SQUIRE GARDNER COMMITS FIVE PERSONS TO JAIL

Three Are Charged With Assault and Battery and Two Women Are Charged With Concealing Death of an Illegitimate Child

Rado Benkovic was arrested yesterday by Detective Darnbaugh charged with assault and battery on Mills Chalic, whose husband was the prosecutor. In default of bail Benkovic was committed to jail for court.

Mile Rusnov, charged with assaulting Maggie Fabic, in which it is alleged he kicked the woman down a flight of steps, was also committed by Squire Gardner for court when he was unable to furnish bail.

Blanche Williams, aged 18 years, daughter of George Williams, 131 Ridge street, was arrested by High Constable Bomgardner this morning on the charge of concealing the death of an illegitimate child. Evelyn Banks, aged 25, a sister of the Williams girl, was also arrested in connection with the affair. In default of \$1,000 bail both women were committed for a hearing before Squire Gardner. According to information furnished the police, the child was born about November 15 and after its death was placed in a trunk, which has not yet been located.

Vic Cuckovic was given a hearing before Squire Gardner this morning charged with assault and battery by Miles Labic. The arrest was made by Constable Gibb. In default of bail Cuckovic was committed to jail for court.

CHESTER WOLLET HURT WHEN ASH WAGON UPSETS

Accident Occurred When Bear Wheel Slipped Into Gutter on Conestoga Street—One Horse Calked Its Left Front Foot

Chester Wollet, a driver for the Paxtang Hook and Ladder Company, was very painfully hurt about 9:15 o'clock this morning when he was thrown from an ash wagon against the stone wall at the residence of Joseph Gerdes, Front and Conestoga streets.

The two large black fire horses of the "Hookies" were hitched to the dump ash wagon used in hauling ashes from the homes in this end of town. Wollet had the rig loaded and started down the steep Conestoga street hill from Second to Front street, just as the wagon had passed the entrance to Gerdes' home, the left rear wheel slipped into the gutter with such force that the wagon upset, throwing the driver with some force against the stone wall. The contact was so severe that Wollet sustained a gashed left cheek, a bruised and lacerated left hip and slight internal injuries were also reported.

The horses were thrown when the wagon upset, and in regaining their feet on the slippery ice, one of the blacks calked its left front foot, inflicting a painful wound.

Wollet was picked up and carried to his home across the street where medical aid was summoned. The wagon was uninjured.

CHRISTMAS FOR KIDDIES

Civic Club Appeals for Donations of Cash for Christmas

The committee in charge of the Civic Club Christmas entertainment, which will be held in Trinity parish house, Pine street, Thursday afternoon, at 2:30 o'clock, reported this morning that only a small amount of cash had been received toward defraying the expense of this entertainment and that small or large donations of cash, in connection with toys or candies, would be very acceptable.

Mrs. Charles A. Alden, chairman of the committee of arrangements, also announced that with persistent searching less than 175 poor children have been located, although the committee has toys, oranges, candy and Christmas cards for at least 200 children. These cards are not intended for the poor of any one church, but will be dispensed to all poor children of the borough, whether white or black, foreigners or American born, the only condition imposed is that each little one must secure a free ticket from the Civic Club nurse, Miss Marie Wiseman, at her headquarters in the Trust Company building, which will admit the bearer to the Parish house, Pine street, Thursday afternoon at and after 2:30 o'clock in the afternoon.

A POUND PRAYERMEETING

Reformed Church Will Give Christmas Cheer to Distressed Members

A pound prayer meeting, as a novel feature, will be given a try out at the First Reformed church Wednesday evening, when every member, whether man, woman or child, is expected to bring one or more pounds of nonperishable goods in the edible line to the church, where it will be used very soon to alleviate the distress of three families who are afflicted with the congregation and Sunday school, and who by reason of sickness, are on the verge of starvation.

Anything in the way of a donation will be acceptable for this meeting, whether it be cash, merchandise or orders. A committee of prominent members of the church will see that the donations are distributed in a proper manner.

CHRISTMAS AT ST. JAMES'

Midnight Mass Will Be First in History of Church

Christmas will be ushered in at St. James' Catholic church with a midnight mass, which will be the first time in the history of that congregation to observe the event in this manner. The Rev. J.

C. Thompson, rector, will officiate and an augmented choir, under the leadership of John Purcell, will render exceptionally fine sacred music. Harley Noll will be assistant choir leader and Miss Mary Lynch will preside at the pipe organ. Other services at this church will consist of a second mass at 7 a. m., followed with high mass at 8:30 a. m.

SHUT DOWN FOR CHRISTMAS

Almost Entire Plant Will Be Closed Until January 1

Every department of the big steel plant, with the possible exception of the blast furnace and shifter departments, will be closed down during Wednesday and Thursday and will remain closed until January 1, according to a recent announcement of the executive department.

Bricklayers have been engaged to make the needed repairs to all parts of the gas heating systems in use by the company during the temporary shutdown. If orders improve, the bridge and construction department may resume work before January 1.

CHRISTMAS FOWLS STOLEN

Seven Ducks and 2 Geese Disappeared Last Night

Tascho Dandoff, a prominent Macedonian, residing at 438 Main street, is wrathful over the sudden disappearance of two geese and seven ducks which he had just purchased with the intention of using their meat for a great Christmas dinner.

The fowls were securely, as he thought, locked up in a pen in the rear yard. This morning he discovered the flock had been forced off and the fowls gone.

STEELTON NOTES

According to the latest information on the Steugh extension campaign the following churches have voted against it: Centenary United Brethren, Grace United Evangelical, St. Peter's Lutheran and the Highspire United Brethren. The First Presbyterian church is the only one so far reported to favor the project.

A carload of live hogs was received in the borough this morning over the Pennsylvania railroad consigned to John Slovianec and Celicka Tomasik.

The Transportation Relief Association yesterday paid in annual dividend of \$7.35 to each of more than 400 members. The association will hold its annual election of officers next Monday.

The only service on Christmas day at St. Mark's Lutheran church will start at 6:30 o'clock in the morning. This service will consist mostly of singing.

Her Bitter Lesson

Evelyn's utter selfishness causes her to disregard her husband's pleas that she economize. His money tied up in a big deal, Dane borrows \$1,000 to cope with possible emergencies. This money he places in his safe at home. Evelyn uses the money to meet debts incurred as the result of extravagance. How Evelyn is taught her lesson is magnificently told in motion pictures at the Standard Theatre to-night.

Miss Marie Wiseman, the visiting nurse employed by the Steelton Civic Club, will be in her office from 8 a. m. to 9 a. m., from 12:30 p. m. to 1:30 p. m.

SPANISH ORDERED TAUGHT YEARS AGO

Continued From First Page.

In high schools, base their beliefs as to the benefit from such courses, principally upon the increasing opportunities in the commercial fields of the Spanish-American republics for this country's young men. The trade of South America, opening to this country because of the cutting off of European commerce, is said to require more Spanish-speaking business men now than ever before.

The letter written to the Star-Independent by Mr. Orth, pointing out the fact that the school authorities were empowered more than ten years ago to employ an instructor in Spanish for the benefit, especially, of commercial students, is in full as follows:

Henry C. Orth's Letter

"I noticed your editorial of the 18th inst, headed 'Spanish in the High School', and do you know that on the 29th of May, 1903, I (then a member of the School Board) introduced a resolution, which was passed, the purpose being the employment of an instructor to teach the Spanish language in the High School? The matter ended with the 'resolution.' My argument was as follows:

"Graduates from the commercial section of the High school are eagerly sought for employment by business men on account of their proficiency in bookkeeping, stenography and typewriting.

"The Government by the fortunes of war, has within the past five years, acquired territory inhabited by people speaking the Spanish language.

"The official and commercial language for generations to come, naturally will be of that tongue, and I advance the suggestion that the study of the Spanish language be added to the curriculum of this department, thereby increasing its importance."

"What an advantage it would have given to our public school students, if our school authorities had then acted!

"If our manufacturers and exporters desire to trade with South America, the islands of the Pacific Ocean and Mexico, we must copy the successful tactics of the leading commercial nations of Europe, where a commercial representative must have a practical knowledge of languages, not a swat-tering one. Better late, than never.

"Respectfully,

"Henry C. Orth."
