ANOTHER McCONNELLSBURG CASE.

It Proves That There's A Way Out for Many Suffering McConnellsburg People.

Just another report of a case in McConnellsburg. Another typical case. Kidney ailments relieved in McConnellsburg with Doan's Kidney Pills.

Riley Peck, shoemaker, Pleasant St., McConnellsburg, says: "I was troubled with my kidneys and soreness in my back. I was dizzy at times and it affected my eyes. I had to get up often at night on account of the kidney secretions. I was tired out in the morning. The doctor gave me only a little relief. Two boxes of Doan's Kidney Pills, procured at Trout's Drug Store, gave me great relief at once."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Peck had. Foster-Milburn Co. Props., Buffalo, N. Y.

SALVIA

Quite a number of deer have been seen by hunters on Sideling Hill. A. M. Welsh and others in Brush Creek valley, got a fine one, and Sherman Bard and party got a nice one. It seems to be currently reported that two deer were transported via autos on Lincoln Highway, all since season opened, but the writer could not ascertain the names and address of the fortunate ones. During the latter part of last week a party of eight saw four fine ones on Sideling Hill, and shot a number of times at them, but missed the mark. A party of three got a fine young deer on Green Hill, on Saturday last. The light snow has greatly increased the chances.

Fernando Decker has rigged up and hitched a fodder cutter to his gasoline engine, and has cut up the entire fodder crop on Ed. R. Hendershot and L. C. Mann farms.

A number of farmers in this section are butchering a normal crop of meat during the wintry days.

The revival services at Siloam M. E. Church are still being continued, with no apparent success reported amongst sinners, notwithstanding the good, eloquent preaching of Dr. Fasick and faithful warnings of the pastor, Rev. E. J. Croft.

No late reports from Chas. H. Mann. The presumption is that he is slowly recovering.

Some dastardly, and sneaking scoundrel, under cover of darkness, cut up a good set of harness for a young man and took a nice robe from the buggy of another young man who were attending Siloam services last week.

Carmen Not A Spaniard.

The original tale of Prosper Merimee, subject of so many perversions, operatic, dramatic and cinematographic, translated by H. T. Craven, will be run in the Magazine Section of the Philadelphia Sunday "Press" wherein it will be noted that neither Carmen nor Don Jose are real Spaniards, and that Carmen does not meet her death in the vicinity of a bull ring. The story of Carmen has been treated by librettists with unusual footlight freedom and as a consequence the general public is undoubtedly unfamiliar with the real Carmen. Read the true version in the Philadelphia "Press" every Sunday.

Butter and Kerosene. YOU appreciate the deliciousness of good, wholesome butter. You are willing to pay a high price for it. If the butter is the least bit "off" in taste you resent it and register a kick to your grocer. Now, why not give the same attention to the kerosene you buy? Why buy an inferior quality when you can get a better one? At no increase in price to you, you can get the best kerosene sold today if you will ask for ATLANTIC Rayolight OIL. Rayolight is the most economical oil you can burn. It gives out greater heat, burns brighter and lasts longer. It is scientifically refined to overcome the objections of common kerosene. Because of our process of refining Rayolight will not char the wick or cause soot and smoke. Neither does it give off an offensive odor when burning. It's just as easy to buy Rayolight as it is the common kerosene. Ask your grocer for it—he has it and at the same price that any other kerosene is sold. Atlantic Rayolight Oil makes washday easier. A tablespoonful added to each gallon of water when boiling clothes will make them white and sweet. Ever hear of that wrinkle? Do you know one equally useful? Hang on to it, 'cause some day it may be worth money. Watch these ads. THE ATLANTIC REFINING COMPANY Pittsburgh and Philadelphia

TRUE ECONOMY... means the wise spending of one's money—making every dollar do full duty and getting in return an article that will satisfy you in every way. The WHITE. is a real bargain because it is sold at a popular price; because it gives you the kind of sewing you delight in; because it will turn out the work quickly and thoroughly and give you a life time of satisfactory service; because its improvements will enable you to do things which can't be done on any other machine; because it will please you with its fine finish and beauty of its furniture. In short you will find the White reliable and desirable from every point of view. Be sure to see the White dealer who will be glad to show you how good a machine the White is. If there is no White dealer handy, write us direct for catalogs. We do not sell to catalog houses. Vibrator and Rotary Shuttle Machines. WHITE SEWING MACHINE CO. CLEVELAND, O. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me. There are families in every part of this county that have purchased instruments from me. Ask them about me. Perhaps you want to trade your organ for a Piano, or Player Piano, or your Plain Piano, for a Player. See me. Let's talk it over. L. W. FUNK.
