BROTHERHOOD ST. PETER'S HELD ANNUAL BANQUET

The Rev. Fuller Bergstreser, Middletown, and the Rev. Dr. Polham, Philadelphia, Were Guests and the Principal Speakers

The first annual banquet of the Brotherhood of St. Peter's Lutheran church, Highspire, held in the Sunday school room last evening, was attended by nearly 100 men and proved to be one of the most pleasant social events in that town of the early fall season.

Five long tables, decorated with red, white and pink cosmos, white carnations and potted plants and numerous candles which had been placed in ornamental holders were filled with men who assembled in the church about 8 o'clock.

The menu consisted of pickles, celery, fruit salad, ham sandwiches, potato chips, salted peanuts, mints, cake, coffee and ice cream.

At the conclusion of the banquet, George Fechner acted as toastmaster and introduced Thomas Larkin, who gave a short talk on the church council, of which he is the president.

The next speaker was Clyde Heckert, president of the Brotherhood. William Martin, president of the Men's Bible class, who followed, gave a pressing invitation to all men present to attend the Sunday sessions of his class.

The Rev. Fuller Bergstreser was introduced as "Our Middletown Friend." For twenty minutes this speaker held the close attention of his audience, alternating quickly from the humorous to the grave, as he wanted to impress a point which he was trying to make.

The Rev. Dr. A. Polham, pastor of Temple Lutheran church, Philadelphia, who followed the Rev. Mr. Bergstreser, used for his subject "Brotherhood." He explained the difference between the brotherhood of God and the brotherhood of man. In this explanation he made use of many humorous anecdotes which kept his hearers roaring most of the time. He also complimented the brotherhood on having such an able pastor as the present incumbent, the Rev. Frank Edward Meyer, who made the closing address of the evening.

The brotherhood was organized several months ago and now has a membership of seventy. A feature of the banquet was the splendid piano music furnished by Miss Ruth Shaffner, who played continuously until the speaking started.

The following ladies assisted Mrs. F. E. Meyer in looking after the tables: Mrs. Joseph Wilson, Mrs. Charles Gallagher, Mrs. George Fechner, Mrs. Paul Mountz, Miss Ruth Shaffner and Mrs. Clyde Heckert.

The congregation and friends of the Main Street Church of God tendered its new pastor, the Rev. G. W. Getz, and wife a reception last evening which was attended by about 90 persons.

The Rev. Mr. Getz came to the borough several days ago from Wormleysburg and with the family came a personal friend named Mrs. Smith, but known to all her friends as Aunt Bob.

A short program of music and recitations was rendered. The address of welcome was delivered by B. F. McNear, Jr., which was responded to by the Rev. Mr. Getz.

During the latter's remarks he stated that just 43 years ago he was employed as a frog and switch planer in the old frog shop of the Pennsylvania Steel works, and that he now felt as

The question every merchant should ask himself is not how much can I get for my merchandise but how much more can I GIVE for every dollar I receive.

That's not particularly "new stuff," but just the same the principle of it first found full expression in this Live Store.

We take some pardonable pride in our pioneering along this path of greater value giving. We feel that in starting our price making on this high level of value giving, and our continuing advancement along these lines, justly entitles us to first consideration from those who demand that every dollar they spend should bring home a full equivalent in every transaction.

Furthermore, you will find here, back of this idea a buying and selling organization second to none within the confines of our state—You will find us taking every price advantage our enormous buying power brings—You will find carefully compiled data by which we determine to the last penny, just what it will cost us to handle every article of merchandise within our doors—All this and more you will find working uncessingly to bring, through lower cost to us, higher quality at lower prices to you.

CIVIL WAR VETERAN DIED

Bullet in Leg, Carried Since the War, Cause of Death

Samuel Sides, of Highspire, aged 72 years, died this morning at 9 o'clock in the Harrisburg hospital of heart trouble. He was a veteran of the Civil war, in which he was wounded and carried the bullet which wounded him in his left limb to the present time. This missile commenced to cause an irritation some months ago and to prevent either gangrene or blood poison, he was taken to the Harrisburg institution, October 12, for treatment. Complications developed and death ensued this morning.

On the Island of Sarnie

Countess Dorothea was plunged into the depths of despair on learning, through her tutor, that her uncle, the Duke, was so set upon her acceptance of Count Sigismund's suit, that she was to be taken to the Isle of Sarnie and kept there under the watchful eye of the Baroness until she saw things in the proper light. Rebellion being out of the question, Dorothea was forced to submit, but she managed to have her tutor accompany them, hoping thereby to be able to frustrate her uncle's plans. The lively ending of this splendid story is magnificently told in motion pictures at the Standard Theatre to-night.

TELL WHY HE SEEKS TO HAVE DIVORCE ANNULLED

Brajkovic Alleges His Separation From His Wife for Eighteen Years Was Not Willful, but Due to His Efforts to Cure Ill Son

Scott S. Leiby, an attorney, is sitting as commissioner to take evidence in the proceedings by which John Brajkovic, of Steelton, hopes to have annulled the divorce decree granted last May to his wife, Gilika, on the grounds of desertion. A hearing in the case was held to-day.

The couple until last spring had not lived together for more than eighteen years. During that time the husband, with a son, had lived in Austria, his fatherland. He alleges he did not leave his wife with the intention of deserting her; that the separation was not malicious and wilful on his part, but, on the other hand, was prompted by his wife, who induced him to return to their native land and take with him their son, who, eighteen years ago, was suffering from a disease of the eyes which specialists here then believed could not be cured. It was hoped to find a cure in Austria, the father says.

Brajkovic further alleges he was prevented from returning to America at a time earlier than last May by reason of the immigration officers refusing to permit the son to land in New York. The former husband, in addition, asserts he had no notice of the wife's intention to make application for a divorce, despite the fact that Mrs. Brajkovic knew his place of abode at the time she began the court action for legal separation.

Some time after the divorce was granted, Brajkovic alleges, he was ejected from his wife's Steelton home. Later the husband brought a damage suit against Spiridon Fursich, an interpreter, who, he alleges, alienated the affections of the wife.

The wife's attorneys, Wickersham & Metzger and O. G. Wickersham, say they will show that the husband's claims are groundless. Commissioner Leiby at the end of the present hearing will submit the facts to Judge McCarrell for decision. By agreement of counsel the hearing to-day was continued until Thursday next.

LOGICAL DYSPEPSIA TREATMENT

Importance of Eliminating Acidity and Food Fermentation

During the past two or three years reports have frequently appeared in the Press concerning the remarkable value of bisurated magnesia as an antacid; and its ability to promote normal healthy digestion by preventing food fermentation and neutralizing dangerous stomach acid has often been demonstrated. Until recently druggists could supply bisurated magnesia in powder form only, from one to two teaspoonfuls of which, taken in a little water after meals, almost instantly stops all fermentation and neutralizes acid, but sufferers from stomach trouble will be glad to learn that, after a long series of experiments, a leading firm of manufacturing druggists has now succeeded in producing a 5-grain tablet which combines all the valuable antacid properties of the ordinary bisurated magnesia in a very convenient form. This new tablet of bisurated magnesia can now be obtained of druggists everywhere and many physicians are already prescribing them instead of the powder form.

At the end of the present hearing will submit the facts to Judge McCarrell for decision. By agreement of counsel the hearing to-day was continued until Thursday next.

Justice Stewart's resignation, Governor Tener said he had no information at all regarding the matter, and consequently did not care to say anything about it. It is generally believed, and this comes from an undisputed source, that in the event of Justice Stewart's retirement, the loser in the Supreme Judgeship race of last Tuesday will be appointed to succeed him, provided Governor Tener has the appointing of such successor.

Justice Stewart's term will not expire until the first Monday in January, 1927, he having thirteen years yet to serve after this year. In the event of his retirement and the appointment of a successor, the latter's commission would be for a year, and there would be an election for the place in November, 1915.

The retiring Justice was elected in 1906 and is now in his 15th year. He served through the war as an officer in a Pennsylvania regiment, and in 1882 he ran as an independent candidate for Governor, dividing the Republican party

to such an extent that Robert E. Pattison was elected. He was at the time a member of the Senate in which he served until 1884. He was President Judge in Franklin county from 1888 to 1906, when he was called to the Supreme Court bench.

LIKELY TO RE-ELECT O'NEILL

National Guard Officers Will Probably Chose Him Again as Colonel of 4th

On November 17, under military regulations, an election for colonel of the Fourth regiment, National Guard, will be held in Allentown by the officers of the regiment, and all indications point to the re-election of Colonel Christopher T. O'Neill, who for fifteen years has commanded the regiment.

Colonel O'Neill was superintendent of the State arsenal in Harrisburg during the second administration of Governor Pattison, and for years has been regarded as one of the most efficient officers in the National Guard. The story, however, emanating from Allentown, that as senior colonel in the Guard, Colonel O'Neill will be made brigadier general by appointment of Governor Tener before Christmas, is said at National Guard headquarters, to be entirely without foundation, as the commission of none of the brigadier generals expires before next year, and there is no intimation that any of them are going to resign. According to Adjutant General Stewart there is nothing in the story whatever.

However, in the event of Colonel O'Neill becoming a brigadier general, Colonel Joseph B. Hutchison, of Harrisburg, chief of police, commander of the Eighth regiment National Guard, would become senior colonel, being longest in commission next to Colonel O'Neill, and in time he, too, would probably become a brigadier general.

FRAZER NOW IN LEAD FOR JUDGESHIP

Continued From First Page.

The returns in sixty-two districts of the county had been counted up to noon to-day, that being about half of the number of county polling places. Comparisons made with unofficial figures printed in the newspapers showed that Judge Kunkel gained seven votes and Judge Frazer, his opponent, gained three.

The official figures give Judge Kunkel ten fewer votes than set down in the unofficial reports of the First precinct of the Third ward, this city. In the First precinct, Tenth ward, he gained 18 over the unofficial's figures and he lost one in Conewago township. Judge Frazer lost one in the Eighth precinct, Ninth ward, gained three in the First of the Tenth and another in Conewago township.

Would Be an Election in 1915

Those who profess to know say that Justice Stewart will relinquish his place on the bench before the Supreme Court begins its sessions in Philadelphia next month.

Asked this morning concerning the story of Justice Stewart's resignation, Governor Tener said he had no information at all regarding the matter, and consequently did not care to say anything about it. It is generally believed, and this comes from an undisputed source, that in the event of Justice Stewart's retirement, the loser in the Supreme Judgeship race of last Tuesday will be appointed to succeed him, provided Governor Tener has the appointing of such successor.
