For 32 Years the Standard Magazine, Pronounced by the Press of the United States, THE BEST LADY'S MAGAZINE IN THE WORLD & THE CHAPST THE LITERATURE. It is of that kind that can be read aloud in the family circle, and the story in immense numbers are subscribers for the Book. THE BEST LADY WRITERS in America contribute to its pages, and we have some that write for no other magazine. THE MUSIC is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey's." OUR STEEL ENGRAVINGS. All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S IMMENSE DOUBLE SHEET FASHION PLATES. CONTAINING From five to seven full length Colored Fashions on each plate. Other magazines give only two. Far Ahead of any Fashions in Europe or America. Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost \$10,000 More than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited. These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.

OUR WOOD ENGRAVINGS, of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others. IMITATIONS. Beware of them. Remember that the Lady's Book is the original publication and the cheapist. If you take Godey, you want no other magazine. Everything that is useful or ornamental in a house can be found in Godey. DRAWING LESSONS. No other magazine gives them, and we have given enough to fill several large volumes. OUR RECIPES. As such as can be found in any other. Cooking in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book. LADIES' WORK TABLE. This department comprises engravings and descriptions of every article that a lady wears. MODEL COSTUMES. No other magazine has this department. TERMS, CASH IN ADVANCE. One copy one year, \$3. Two copies one year, \$5. Three copies one year, \$6. Four copies one year, \$7. Five copies one year, and an extra copy to the person sending the club, \$10. Eight copies one year, and an extra copy to the person sending the club, \$15. Eleven copies one year, and an extra copy to the person sending the club, \$20. THE PHILADELPHIA INQUIRER, DOUBLE SHEET, FOURTY-EIGHT COLUMNS, Published every Morning, (Except Sunday,) by WILLIAM W. HARDING, No. 141 South Third St., Philad'a. THE GREAT NEWSPAPER OF PHILADELPHIA! The trying times of the nation's history in which we live, render a

LIVE NEWSPAPER! an indispensable necessity to every man who would keep himself informed of the important events which are daily transpiring. To furnish a paper which will meet the just expectations of the public in such a time as the present, requires an amount of labor and of extraordinary expense of which the community at large have no conception. The Publisher of THE PHILADELPHIA INQUIRER has labored with efforts or money to make it all that it could be made. Besides improving and strengthening the home force during the past year, several of the best Reporters and Letter Writers in the country, have been sent, at a great expense, with the Army and Navy, and have frequently given the public the first and fullest accounts by telegraph and by mail, of important events at the Seat of War. THE INQUIRER was the first northern paper to give the account of the Battles and Fort Royal victories, and was twelve hours in advance of any paper in the country, in its publication of the details of the Bull Run Battle. What THE INQUIRER has done, is but an earnest of what will be done, in order to give its readers the earliest and best accounts of every event of interest connected with.

THE GREAT REBELLION, and at the same time have it maintain its reputation as THE BEST GENERAL NEWSPAPER IN THE COUNTRY. The increase in the circulation of THE INQUIRER during the year, is the best evidence of the extent to which the public rely upon it for the news of the day. Its circulation has averaged for SEVENTEEN MONTHS past, Over Two Hundred Thousand Copies a week, or nearly Forty Thousand A Day; and it has, during the year, in times of excitement, reached Over Seventy Thousand A Day—resting the capacity of OUR FAST PRESS at the utmost to supply the demand. It commenced the New Year with new and beautiful Copper-faced Type, and with renewed vigor and activity in its News and Editorial departments. THE INQUIRER is independent in politics. Prices at which "The Philadelphia Inquirer" is furnished: Single Copies, Two Cents, or Twelve Cents a Week. Daily Paper, 6 00 per annum, in advance. Tri-Weekly, 4 00

All Letters should be addressed to WILLIAM W. HARDING, Publisher, Inquirer Building, 121 South Third St., Phil'a.
