Christ, Esq. Brandreth's Pills are sold at 25 cts per box (with full directions) BY J. HAYES & CO., Lewisburg, and by only one Agent in every town in the Union. Each Agent has a Certificate of Agency. Examine the box of pills always and compare it with the fac-simile labels on the Certificate of Agency. As there is a counterfeit of the new label out, this is of much importance, as there is a decided difference between the appearance of the true labels and those of the counterfeit. The counterfeit is done on stone; the genuine are done on steel. The appearance of the printing on the counterfeit is ragged and blurry; the genuine label is the very pink of neatness, both in printing, paper, and general execution.
