NEWS OF STEELTON

FRACTURES COLLAR BONE IN FALL DOWN STAIRS

Paper Carrier Employed by Steelton News Agency Plunged Head First Down Flight of Steps At His Home, South Third Street, Yesterday.

John Grimes, aged 14 years, employed as a paper carrier by the Steelton News Agency, received a fracture of the left shoulder blade yesterday morning about 8 o'clock and is now confined to his home.

After covering his route yesterday morning, John returned to the home of his parents, Mr. and Mrs. Emanuel J. Grimes, 43 South Third street. Prior to leaving for school, John ascended the stairs to the second floor. When ready to come down he made a misstep and plunged head first down the steps, landing on his shoulder with such force as to cause the fracture.

This is the third accident sustained by this youth in which he received fractured bones. On one occasion he received a fractured arm and on another he had a fractured leg. A surgeon reduced the present fracture and John is convalescing slowly.

GIFT FOR RETIRING PRESIDENT

David J. Bechtold Is Presented With Handsome Traveling Bag

An interesting meeting of the Steelton Club was held last evening in the Club hall, Front and Locust streets. A feature of the affair was the presentation to David J. Bechtold, the retiring president of the organization, with a handsome traveling bag containing a toilet set and traveling requisites as a gift from the club members.

The presentation address was made by Frank Stees, who succeeded Bechtold as president. The latter had filled the office ever since its organization in 1907. At a card contest which followed the business session, prizes were won by Thomas Gaffney, Charles Newbaker and Roy Snyder.

ST. JAMES' ALTAR GUILD HOSTS

Many Guests Attend Card Party From Harrisburg and Middletown

A large number of guests were entertained yesterday afternoon by the St. James' Altar Guild with a card party in the Benton Club hall. Many guests were present from Harrisburg and Middletown, and prizes were won at five hundred and each by Mrs. Gerdez, Mrs. M. M. Cusack, Mrs. Walker, Mrs. Bernard Schmidt, Mrs. John K. Ruddy, Mrs. C. Ruddy, Mrs. Charles Back, Mrs. M. M. Cusack, Mrs. Vetter, Mrs. Glase, and Mrs. Daniel Mannix.

STEELTON NOTES

The Ladies' Auxiliary of Division No. 1, A. O. H., will hold a euchre, five hundred and dance in Benton Club hall, North Front street, this evening, which promises to be largely attended.

Action on several important propositions will be taken at tomorrow night's meeting of Steelton Camp, Modern Woodmen of America. The camp is arranging to receive a number of candidates in the near future.

PERSONAL

William Mars, Pine Grove, is visiting his brother, Harry Mars, 38 South Front street.

James Mars has returned to his home, Pine Grove, after visiting his father, Harry Mars, South Front street. Mr. and Mrs. George Meyer have left for their home, Lebanon, after spending several days with the latter's father, Harry Mars, South Front street. Mrs. Ida Deveney moved yesterday from 222 Bailey street, to 140 Ridge street.

Two Stray Souls

His prison record hung over him. Even the happiness of wedded life never quite banished the specter. And while he dreaded the chance that might reveal his past to his wife, she, in her turn, feared lest somehow he might learn of her confinement in the reformatory. How this drama worked out is magnificently told in motion pictures at the Standard Theatre tonight.—Adv.

Drive Catarrh Germs From Nose and Throat

Only Way to Really Cure Catarrh Say Noted Specialists

The germs of catarrh breed, thrive and multiply by the million far up in the air passages of the nose, throat and lungs of every catarrh victim. Catarrh is a germ disease and you cannot get rid of the disease until you get rid of the germs. The best specialists seem agreed on this point.

You can't kill germs with ointments or lotions, etc., which you snuff up your nose. These may clear your head and let you breathe easier but they do not reach the germs. Stomach dosing may purify your blood, but it doesn't kill the germ, nor does it cure Catarrh.

There is just one safe, sensible and invariably reliable way to reach and destroy catarrh germs and thus stop catarrh forever. Breathe into your nose, throat and lungs the medicated, germ-killing air of Hyomei which is made from the pure, healing oil of Eucalyptus combined with powerful germicidal ingredients which are certain death to every catarrh germ they reach. The air of Hyomei breathed deeply is so penetrating it reaches into every nook, corner and crevice of your nose, throat and lungs where germs can possibly hide or breed. Its an easy treatment.

You'll like to breathe Hyomei. Its odor and effect is pleasant to everyone but the mischief making germs themselves. They don't like it, simply can't stand it and are completely driven from your body taking Catarrh itself with them. Hyomei is a standard preparation recognized by physicians and druggists everywhere. It is so well thought of here that H. C. Kennedy and many other leading druggists in this vicinity sell it with an absolute guarantee of successful cure or money back. No catarrh sufferer therefore assumes any risk in giving it a trial. Tear this notice out of the paper now and show it to your druggist as you ask for Hyomei. Be sure to ask him for the complete Hyomei outfit as this contains a free inhaling device which is very necessary to use to get the best results.—Adv.

CLASS TO STUDY BIBLE

Philadelphia Bible Teacher Will Be Introduced at Fifth Street Church

A Bible study class was organized Monday evening, under the auspices of the Epworth League of the Fifth Street M. E. church, with an enrollment of 35 members. They will hold their first meeting for Bible study next Tuesday evening January 26, in the Sunday school room of Fifth Street church. W. W. Rugh, Bible teacher of the Philadelphia branch of the National Bible Institute of New York City, will instruct the class and has consented to meet with the class twice a month. This class invites all persons interested in Bible study, irrespective of denomination, to meet with them. Trail hints are especially invited. The first course will be a study on the tabernacle.

This Is a Bad Month

The indoor life of winter, with lack of outdoor exercise, puts a heavy load on the kidneys. Nearly everybody suffers from rheumatism, backache, pain in sides and back, kidney and bladder ailments. A backache may not mean anything serious, but it certainly does not mean anything good. It's better to be on the safe side and take Foley Kidney Pills to strengthen and invigorate the kidneys and help them do their work. They help rid the blood of acids and poisons. Sold by Geo. A. Gorgas, 16 North Third street, and P. R. R. Station.—Adv.

What We Say It Is, IT IS

Diamond Prices Are Fixed For Many Years Ahead

The London Syndicate controlling 98 per cent. of the world's supply of Diamonds has fixed the price of stones to cutters for many years to come. This concern, knowing that Diamond mining becomes more expensive and the percentage of fine quality large stones decreases constantly, has discounted the future by fixing prices so that each sale brings a higher price. In 20 years this increase has amounted to about 200 per cent.

The one thing the Syndicate did not foresee was the present war, which has stopped Diamond mining completely. Consequently the Syndicate stopped selling. When it resumes sales, prices will be higher than ever.

It is this condition that makes the "Diener Gange Diamond" plan especially advantageous to Diamond buyers. Come in and let us explain.

JERSEY AROUSED BY KILLING OF UNARMED STRIKERS

CARRYING WOUNDED STRIKER FROM SCENE OF THE SHOOTING

Fifty men, said to have been selected from among the bands of New York city "gunners" to be clothed with the authority of deputy sheriffs, charged a crowd of unarmed strikers at Roosevelt, N. J., and shot down thirteen of them. One of these wounded men died later and five others are said to be so seriously wounded that they cannot recover.

So unwarranted did the attack seem that a protest was made to the Governor, the citizens saying they had failed to find Sheriff Edward Houghton, who was said to have hired the deputies, and who was in one of the plants where a strike had been declared.

For two weeks about one thousand employees of the four big fertilizer manufacturing plants at Roosevelt, near Perth Amboy, have been on strike, which until yesterday had been without violence. These plants comprised those of the Leibig Company and Williams & Clark, which are parts of the American Agricultural Chemical Company, and the plants of the Consumers' Chemical Company and of Armour & Co.

The strike is said to have greatly handicapped the factories in their output of fertilizer.
