportionment. The Rev. F. J. M. Thomas is made pastor of Maclay street church, succeeding the Rev. J. C. Fornbrook, who has been appointed to take charge of the church at Penbrook and the Rev. J. A. Staub succeeds the Rev. Mr. Danner, resigned, to the pastorate of the Nagle street church.

Divide Appointments Into Classes The Eldership adopted the report of the committee on finances, under which it is proposed to raise funds by means of dividing the Eldership appointments into classes and urging the churches to procure money by the per capita system. The absence of condition to warrant a special committee in recommending a change in the system of appointments led to the filing of a report by the committee suggesting the continuance of the present day practice. A minority report, if adopted, would have introduced the following system: In cases where churches support their pastor, the congregation would have power to call a minister; where the pastor is supported in equal proportions by the church and the Board of Missions, a call would necessarily have to be ratified by that board; and if the Board of Missions would contribute more than half the financial support of the pastor, that body would have full charge of the appointment. The report was defeated, however.

The Temperance Question The committee on publication was given power to have published the journal of the Eldership after which the Eldership adopted the report of the committee on temperance, which recommended that the ministers preach a sermon dealing with "the solution of the liquor question," and also urge their parishioners to vote for political candidates who favor local option and prohibition legislation.

The following were elected members of a Board of Finance, the Revs. H. F. Hoover, G. R. Hovertter, A. P. Stover, E. G. W. Fox, H. N. Bowman and C. A. Bowers.

A communication was received from the Rev. G. H. Knox, resigning membership in the Eldership and asking for a letter of recommendation. The letter was referred to the standing committee with power to act.

Demanding of Resignation Irregular The judiciary committee reported that the action of the New Providence church, in demanding the resignation of their pastor, the Rev. J. W. Gable, was irregular, that which reported and that the matter be dropped.

The report of the committee on resolutions commended and thanked the church at Lancaster for the excellent manner in which the Eldership was entertained. Urged a liberal support of the "Church Advocate," "The Sunday School Gem" and other Sunday school literature.

A resolution was adopted disapproving of the action of the President of the United States and his Cabinet in attending mass in the catholic cathedral on the National Thanksgiving Day. The clerk of the Eldership was instructed to send a copy of the resolution to the President.

"The Strongest Corsets Made"

Rengo Belt Reducing Corsets

have won remarkable favor among stout and medium women because of their great strength—they are the strongest corsets made.

No matter how clever the design in producing perfect style and correct lines for an over-stout figure, the whole value of such a corset is immediately lost if it lacks the strength to hold its original shape.

Rengo Belt corsets are all that can be desired in style (determine that for yourself by examination), and they possess more of lasting shapeliness than can be purchased in any other corset.

The new models are now ready. You will find them boned throughout with double watch-spring steels, guaranteed not to rust.

LEBANON REPUBLICAN RALLIES

William C. Freeman Declares Himself for Brumbaugh and Penrose (Special to the Star-Independent.) Lebanon, Oct. 14.—The Republicans of Lebanon county successfully opened a strenuous campaign last night by holding two rousing mass meetings in Cornwall and Bellegrave. A feature was the first appearance in this campaign of former State Assemblyman William C. Freeman, of Cornwall, who before the May primaries was an anti-Penrose man. Now he is strongly advocating the election of Brumbaugh and Penrose and the entire Republican ticket.

He hit at the Democratic National Administration and the free trade policies very hard, attributing the present industrial depression in Lebanon county and the Lebanon Valley to the Democratic free trade.

At Cornwall the other speakers were also County Chairman W. J. Noll, former District Attorney Warren G. Light and Asa A. Weimer, candidate for the State Assembly.

At the other meeting at Bellegrave, North Annville township, the speakers were former Mayor George B. Marquart, of the Department of Internal Affairs, Harrisburg; Deputy Prothonotary Alfred K. Mills, L. Saylor Zimmerman, Dr. I. K. Ulrich, candidate for the Assembly, and John L. Shirk. The Lebanon Valley College male quartet, of Annville, furnished a fine musical program.
