A COMMITTEE GOVERNS RESERVOIR PARK TENNIS

Park Commissioner Taylor Approves Regulations for Both the Courts and New Club House for Members of Club

Rules to govern the tennis courts in Reservoir Park and the new tennis club house, recently opened to members of the club have been submitted to Park Commissioner M. Harvey Taylor and has received his approval. The tennis season has been on for some time and the courts are busy each afternoon and evening. The rules, copies of which have been supplied to tennis players who use the park courts, follow:

For Tennis Courts: Players must wear regulation heel-less tennis shoes. Courts must not be used when placarded to that effect or when wet enough to show footprints.

All players shall have the use of the courts in the order of their arrival. Courts shall not be used for singles while there are players awaiting a turn, nor in any case for a longer period than forty-five minutes.

After 4.30 p. m. on all week days except Saturday and holidays all courts excepting Nos. 1 and 2 (the courts facing on Walnut street near its intersection with State street) shall be for the exclusive use of players 16 years or over. Courts Nos. 1 and 2 shall be for the exclusive use of those under 16. After 12 noon Saturdays and holidays all courts shall be for the exclusive use of players of 16 or over.

In case of doubt as to age qualifications, players shall be required to present a statement from parents or guardian.

Special Rules for Tournament Play: Nets are provided by Park Department for all courts for permanent service, and must not be removed or replaced by individual nets.

Courtkeepers will have absolute discretion as to barring player or players from court for failure to observe rules

and regulations. Appeals from keeper's decision to house committee may be made in writing, for consideration at subsequent meeting of committee.

Use of court may be obtained only upon application of court keeper by registration. Player or players may not register for use of one court while playing on another; registration can be made only upon finish of set. If doubles are being played and another court is desired, all four players must appear before court keeper to register. Courts will be apportioned to registered players in order of their registration. This shall apply only when courts are crowded. Conditions to be governed by court keeper, who shall consider forty-eight (48) or more players on courts as basis for exercise of discretionary powers.

For Tennis Club House: Members only shall be allowed in the club house.

No member may extend club house privileges to any companion or companions.

Each member will be given key to locker and to club house, upon payment of his or her entrance fee. Each member is entitled to a membership card, which is not transferable.

Club house and contents will be in charge of the court keeper, who will be equipped with master-key for use of members only in emergency.

Towels, sponges and other necessary paraphernalia must be furnished and kept clean and sanitary by each member.

Waste of water is prohibited. Members are cautioned to keep their lockers cleaned and locked at all times, except when opened for airing.

Court keeper will be responsible to the house committee of the Reservoir Tennis Club, subject to the general supervision of the Superintendent of Parks and Public Property.

Failure to observe foregoing rules and regulations by any member will make member amenable to house committee, who shall have discretionary power of dismissal from club roll.

To Hold Festival: The Belmont Athletic Association will hold a festival to-night at Nineteenth and State streets for the benefit of the athletic association.

Lay-to for a spell and swing on this:

You'll start an old-pal-party via a pipe or a makin's cigarette quick as a flash, as soon as you realize it's a live bet to let your good money rub up against some Prince Albert tobacco. Why, it's like beating back to the bushes for old-home week, P. A.'s so friendly, so chummy-like.

You see, Prince Albert can't bite your tongue, or any other man's; nor parch throats. Because it's made by a patented process that cuts out the bite and parch and lets you hear the song of the joy'us jimmy pipe and the makin's cigarette all the day long!

PRINCE ALBERT

the national joy smoke

just hands you home-made questions like these:

Were you ever pipe-happy? Did you ever hit a brand that just pushed pleasure against your palate? The kind that sort of teased your smokeappetite for some more fire-up, then another—and so on, right to the pillow-period!

Well, that's P. A., no matter how you hook

it up—pipe or cigarette. It just jams-joy into your system! You nail that fact hot off the bat, because it's case-cards information! And handed out to you for personal and immediate attention as being about as real and true as you've heard since Hector was a pup!

P. A. is sold in the tippy red bag for the price of a jitney ride, 5c; tidy red tin, 10c; pound and half-pound tin humidors—and—the classy pound crystal-glass humidor with the sponge-moistener top that's not only a joy'us thing to have at home and at the office, but it keeps P. A. in the highest state of perfection.

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

Here is Casimiro Irado, 104 years old, who lives in Watsonville, Cal. He has a remarkable memory and clearly recalls the war in Spain in 1822, when he was a lad of 12 summers. Irado has been a smoker all his life, and today he seeks no dealer, no truer friend than his old jimmy pipe. Irado has just been elected a member of the Prince Albert old-time jimmy-pipers club.

TIME TO BALK

The Chinaman Thought the Missionary Was Going Too Far

Dr. Frank Garrett, who has been a missionary to China for the last seventeen years, says that the first thing you have to do is to get the Chinese viewpoint. Like many of their customs, it seems to us upside down. In the United States if you call a man a liar you are likely to get into serious trouble. In China the man would be rather complimented than insulted.

A missionary had established a little church somewhere in the interior and put a native preacher in charge while he visited some other mission points. When he returned he missed one young man from the congregation. The native preacher said they had put him out of the church.

"Why, what was the matter? What did he do?" asked the missionary. "He stole a bamboo rod," returned the preacher.

"Why," answered the missionary, "a bamboo rod is worth only about 10 cents. Don't you think you were a little severe?"

"No, no," and he shook his head indignantly. "We can't have a thief in the church. The Bible says a thief can't go to heaven, and we couldn't have any one in the church who couldn't go to heaven. Besides, it would give us a bad name in the community."

"Well," returned the missionary, "the Bible says a liar can't go to heaven. Are you going to turn the liars out too?"

"Oh," cried the preacher, "that's different! Entirely different! We'll lie."—Youth's Companion.
