NEWS OF THE SPORTING WORLD

2 FOOTBALL TEAMS PASS DOUBLE CENTURY MARK

Washington and Jefferson With 229 and Dartmouth With 210, Lead for High Score Honors—Michigan Fall to Third Place

Twelve of the big Eastern football teams have passed the century mark in total scores and two of these have advanced beyond the two century count. Bob Fowell's Washington and Jefferson eleven tops them all with a total of 229, and but seventeen points have been scored against them. Dartmouth is second with 210, while their opponents collected twenty-five. Michigan, who was the leader last week, was unable to tally against Harvard and as a result fell to third place with 186, both Dartmouth and Washington and Jefferson making large scores in their games.

Cornell made a big jump and by tallying forty-eight against Holy Cross was enabled to lay claim to fourth position with 179. Pittsburg, who was out of the running last week, annexed fifth place with 170 by scoring ninety-six points against Dickinson. Yale lays claim to sixth honors with 145, the big score against Colgate assisting the Elis, Syracuse and the Army tie for seventh with 128 each. Harvard grasps ninth place with 131; Lehigh, tenth, with 120; Bucknell, eleventh, with 115; and Penn State twelfth, with 108. Penn leads Princeton by one point, with seventy-four.

Dickinson has been the easiest team to score upon this year. In five outings Dickinson's opponents have totaled 252 while Harrington's men were counting 48. Washington and Lee, of Virginia, is the real leader of all teams in the number of high scores with 289, but the weakness of her opponents keeps the Southerners out of the race. The Carlisle Indians, usually away out in front in total scores, is credited with only 45, while the Redskins' opponents have amassed 53. Georgetown and Holy Cross scored their first points of the season Saturday, Georgetown tallying 27 times, and the Wooster boys making three against Cornell.

CENTRAL CRIPPLES TIED

Five of the Regulars Out of New Bloomfield Game, Which Ends in Scoreless Tie

The absence of five regulars from the lineup made the Central High school line so weak at New Bloomfield Saturday afternoon that the team was unable to score, holding New Bloomfield to a like performance, the game ending with the score 0 to 0.

Houtz, shifted from end to halfback, acted as captain and directed the team. Captain Byers, Manager Birmingham, Roth, Rote and Smetzer were missing from the Central team. Despite the fact that the line allowed tacklers through to stop plans, Central outgained the opposition and once in the third period had the ball on the 1-yard line, but were unable to push it over. The lineup and summary:

Central: New Bloomfield, Winn, L. E. Beaver, Baker, L. T. Nickle, Smucker, L. G. Berniesel, Nissley, L. G. Noll, Seilhamer, R. G. Johnson, Black, R. T. Steele, Lynch, R. E. L. Reeder, Zeigler, Q. B. Time of quarters, 10 minutes.

ACADEMY LOSES TO F. AND M.

Outweighed by Lancaster Team Harrisburg Boys Go Down in Defeat, 46 to 0

Outweighed the Harrisburg Academy team lost to Franklin and Marshall Academy at Lancaster, Saturday afternoon by the score of 46 to 0.

The Lancaster crew started with a rush in the first period after exchanges of kicks put them in a position to score and the first half ended with the score 13 to 0 against the Academy. The third period was Harrisburg's best, working the forward pass with small gains and holding the F. and M. team for downs on two occasions. In this period a forward pass was almost fatal, when Irwin intercepted a Harrisburg toss and ran forty yards before being downed.

Dughi hit the line for big gains in the last period and rolled up the decisive score. Mellinger helped Lancaster a lot, while Holler and Saltsman played the best for the Harrisburg team. The line-up and summary:

Academy: F. and M., Res, L. E. Spangler, Harlaacher, L. T. Hartman, Hoke, L. G. Graves, Wallace, C. Yoder, W. Bennett, R. G. Everline, White, R. T. Wolf, R. Bennett, R. E. McMullen, Holmes, Q. B. 70,000 TO SEE GAME

Demand for Yale-Harvard Tickets So Great Seats Will Be Added

New Haven, Conn., Nov. 2.—Yale football authorities have been staggered by finding that more than 70,000 persons have already applied for tickets to the Yale-Harvard game, while the mammoth new stadium, which will be opened by that game, has seats for only 61,000.

Applications for tickets closed Saturday night, according to the time limit set by the Yale authorities, several weeks ago. Till three days ago it was thought that the public would have a chance at a few thousand of the tickets and that an open sale would be held to dispose of about 5,000 after applications were closed. Not only has this been found impossible, but the Yale ticket department finds itself nearly 10,000 seats short of the applications demand.

Quick action was necessary, and the situation was relieved when it was announced last night that temporary seats would be constructed around the parapet of the bowl, which would allow about 70,000 seats. Even with this addition about a thousand applications for tickets must be returned. Everard Thompson, manager of the athletic ticket department, said last night that every Yale graduate and undergraduate will be taken care of.

OUT OFFICERS' TICKETS

Navy A. Members Will Probably Be Cut to Two Pastebords

Annapolis, Md., Nov. 2.—It has been definitely settled that some of the officers who compose the Navy Athletic Association will be allowed but two tickets for the Army-Navy football in Philadelphia on November 28. The majority of them, however, will receive three tickets each and the smaller number will be given to those who have been members of the association for a shorter period. The decrease in the number is due to the fact that there will be less seats for distribution by over three thousand than last year, while the graduation of a new class of midshipmen has increased the membership of the association.

Football and all other athletics are supported by the fees of this association, to which most of the naval officers belong and they will be practically the only ones who will receive tickets this year. Civilians will only receive tickets when furnished them by members. There will be no opportunity of buying additional tickets from the navy allotment, as there was last year.

Everyone here is loud in the praise of the game played by the North Carolina Agricultural and Mechanical College on Saturday. The midshipmen barely won, though they played by far the best game they have heretofore exhibited. At least seventy-five per cent. of the visitors' forward passes were successful and they played strongly in every department of the game.

CHILDREN ENJOY PICTURES

Bible Instructions Are of Unusual Interest to All Readers, Both Old and Young

Nothing will interest a child so quickly as a picture. Art speaks a universal language intelligible to young and old alike, and with no embarrassment pictures intelligently conceived and artistically executed appeal to the intellect through the "windows of the soul." Those portals let in a flood of light alike to the blind no less than the learned—to the child mind no less than to the student of ripe years. For this reason the New Illustrated Bible, which the Star-Independent is offering to its readers, will be appreciated by every family in Harrisburg.

One need not be a member of a religious organization to appreciate this magnificent illustrated work. Everybody who reads needs it; everybody who speaks needs it; everybody who converses needs it; everybody who reads it as an everyday reference work—a historical treatise—a key to familiar quotations. It is an education volume for progressive people of the present day and age.

This new \$5 illustrated Bible is beautifully illustrated, and every picture bears directly upon the accompanying subject, describing that particular subject as words fail to do. Such splendid illustrations appear in no other work. They were specially prepared for this Bible, and the drawings alone cost \$50,000—a veritable art gallery of rare educational value to everybody.

For a short time the Star-Independent will present this Bible on the popular educational plan for one certificate, together with the stated amount that covers the necessary expense items of this wonderful distribution, including clerk hire, cost of packing, checking, expense from factory, etc.

Find the educational certificate printed on another page and clip it to-day.

TABERNACLE OPEN TO-NIGHT

Sections Set Apart for Persons Expecting Sudden Calls During Services

There will be a meeting at the Stough tabernacle this evening at 7.15 o'clock, and every afternoon and evening for the rest of the week, Saturday included. Monday is rest day for the Stough party, but this evening's meeting will be held to give the campaign a good start.

Sections have been set aside in the rear of the tabernacle for railroaders, doctors, undertakers and other persons who may be expecting sudden calls during services. There is a telephone in the rear of the building, and users will promptly carry messages to persons seated in the designated sections.

Persons who are hard of hearing will find sections reserved for them near the platform. Parents who bring children will be seated in the rear where they can leave easily in case the little ones become restless. Babies in arms are not allowed to enter the building. The nursery and rest room for the care of babies, at Fifth and North streets, will be open to-morrow night at the latest. Infants will be well cared for there while parents go into the tabernacle. All women must remove their hats in the building.

The members of the Stough party held a conference this morning at their residence, 216 Pine street. Plans for the campaign were outlined. The heads of departments will meet local committees at once, and organize the various branches of activity.

IN NEED OF STENOGRAPHERS

The United States Civil Service Commission announces that it has been unable to supply the demand for male stenographers and typewriters in the government service, especially at Washington, D. C.

Young men who are willing to accept appointment at an entrance salary of \$840 to \$900 per annum have excellent opportunities for advancement. Advancement of capable appointees is reasonably rapid. Occasionally appointment is made at a salary of as much as \$1,200 per annum. For such salary only those who attain a rating of at least 85 per cent. in the subject of stenography and who have had at least two years experience in practical office work will be certified. The Government service offers a desirable field to bright and ambitious men.

Examinations are held monthly, except in December, in 400 of the principal cities of the United States, and applications may be filed with the United States Civil Service Commission at any time.

Further information and application papers may be secured from the secretary of the local board of examiners at the postoffice.
