CAMPAIGN COMMENT.

Crisp and Timely Chat of the Presidential Canvass.

Bryanism on the Wane and McKinley and the Republican Party Looming Up as Certain Winners.

Things are coming our way.

A short day is better than a short dollar.—William McKinley.

The vote of next November will decide the length of the war in the Philippines.

Mr. Bryan's sneers at the full dinner pail will not efface the memory of the workmen.

The Democratic party is consistent in that it is keeping up its record for inconsistency.

Wear the Flag.

Mr. Bryan will omit all allusions to the Tammany fee trust during his campaign tour of New York.

The drift of public sentiment is growing stronger every day in favor of the Republican party.

The Hon. George Fred Williams declines to permit some of the gold Democrats to return to the party.

Those who uphold law and order wear the Flag.

FIRST OF BRIBERY CASES ON TRIAL

Scranton, Pa., Oct. 17.—Revelations of a startling character were made yesterday at the trial of James J. Grier, the first of twelve Councilmen called to defend the charge of soliciting and accepting bribes preferred by the Prosecuting Committee of the Municipal League.

J. S. Harris, of the Captain William L. Sawyer Detective Agency, of New York, who gained considerable fame by his work in the Parkhurst and Lexow inquisitions, who is the star witness of the prosecution, who was the first to take the stand.

He testified that he had met Grier and arranged himself with what purported to be credentials from the Philadelphia officers of the Scranton Railway Company, proceeded to approach Mr. Grier on the subject of getting the measure through. Incidentally he did. He claimed he gave Mr. Grier \$1,000 to be distributed, and that the payment of the money was witnessed by two of his assistants, E. A. Whitney and A. P. Anderson.

Banker Routs a Robber. J. R. Garrison, Cashier of the bank of Thornville, Ohio, had been robbed of health by a serious lung trouble until he tried Dr. King's New Discovery for Consumption. Then he wrote: "It is the best medicine I ever used for a severe cold or a bad case of lung trouble. It always kept a bottle on hand." Don't suffer with Coughs, Colds, or any Throat, Chest or Lung trouble when you can be cured so easily. Only 50c. and \$1.00. Trial bottles free at Paul's & Co's. Drug Store.

"Other People's Money." A leading magazine repeats the story of a Vermont farmer, who, on a visit to city relatives, is taken to hear a celebrated actor and company. On being asked his opinion of the acting, he replied: "Acting? They didn't do no acting, they were just like home folks. Why down in my part of the country people do that sort of thing every night." It is needless to remark that more sincere praise could not be asked by an actor. It is this same absence of "acting" which characterizes the methods of Hennessey Old in "Other People's Money."

A Good Game on Saturday. The Danville-Milton football game, that was scheduled to occur at Milton on Saturday afternoon of this week, will be played in this city owing to the fact that the grounds at Milton have been engaged by another eleven for this date. Football admirers in this city will have a chance to see the High school boys play. The fact that the game will be played here, ought to bring out a good sized crowd to root for the local aggregation and cheer them on to victory.

The boys are practicing every evening and with the experience gained at the Catawissa game, they ought to win. The game will occur at DeWitt's park, and the kick-off will be made at 3 o'clock sharp.

A Fiendish Attack. An attack was lately made on C. F. Collier, of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures backache and kidney troubles, purifies the blood and builds up your health. Only 50c at Paul's & Co's. Drug Store.

Pavements to be kept Clear. Beginning next Monday the merchants will be obliged to remove all boxes and goods from the pavements after 6 o'clock in the evening.

Chief Mincewoyer stated Tuesday that as the season had now passed for the sale of green vegetables, after this week merchants will not be allowed to use the pavements for a display of their goods after 6 o'clock in the evening.

Work Nearing Completion. The preliminary work for the manufacture of the Weitzel Safety Wagon Skin is rapidly nearing completion and it is expected that this new industry will be operating in a short time.

The Danville Stove Manufacturing company are making the patterns. The entire spindle with the exception of the drop forging, which will be made in Brooklyn, N. Y., will be cast and finished in this city. Spindles for heavy wagons will be a specialty.

What Shall Be Done FOR THE DELICATE GIRL

You have tried iron and other tonics. But she keeps pale and thin. Her scallous complexion worries you. Perhaps she has a little hacking cough also. Her head aches, and she cannot study. Give her Scott's Emulsion.

The oil will feed her wasting body; the glycerine will soothe her cough, and the hypophosphites will give new power and vigor to her nerves and brain. Never say you "cannot take cod-liver oil" until you have tried Scott's Emulsion. You will be obliged to change your opinion at once. Children especially become very fond of it; and infants do not know when it is added to their food.

GET INSIDE Your Friends And Neighbors In Danville Will Show You How.

Rubbing the back with cure back ache. A liniment may relieve, but can't cure.

Bachache comes from the inside, from the kidneys.

Doan's Kidney Pills get inside. They cure sick kidneys.

Here is Danville proof that it is so: Mr. Wm. Steinmiller of 136 Bloom Ridge, Blacksmith says: "I had sharp pains over my hips and a dull aching in the small of my back. The statement of parties who had used Doan's Kidney Pills attracted my attention and procuring them by the time I had taken a half box I was better and in a short time the backache and lameness, which had made stooping or lifting very painful vanished. Before taking this remedy when I sat for any length of time I found it very painful to rise and stoop. It cured my sharp pains to catch me but all these symptoms disappeared."

For sale by all dealers. Price 50 cent a box. Foster-McMillan Co., Buffalo, N. Y., sole agents for the U. S. Remember the name—Doan's—and take no other.

All Night System To Sunbury. At a meeting of the directors of the Shamokin Valley Telephone company held in Shamokin, Tuesday evening, it was decided to open an all-night telephone service at Sunbury on November 1st, providing that a sufficient number of new subscribers can be secured to justify it. Also on and after November 1st, the Sunday hours will end at 6 o'clock in the evening instead of 8 o'clock as heretofore. Connections have been made with the Montour & Columbia Telephone company's lines which will give the Sunbury subscribers the same service during both day and night, which will be a great convenience.

The famous Brothers Royer will appear at the Opera House Saturday evening in their acrobatic farce, "Next Door." The piece is an acrobatic production on the order of Eight Bells. Daily's Vacation and Upside Down: It is said to contain many features, prominent among them being the Royer troupe of acrobats. The funny trick bathing scene, the haunted house, the funny mule and the wonderful leaping scene, all going head first through a second story window. A feature in itself is the beautiful costumes and scenery.

\$100 REWARD, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing the work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials.

Address: E. J. CHENEY & CO., Props., Toledo, O. Sold by Druggists, etc. Hall's Catarrh Pills are the best.

Was Run Down By a Carriage. Jesse, the son of Mr. and Mrs. James Shultz, was run down by a horse and carriage at the corner of Nassau and East Market streets last evening about six o'clock. He was driving the cows home and had just arrived at the corner of Nassau street when the horse driven by a stranger struck him.

Young Shultz was hidden behind one of the cows and the stranger did not see him in time to prevent the accident. Although both wheels of the buggy passed over his face, Shultz escaped with but a few scratches.

"The Only" Picture Exhibition. There are moving picture exhibitions galore, but if you have not seen the Lyman H. Howe exhibition it will be impossible to know of the vast strides this unique entertainment has made since last season. The pictures have been brought nearer to realism than ever before and it is Mr. Howe's chief aim to produce them so naturally as to make them appear to be real living scenes. At the opera house on Friday evening, Oct. 26th.

Women Should Know It.

Many women suffer untold agony and misery because the nature of their disease is not correctly understood. They have been led to believe that womb trouble or female weakness of some sort is the responsible for the many ills that beset womanhood.

Neuralgia, nervousness, headache, pain or dark circles under the eyes, rheumatism, a dragging pain or dull ache in the back, weakness or bearing-down sensation, profuse or scanty supply of urine with strong odors, frequent desire to pass it with scalding or burning sensation, settlement in it after standing in bottle or common glass for twenty-four hours, are signs of kidney and bladder trouble.

The above symptoms are often attributed to the patient herself or by her physician to female weakness or womb trouble. Hence, so many fail to obtain relief, because they are treating, not the disease itself, but its wonderful merits you may find in its remedy.

In fact, women as well as men are made miserable with kidney and bladder trouble and both need the same remedy. Dr. Kilmor's Swamp-Root is the great discovery of the eminent kidney and bladder specialist, and is easy to get at any drug store for fifty cents or one dollar.

Kindly mention the MONTEUR AMERICAN and send your address to Dr. Kilmor & Co., Banglomb, N. Y.

Osteopathy Cures

In ninety cases out of an hundred. If you would like to know more about it, you would do well to attend the school of the Atlantic School of Osteopathy, of the Matthews & Hook Infirmary, 17 Ross St., Wilkes-Barre. They will send you four valuable books free. They will also send you a free diagnosis of your case upon receipt of a brief history of the same.

Compulsory Vaccination.

A careful investigation is to be made by the Board of Education of the children now attending school to determine whether all have been vaccinated. It has been reported to the Board that there are children attending the schools who have never been successfully vaccinated.

Many parents are opposed to the vaccination of their children on the ground that they do not believe in the practice and consequently will not have it done although the State school laws are very strict in the matter. No child, it is said, can attend school unless he or she has been vaccinated if the Board of Education so decree.

Employes Entertained.

The employes of the Structural Tubing works were entertained for one hour Monday morning by the Gwent Glee Society Sextette.

Superintendent T. J. Price always observant of the wants of his employes, had the Sextette come to the works at 11 o'clock Monday. The mill was closed down and all hands went to the paddle building where the Welsh singers rendered many choice selections.

MRS. GOULD ASKS FOR WOMAN JURY

New York, Oct. 17.—Mrs. Howard Gould is up in arms against juries composed of men. "What do they know of women's dresses, waists, jackets and fur-trimmed?" she asked of the city court today through her counsel, A. H. Hummel. "Why would it not be possible to have cases affecting women tried by women?"

Mrs. Gould, who is being sued by her former dressmaker, Mary F. Smith and Margaret Dillon, for \$1175, declares emphatically that much of the work done for her was defective and could not be worn, and that considerable material was ruined.

Unable to get a jury of women experts Mr. Hummel yesterday made application to have the case sent to a referee, saying that much expert testimony of dressmakers would have to be taken, which would naturally be much involved, and of a character which the ordinary man would not understand. Counsel for the dressmakers make vigorous objection. Judge Haswell reserved decision.

Putting food into a diseased stomach is like putting money into a pocket with holes. The money is lost. All its value goes for nothing. When the stomach is diseased, with the allied organs of digestion and nutrition, the food which is put into it is largely lost. The nutriment is not extracted from it. The body is weak and the blood impoverish.

The pocket can be mended. The stomach can be cured. The starving medicine on the stomach and blood. Doctor Pierce's Golden Medical Discovery, acts with peculiar promptness and power on the organs of digestion and nutrition. It is a positive cure for all most all disorders of these organs, and cures such diseases of the heart, blood, liver and other organs, as have their cause in a weak or diseased condition of the stomach.

ATTACKED BY A PANTHER.

It Dropped Upon the Horse of Three Hunters. Altoona, Oct. 17.—Three Altoona hunters were returning home through the mountain region of Cross Keys Tuesday night when a large panther dropped from an overhanging tree upon the horse handling their outfit. The animal plunged over the embankment dragging the hunters and their wagon with him. At the first shot the horse fell dead and the panther ran. A hundred or more armed men started this morning on the trail of the wild beast.

COUET OUSTS SCHOOL BOARD.

Doylesstown, Oct. 17.—Judge Yorkes yesterday directed that the school board of Hilltown Township should be removed from office and a new board appointed. The directors are John H. Myers, Samuel L. Rosenberg, Milton B. Shelly, Abraham F. Moyer and Abraham C. Moyer.

At a former term of court taxpayers asked to have additional facilities provided, as children were compelled to go a long distance to school. An inspector, appointed by the Court, found that the facilities were needed.

The Court ordered a school established at Unionville, where one formerly existed, and gave the directors until the October term to comply. This was not done, hence to-day's decree.

THE CHOIR CELESTIAL.

One of the Greatest Musical Compositions Free to All. There is always a demand for a great sacred song. "The Palms," "The Holy City" and others have been sung by thousands. Next Sunday, September 21, "The Philadelphia Press" will give free to its readers Arthur Trevelyan's magnificent "Choir Celestial," one of the most beautiful songs ever written. This supplement is in regular sheet music size, ready to be placed on the music rack. It has a superbly ornamental frontispiece in six colors, which is beautiful enough to frame. Frankly, it is the finest piece of sheet music I have both as to appearance and quality of the composition, ever given away to the public and it is yours, absolutely free, with next Sunday's "Press." It will be well to order next Sunday's "Press" in advance.

Newton Helman, he was shooting along Bottle Run. His companion shot at a pheasant and Mr. First's head happened to be in a line with the bird, his face received most of the shot. It was at first thought that one of his eyes would be seriously affected, but it is now thought that the eye will come out all right.

Given A Loving Cup.

Philadelphia, Oct. 16.—A silver loving cup was presented yesterday to the University of Pennsylvania by the officers and cadets of the United States Military Academy at West Point, and of the Naval Academy at Annapolis. The gift is an expression of gratitude for the services of prominent graduates of the University for their work in securing permission from the Washington authorities for the annual foot-ball game held between the teams of the two academies last December, on Franklin Field.

The presentation speech was made by Lieutenant Commander Eberle, of Annapolis, who spoke in behalf of himself and of Lieutenant Richard P. Davis, of West Point, representing respectively the two academies. Provost Harrison responded, receiving the cup on behalf of the University.
