

Red Riding Hood School Shoes

For Boys and Girls

Sizes 5 to 8
\$2.00

There are two points of exceptional merit about Red Riding Hood Shoes—the quality and the natural form fit. They are shoes that will stand the brunt of school day wear—durably made and have genuine oak flexible welt soles.

Shoes that are built to give the feet every chance for normal development—just as illustrated in cut.

Sizes 8½ to 12
\$2.50

Every pair is guaranteed—a new pair for any that fails.

Every child should learn what Edison has done

October 21st has been named Edison Day in honor of America's great inventor.

On that day every boy and girl should be told something of the wonderful achievements of the man who, starting life as a newsboy, later gave to the world the incandescent electric lamp. The highest development of his great invention is found today in

EDISON MAZDA LAMPS

To get the full saving of EDISON MAZDA Lamps they should be used in every room of every home. They give from 3 to 6 times as much light as the old-style carbon lamps without using any more electricity—giving you more light, better light and cheaper light.

If your home isn't wired, let us show you how you can have it done now at very little expense.
