OPENING AT MRS. MINGOS—We have not much of the Jenkin in our composition, but the beautiful display and artistically arranged show window of Mrs. MINGOS attracted our attention yesterday, and we could not deny ourselves the pleasure of peeping inside. Mrs. MINGOS has a large and attractive stock of goods, and we do not wonder the ladies love to congregate there. Everything in the line of millinery and fancy goods partakes of orientalism—hats, bonnets, ribbons, flowers and trimmings, are of the brightest and gayest colors, and the store looks like a fairy scene. The attention of fond mothers who visit the establishment will be attracted by the almost endless variety of caps and hats in variegated colored straw and laces, exquisitely trimmed, for the little darlings. The grand-mothers have not been forgotten either, and an assortment of caps suitable for old ladies has been carefully selected. Gloves and mitts are displayed in endless variety, which like the belts for misses partake of the rich bright tints. Among the novelties in the establishment the new lamp shades—in all colors, are noticeable. These shades are the rage in the city, and in private residences are made to correspond with the furniture and trimming of the apartment. We have given but a faint outline of what we saw during the brief visit, but as Mrs. MINGOS will continue her opening during this day our lady readers will have an opportunity of examining for themselves. The enterprise displayed in procuring such an assortment of the most fashionable and useful goods for ladies wear, deserves liberal patronage, and we bespeak for Mrs. MINGOS a large trade this season.

## Personal.

Col. MASON has removed from Noble's block, and those in want of his professional services will find at his former quarters over PATCH & TRACY.

FRANK GOODENOUGH, the ten year old son of O. D. GOODENOUGH, fell from a hay mow to the barn floor, one day last week, breaking his right arm at the elbow.—*Mansfield Advertiser.*

D. A. LAMENT, who moved to Athens last fall, has returned to Towanda with his family.

Rev. Mr. DOWNER, will preach in the Baptist church to-morrow morning and evening. He is a good sermonizer, an interesting speaker, zealous for the cause of religion, without bigotry.

Mrs. BETSY MCKEE, of Warren township this county, aged nearly eighty-four has spun and knit this winter seventeen pair of striped mittens, six pairs of socks, five pairs of stockings, besides knitting four yards of cotton edging, and has cut and made one coat besides vests and pants.

Miss EVA THOMAS of Troy is visiting friends in this place.

MALIE TRACY, Esq., of East Smithfield is in town to-day. He made the REVIEW office a pleasant call.

The editor of the *Mercury* has been presented with a "setter" dog, by his friend Dr. TRASK of Philadelphia. The animal is quoted at \$100.

It will be seen by referring to the proceedings of Council that Councilman MCCABE called up the resolution in reference to increasing the salary of Policeman BURNS. If our readers have carefully read the proceedings heretofore, they are aware that Mr. BURNS now receives a salary of \$2. per day, Sundays included; and that in addition he is furnished with a house which cost the borough at least \$3,000, free of rent; is permitted to employ a substitute, whenever he can secure a more lucrative job for a day or week, and in addition discharges the duty of deputy U. S. Marshal. It looks to us as though the members of Council who advocate the increase are unnecessarily liberal. Mr. MCCABE would hardly be willing to pay such a salary to his clerks.

## Council Proceedings.

An adjourned meeting of the Council was held on Thursday evening the 8th inst., to take final action on the question of renewing contract with the Gas Company, and continuing to light the streets with gas through the summer; and to consider the claims of Policeman Burns for an increase of his salary.

All the members were present, with Chief Burgess Jones in the Chair.

Mr. Kingsbury offered the following resolution:

*Resolved*, That the Gas Company be notified to discontinue lighting the streets at the expiration of their contract, until further notice.

Resolution lost by the following vote: Yeas.—Keeler, Kingsbury, Montanye and Parsels—4. Nays—Alger, Holcomb, McCabe, Rahm, and Jones, Burgess—5.

Mr. Holcomb moved that the Gas Committee be authorized to contract with the Gas Company for lighting the streets for the ensuing six months, at one dollar and fifty cents a post, per month; the lamps to be lighted on all dark nights, and extinguished at 11:30 o'clock, and an additional allowance of nine dollars per month for lighting and extinguishing and keeping the lamps clean and in good condition.

Carried, yeas 5, nays 4. Yeas—Alger, Holcomb, McCabe, Rahm and Jones, Burgess. Nays—Keeler, Kingsbury, Montanye, and Parsels.

On motion of Mr. Alger, constables Wells and Moffit were authorized to act as special police on the same terms as last year, when the following resolution was adopted:

*Resolved*, That Johnson Wells and George W. Moffit are hereby appointed special policemen for the ensuing year, without pay except when detailed for duty by direction of the burgess, or in his absence by the assistant burgess, and when on duty to be under direction of the Chief of Police.

On motion, the retaining fee of the Borough Attorney was fixed at \$50.

On motion of Mr. Montanye, all nuisances complained of were referred to the Sanitary Committee.

Councilman McCabe called up the question of raising the salary of Policeman Burns.—Councilman Parsels moved that the subject be postponed, as he was not prepared and could not conscientiously vote to increase the salary without further investigation. The motion was carried, and the council adjourned.—J. KINGSBURY, Clerk.
