

Caucus Last Evening

It Was Held at the Calumet School Hall.

The Who Were Nominated

Lecture By Eli Perkins Last Evening Was a Great Success—A Large Audience Present.

The caucus for Calumet township was held last evening at the Calumet School Hall pursuant to public notice.

The meeting was called to order by Acting Supervisor Childs in the absence of Mr. Duncan.

When Mr. A. T. Streeter was made temporary chairman and Fred Mackenzie temporary secretary.

The chair then appointed Messrs. Hosking, P. P. Roehm and Thomas H. Burgen as a committee on credentials and permanent organization.

The committee afterwards reported that fifty-nine delegates (their names were given in yesterday's News) were entitled to seats at the caucus and that the temporary officers be made permanent, which was afterwards adopted.

The delegation from precinct No. 5 then reported that one of their number, Mr. John Goulette, was absent and requested that Mr. Benjamin Schwartz be allowed to fill the vacancy in accordance with the vote of that delegation which was done.

Mr. W. H. Hosking was then chosen as assistant secretary and Messrs. George Calverly and Charles Noetzel tellers.

After the officers had been sworn the chairman announced that the first officer to be nominated was that of supervisor, for which the name of Mr. John Duncan was proposed and as there was no opposition the secretary was empowered to cast a ballot for the whole delegation for Mr. Duncan, who was then declared the nominee.

The name of Fred Mackenzie was then proposed for clerk and there being no other names brought forward the assistant secretary was instructed to cast a ballot for the full delegation and he was accordingly declared the nominee.

No opposition appearing for the following the secretary was empowered to cast, one at a time, a ballot for the following gentlemen:

Township Treasurer—William Walls, School Inspector—William B. Anderson, Highway Commissioner—Paul P. Roehm, Member Board of Review—Ed Usher, Four Constables—Frank Ward, Michael McCarron, Michael Day and Carl Ala.

There was opposition for the office of justice of the peace for which Messrs. Joseph R. Murphy, Morgan Williams and Albert J. March were nominated. A formal ballot was taken which resulted as follows:

Murphy.....41
Williams.....10
March.....6
Robert Osborne.....1
The informal ballot was then declared formal and Mr. Joseph R. Murphy was declared the nominee.

Messrs. Sam Millington and James Fry were nominated for the office of pound master. A ballot was taken which resulted as follows:

Millington.....38
Fry.....20
Mr. Millington was thereupon declared the nominee.

The meeting, upon motion, then adjourned.

Upper Peninsula Circuit.

The managers of the opera houses of the upper country are considerably interested in the new circuit being formed which will include all the opera house managers of the Upper Peninsula.

The closing details for the formation of the circuit have been arranged and it is so assured fact. A meeting of the managers of opera houses have been called for next week, at Ishpeming, and Manager Cuddihy will attend. The plan proposed to secure first-class entertainments is to send a representative of the circuit to New York where he can secure dates for the entire season for the opera houses in the Peninsula. He will be at the theatrical headquarters and will be able to find out which entertainments are best suited to the theaters of the peninsula.

It is probable that the manager of the Sault Ste. Marie Opera House will represent the circuit at New York.

This effort on the part of the opera house managers to secure a high grade class of entertainments will no doubt meet with the approval of all who enjoy a good attraction.

Eli Perkins has come and gone, but he was pleased with Calumet, and Calumet people were pleased with him and will be glad to have him here again. Eli was greeted with a large audience at the Opera House last evening, a fact very gratifying to the Y. M. C. A., who were managing the entertainment, and also to Eli, for he says he "does hate talking to benches."

The entertainment he gave was something very much out of the ordinary run of shows, and, although it takes a man of extraordinary ability to keep an audience in good humor all the evening, Eli

did it and everybody laughed most of the time and enjoyed it immensely. Besides the large number of Calumet people in attendance, a few drove up from Lake Linden.

Fred Trathen, of Ewen, is in town on business. Mr. Trathen is a candidate for the position of deputy oil inspector under Governor Pingree and the last time he was up was circulating a petition asking the governor to give him the place. He says his chances are apparently all right and he hopes he will get the job.

It is generally understood that the governor intends appointing a Calumet and Hecla company miner to some such position and therefore it behooves our people not to be too free in signing petitions for people living outside of here.

Alderman John Kaivel went to Baraga this morning, on business, for the Pabst Brewing company. Mr. Kaivel says the company will very likely establish an agency at that place. The company has been doing a good business there for some years. The business has been rapidly on the increase of late and if Mr. Kaivel can secure a good man to place in charge of the business a regular agency will be established. The company already owns a good sized warehouse at Baraga and is otherwise well equipped.

Mr. and Mrs. William Jewell were very pleasantly surprised at the New Jewell House last evening by a large party of lady and gentlemen friends, from Lake Linden, who drove up to spend the evening. The party numbered about fifty and they filled six large rigs. Although Mr. and Mrs. Jewell did not expect their guests they made them at home and the evening was very pleasantly spent in a social way. Supper was served late in the evening and it was an early hour this morning when they left for home.

The Salvation Army

Welcome visit of Colonel Higgins, son of Commissioner Higgins, to Red Jacket Saturday, April 17 and Easter Sunday. Public reception at the depot, 2:40 p. m., Saturday. Big banquet at 5 p. m. Public demonstration, 8 p. m. Sunday, a day at the cross. Major Gifford will accompany the colonel. The major will also visit Lake Linden April 15th, and Hancock on Good Friday.

ADJUTANT AND MRS. SHEPPARD.

An interesting billiard tournament has been in progress at Schroeder's auditorium for the past week in which eight of the best billiard players in the city are playing. Most of the gentlemen who are in the tournament were players in the tournament which was held at Merz & Muir's saloon several months ago. Several games have already been played and the greatest interest is taken in the result. A handsome fancy cue will be given the winner of the tournament.

Baby.

"Please high above all pleasure; Gladness brimming over gladness; Joy in care; delight in sadness; Loveliness beyond completeness; Sweetness distancing all sweetness; Beauty all that beauty may be— That's May Bennett! That's my baby! WILLIAM C. BENNETT."

What about your baby? Have you her picture? She will soon be no longer a baby, therefore lose no time in securing a beautiful portrait of her, which you can obtain at Herman's studio.

The Essential Feature

Of the Shauer Self-Supporting

..Pants

Is the rubber gore directly over the bones which admits of free expansion with every slight turn of the body in any direction.

The further great merit of this is, that it holds up the trousers; also prevents chafing and a crawling sensation commonly experienced in wearing pants with a huge stiff belt.

A trial of a pair will add immensely to the comfort and pleasure of cycling. Every bicycle and golf suit of pants bearing our trade mark, "Self-Supporting," is a guarantee of absolute reliability, costing no more than the ordinary kind. For sale by
