

News About Town.

The Dummer Brothers Still in the Toils at Manistee.

Swami Society's Anniversary.

Celebrated on Sunday—The Officers for This Term—They Want a Larger Church.

General orders No. 21, issued from the adjutant general's office at Lansing and signed by order of the commander-in-chief, William S. Green, adjutant general, contains two amendments. The first is an amendment to Rule 607, and prescribes the new address card for all officers; the second is an amendment to Rule 614, and describes the new address card for officers. They are both lengthy and simply describe the new cap and blouse adopted by the State military board and approved by the commander-in-chief and will take effect January 1, 1897, until which time the address card and cap now in use will be considered as part of the uniform.

A dispatch from Manistee states that the Dummer brothers of that city are still in the toils of the law and are likely to remain there until the Manistee Bank gets tired of paying their board. They were arrested by the bank under the fraudulent debtor's act and their case was carried to the supreme court, which upheld the position of the bank. One of the Dummer was a captain in the National Guard at one time and was dishonorably discharged by the general in command, for allowing his men to steal uniforms from other companies, in preference to standing a trial by court-martial. This occurred at the annual camp of 1894, and soon after Dummer was under the ban of the law and has remained in jail nearly ever since.

Celebrates its Anniversary.

The Suomi society celebrated the anniversary of its organization by a meeting in the Opera House Sunday afternoon when the hall was well filled by members of the society. A very interesting program, consisting of vocal and instrumental music and literary selections by the members of the society, was carried out. Some of the prominent members announced elected officers for the ensuing year. At the regular meeting held in the Union building Sunday evening, the following officers were installed for the ensuing term:

President—Edward Jonas.
Vice President—Emil Hendrickson.
Recorder—John Turin.
Assistant Recorder—Charles Hokala.
Financial Secretary—John F. Hansen.
Corresponding Secretary—Oscar Keckonen.
Treasurer—Jacob Suntala.
Marshal—Thomas Kallio.
Sergeant—M. Nicholson.

Assistant Secretary—Miss Susannah Kallio.
Guard—John Keinan.

For a New Church.

The trustees of Sacred Heart church have decided that the present edifice at the Hecla is far too small and inconvenient for the use of such a large congregation as that of their church and have taken the first steps toward the erection of a new church building. Letters have been given to friends and members of the church asking for a contribution and stating the object and if a large enough sum can be raised the plans will be made and active operations set on foot as soon as practicable. The contributions will be received by the pastors and the names and amounts will be announced in a few weeks.

The locality of the new church will probably be on the site of the present building, but it would be much more convenient for the congregation, scattered as it is from Kearsarge and Tamarrack to Oceola and Laurium, if the new building were situated nearer Red Jacket.

School Notes.

The night school opened again last evening after the holiday vacation and will be open every week evening, with the exception of Saturday. The school is not as largely attended as it should be and the fact that no charge of any kind connected with the teaching is made, should certainly bring out a larger attendance.

The regular general teachers' meeting was held in the high school yesterday afternoon and was most interesting throughout. There was a discussion on "Popular Fallacies of Teachers and Superintendents," in which many points in regard to school work and teaching in all its branches and the numerous opportunities for improvement in almost all the different lines of work were thoroughly talked over. These meetings of the teachers are becoming more and more interesting and much real benefit is received from them.

Miss Zeien has been promoted to the position formerly occupied by Miss Fay and Mrs. J. E. Fliege is attending to Miss Zeien's former classes.

Kearsarge.

Saturday evening last a party of Macabees from Red Jacket gave an interesting entertainment at the Kearsarge school hall, which was not very largely attended on account of the violent snow storm which prevailed. Those who did attend highly appreciated each number

that was given and extended a most hearty and cordial invitation to the Macabees to come again.

One of the most pleasant surprise parties given in this locality for some time was that given last Saturday evening by a number of the friends of Miss Cara Dawe, at her home on Kearsarge street. The welcome visitors were royally entertained by Miss Dawe, and at their departure expressed the wish that they might pass many more such pleasant evenings at her home.

On Sunday evening last the Rev. John Sweet, presiding elder for this district, preached an appropriate sermon at the Kearsarge M. E. church and held communion services afterward.

A Caution to Sportsmen.

Heretofore the sportsmen from this place who go to Kearsarge to hunt are not so likely to return with full bags, for three sportsmen have been pulled by County Game Warden Shilsky under the law passed at the last session; one, a resident of Keweenaw county, for selling, and two, from this place, for purchasing. The three pleaded guilty, excusing themselves by stating that they were not acquainted with the law; but so that no other officer or member of the Game Protective association may find himself in the same position we give the section as amended:

SECTION 51.—"No person shall by himself, his clerk, servant or agent, expose or keep for sale, or directly or indirectly, upon any pretense or device, sell or barter, or in consideration of the purchase of any other property, give to any other person any quail, woodcock or partridge in the State of Michigan."

Membership Campaign.

At a meeting of the board of directors of the Calumet Y. M. C. A., held last night the possibility of holding a membership campaign was discussed and it was decided to institute one, commencing with the 17th of January and to continue until the 21st of February, 1896. Two captains, E. J. Kohlihaas and James James, have been appointed. These will select their men from the members of the association and each will wear a small ribbon of his team's color's. At the close of the contest the team having secured the greatest number of memberships will be treated to an elegant banquet by the losing team, in which all members, new and old, will participate. Members of the losing team will be the waiters for the occasion.

Recent Officers.

At a meeting of the St. Stanislaw Kostka Benevolent society held Sunday afternoon, the following officers were elected to serve for the ensuing year:

President—Michael Stempniak.
Vice President—Joseph Adamski.
Treasurer—Steven Pyriewski.
Corresponding Secretary—M. J. Tobolski.
Financial Secretary—Michael Ostrowski.
Trustees—Frank Gradziewski, Frank Nowakowski, George Kozdziej, Andrew Kubiak and John Zwierzowski.

The society has 116 members in good standing and a cash balance on hand of \$1,661.69. It was decided at the last meeting to do away with the regular and adopt new judges, they being more expensive and much more convenient.

Madame Finch expects to start her dressmaking class by the end of the week. In order to accommodate all she has determined to give half a course of two or three weeks, so that those who have neither time nor inclination to take the full course can join this half course. Madame Finch will take the measure of those who do not wish to join either course and supply them with an individual pattern, so that they can afterward cut out their own dresses. For terms apply to Madame Finch, at the Calumet Hotel.

The Austrian band has elected the following officers for the ensuing term:

President—Charles Imhoff.
Secretary—Frank Sollar.
Vice Sec'y—Marlin Verderbar.
Treasurer—Math G. Shek.
Commander—Joseph Simanick.
Sec'y of Music—John Kesar, William Trevarrow.

The band is now practicing regularly and is prepared to furnish music on short notice. Mr. Joseph Pulek, has been chosen business manager for the band and W. J. Waters as leader.

Manager Ed Uleth, of the Park rink contemplates running a special train from the Portage Lake towns for those who may wish to enjoy the pleasure of an evening's enjoyment at the rink. A price of 75 cents will be charged for round trip tickets and admission to the rink, and the date will be about the middle of the present month, although this has not been definitely decided upon. The Fifth Regiment band will be present and furnish music for the event.

The trains have been delayed on the "Artie division" of the H. & C. railroad for some time and the first wood train from the Fulton to the Tamarrack, since last Thursday, came through yesterday. The train last week ran off an open switch near Kearsarge and the engine that started to her aid became disabled before it reached Kearsarge and it was six or seven hours before the engine was gotten on the track again and operations resumed.

The Frank Tucker theatrical company is on the way to the copper country and will probably make an engagement here for a week's course of entertainments at the Opera House. The company is made up principally of the personnel of the Brown theatrical company, which has always been such a favorite with Calumet audiences, and J. Knox Gavin, the former star of the Brown company, takes a leading part in the new organization.

Masquerade Ball.

A grand masquerade ball will be given at the Calumet Light Guard Armory on Saturday evening, January 18. Good music in attendance. The prizes are as follows: Best costumes, \$5, \$3 and \$2; comic, \$4, \$2 and \$1. The changing room for the ladies will be found upstairs.

The Calumet Congregational Sunday school has elected the following officers for the ensuing year:

Superintendent—Mrs. Edward Grierson.
Assistant Superintendent—John Stevens.
Secretary—James Allen.
Treasurer—Thomas R. Ritchie.
Librarian—William Allen.
Assistant Librarian—Ed Collins.

The members of the Shakespeare Literary club were entertained last evening by Miss Kohlihaas at her home on Sixth street and a most pleasant evening was spent by all. Officers were elected for the ensuing term as follows:

President—Mr. F. J. Webb.
Vice President—Mrs. George Fox.
Secretary and Treasurer—Miss Kate Shea.

Messrs. D. W. Kaufman, of Marquette, J. S. Fletcher and W. F. Thummond, of Detroit, who have been in the city the past few days on business connected with the adjustment of the Calumet store invoice, left this morning for their headquarters.

Snobishness in Dogs.
A dog fancier once took exception to Professor Huxley's assertion that "one of the most curious peculiarities of the dog mind was its inherent snobishness, shown by the regard paid to external respectability. The dog who barks furiously at a beggar will let a well dressed man pass him without opposition." He said that, in fact, only dogs of well dressed persons bark. Dogs accustomed to men in rags bark, not at beggars, but at persons clothed in sleek broadcloth.

Consider the Lilies.

ADAM SCHAAF!

PIANOS.

MR. ADAM SCHAAF has, after long and careful study and experiments, succeeded in producing Upright Piano Fortes which are the most perfect instruments of their class ever constructed. The volume of tone is fully equal to any of the best Square Grand Pianos, while the quality is of the most exquisite character—pure, sympathetic and in the highest degree pliable. The durability of these new Upright Pianos, and their capacity of standing in turn is unparalleled in the history of piano making, and even greater than that of the best Grand and Square Pianos.

Upright Grand, style 3, and Cabinet Grand, style 5, in their interior construction, power, volume and exquisite singing, sympathetic quality of tone, are substantially Parlor Grands in upright form. In a word, the Adam Schaaf Piano is made to stand, not merely as an ornamental piece of furniture, but as a musical instrument—not for a day, but for a lifetime.

Too much cannot be said in favor of these Upright Pianos, in fact, they must be seen and heard to be appreciated. An immense demand has already sprung up for these instruments, which are rapidly becoming
