IF BACK HURTS BEGIN ON SALTS

Flush the Kidneys at Once When Back-ache or Bladder Bothers—Meat Forms Uric Acid

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority.

Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick.

Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.

FOOD SOBBING IN STOMACH CAUSES INDIGESTION, GAS

"Pape's Diapepsin" Ends All Stomach Distress in Five Minutes

Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gas and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women to-day know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, safest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.—Adv.

Plant Flower Seeds That Grow

Only the best seed should be planted in your flower garden. If you want strong plants and an abundance of blooms, Schell's Quality Flower Seeds are the best—They Grow Better—They Yield Better.

MARYSVILLE

Hillis Reival Doing Wonders Among the Citizens of the Town

Marysville, April 15.—The Hillis revival, or the "men's revival," as it is popularly called, is doing wonders in the town. There are instances where a family of four were converted. The afternoon meetings are very successful. Yesterday afternoon 14 were converted when the evangelist repeated his Sunday evening sermon on "What Is the Unpardonable Sin?" The reason the campaign is called the "men's revival" is because of the great number of men converts. These form the majority. The number of men is strikingly illustrated in the yesterday afternoon service, when eleven of the fourteen converts were railroad men. At another afternoon meeting ten railroads were converted.

The daylight car inspectors and the day and night shop men of the Marysville yards of the Pennsylvania Railroad Company presented the party with a gift of gold coins.

This afternoon Mrs. Hillis spoke to girls and women on "Chums." Part of her address was on the white slave traffic. At the same time the musical director, L. A. Stahl, addressed boys and men in the Evangelical church. The School Board gave their permission for the pupils to be excused so that they might attend the services.

At the end of the sermon 44 men grasped Evangelist Hillis' hand as a token of their conversion yesterday. This brings the total of converts up to 320.

It included two carloads of sugar from Cuba and 29 carloads of cocoa beans from Trinidad and South American countries. Miss Florence Lebelster, of Lancaster, is the guest of Mrs. John E. Snyder. Life's Limits. All indications point to the fact that less than ten miles below our feet a red heat is maintained permanently and within twenty a white heat. Ten miles above us we have the pitiless cold, far below zero, of interplanetary space. To what a narrow zone of delicately balanced temperature is life confined? Breaking It Gently. "My millinery bill is \$50." "Godness! What will your husband say?" "Oh, I'll break it to him \$5 at a time."—Philadelphia Ledger.
