

WONDERFUL CURES!

Heart Disease Cured!

Immediately Helped!

Heart Disease Causes Thousands of Deaths Annually.

There is something terrible in this disease, as it carries off victims without giving them time for preparation, and almost without warning. There may be some early symptoms from time to time, such as palpitation of the heart under any exertion, such as walking fast up and down stairs, or excitement or shock; rush of blood to or from the head, often causing dizziness or sudden change of position, disturbed or irregular pulse. Very often, the weak or failing heart can scarcely be said to give its victim any marked warning, until suddenly there is a shock, the machine stops work and death end all. Every form of disease of the lungs has a corresponding influence on the heart, but it is chiefly chronic bronchitis and some forms of consumption that permanent changes begin and end in organic disease of the heart. I will not here enter into a discussion of the various forms of heart disease any further than to warn those who have any of these symptoms that they must seek relief at once in order to escape the worst results. Employ some physician who makes a specialty of heart trouble. Fluttering and irregular action of the heart, noticed by the beat of pulse should cause the greatest anxiety and the sufferer therefrom should at once seek the proper treatment to remove the disturbing causes before they reach a crisis which may end in sudden death. Dr. S. Clay Todd has attracted the attention of the whole country by his wonderful skill and success in curing heart troubles of every degree of intensity. Those who call on him for treatment can be said to gain immediate relief so that the next day after beginning treatment they are decidedly better and are greatly encouraged. Consultation free. Services free until cured.

YOUR THROAT is red and ulcerated. There are little patches or ridges, or which or yellow ulcers in your mouth as far back as you can see; the same ulcers or congested condition may be in your nose, bronchial tubes or lungs. Perhaps you have a cough; if no cough now, you will have as soon as you take cold. The disease is there, and only needs the "exciting cause" of a cold to be developed into a lung trouble. You will then begin to raise a froth, then a slight mucous, then a heavier phlegm until very thick, as the disease advances. There is one physician of great experience in our midst, he has had experience in all parts of the world, in hospitals and special practice in the treatment of these diseases. This is DR. S. CLAY TODD, who has had a practical knowledge of the treatment required, and has the remedies shipped directly to him from the countries where they grow, and these remedies are compounded by him and put up for use before each patient in his office, New Jewell House, Calumet. Immediate relief and permanent cure.

LUNG DISEASES CURED

BY
Dr. S. Clay Todd

Catarrh, Bronchitis, Consumption and all Lung Diseases cured.

Can Now Stand Erect.

Organic Diseases Cured by Dr. S. Clay Todd.

The pieces of bones are joined together and the false joint has disappeared. The mother says: My little son Albert, aged 4, had a joint above the right ankle and the ankle was greatly swollen, also the left knee joint was very weak and fell against the right leg for support when he tried to walk, and he also swung himself from side to side. Now he runs and walks without difficulty. Under the treatment of Dr. S. Clay Todd, at the New Jewell House, Calumet, from April 20 to April 28, the bones have joined together and the extra joint above the ankle has disappeared and the swelling has gone and can now button his shoe. The left knee joint is also strengthened so as to support itself.

That cough, slight fever, and weakness, shortness of breath, palpitation of heart may mean sure and quick consumption. If you are nervous, restless, irritable, sleeplessness, or wake after horrid dreams, tired mornings, with a dull headache, bad taste in the mouth, sometimes discharges, and go about your work without life, energy or ambition, desire to be alone, gloomy forebodings, a disposition to worry and fret about trouble ahead that never comes, spells of feeling afraid or uncertain, sometimes low spirits, you are suffering from nervous debility and exhaustion of nerve power, which may end in utter prostration, insanity and death.

If you have a great sense of weakness and weariness, with tired limbs, numbness, trembling, prickly sensations, cold feet and legs, you are advancing to that most serious disease—Paralysis. If your head aches, feel numb and tired with strange sensations, loss of memory, and you think with difficulty, or you are sleepless at night, with drowsiness or dullness during the day, the nerve and brain fatigue may soon run into insanity or death.

If you have any of these feelings do not neglect them, or they will end in paralysis, prostration, insanity or death.

As you value your life do not neglect these warnings. Time and experience have shown, and thousands of starting and marvellous cures have proved, that these diseases are perfectly and completely cured by DR. S. CLAY TODD, at the New Jewell Hotel, Calumet, Michigan.

Under the use of DR. S. CLAY TODD'S remarkable remedies all these symptoms yield as if by magic, and strength of nerves, vigor of brain, vitality of blood, and health of body are soon restored.

Ruptures in old or young people cured with medicines. No pain; no inconvenience; no truss; no syringe; no surgical operation.

All Can Be Cured if They Apply Soon

This young lady had lost all hopes of ever regaining her health. The skill of Dr. Todd and a little medicine start her on the right track; she says: I had ulcers in the stomach and liver, vomited alternating; I doctored with five doctors without relief, have been sick 4 or 5 years, the last year very sick, and had lost all hope of help. I had terrible thirst, felt if I could lie in the river and the water run right through me, I would be all right, my stomach was terribly bloated, gas and water raised in my mouth, great pain in the side and stomach and awful weak and nervous. I was taken to Dr. S. Clay Todd February 29 and he gave me one treatment and told me to return in three days and I would be better, and I feel so much better, I don't feel like the same person. I don't know when I felt so well and I do not vomit any more, or have to drink water, as I have no thirst; on the way home I began to get better notwithstanding the roughness of the roads, the pains all left me and have not since returned.

Terrible Backache Cured.

I had a terrible steady backache for four years without any let up at all; sometimes I could hardly straighten up. Could not ride in a wagon on account of the greater pain from the jar of the wagon and have walked rather than ride. I have now been under the treatment of DR. S. CLAY TODD, 16 N. Division street, Grand Rapids, Mich., ten days, and yesterday I rode twenty-five miles and nine miles today in a wagon without pain at all—the first time for four years. I would cheerfully recommend Dr. Todd to those who have great pains in their back.

CATARRH CURED.

Have You Catarrh?

Have you discharge from nose? Is the nose or throat sore? Have you pains over the eyes? Are your eyes watery? Have you a dry cough at night? Is there a continuous dropping of mucus in the back of your throat?

You can be cured quickly and permanently by Dr. S. Clay Todd, now at the New Jewell House.

Consumption Cured.

He said he felt very much discouraged and so did his friends and the physicians, who had done their best without being able to give him any relief. He says: "I had consumption since last September, failing very rapidly, employed three physicians without relief, until I was taken to Dr. Todd's office last Friday by my father and a friend. Dr. Todd gave me a treatment and told me I would be better the next day and I was very much better. The change took place at 2 o'clock that afternoon and I have been getting better rapidly ever since. Now, the third day after the treatment I have scarcely any of the burning pain in my lungs and I cough and raise but little. I am gaining in strength and feel better in every way. I feel like a new man. I even whistled a tune this morning."

LOHAN KEEN.

Deaf From Infancy.

He says: "When I was too small to remember they say I had a good deal of earache; I have been hard of hearing since I can remember. I have been under the treatment of Dr. S. Clay Todd since Feb. 5, 1896, and am pleased to say that I have been greatly benefited. I can hear ordinary conversation. I am 57 years old."

He - Is - Here!

Dr. S. Clay Todd at the New Jewell Hotel, Calumet, Michigan, is the man. No surgical operations, no instrumental appliances. No mechanical treatment.

Mr. Yaki says. "My son John, aged 11, had a very peculiar shaped head from birth, in the back part from side to side, 7 1/2 inches, from front to back of head 7 1/2 inches; forehead 2 1/2 inches wide and from side of forehead to side of back of head, almost a straight line. The poor boy was foolish, could not learn and never tried to study. Water came from his mouth which he tried to gather with his tongue. Under the treatment of Dr. S. Clay Todd from April 3 to April 25, his forehead is now 3 1/2 inches wide and the front of the sides of the head are rounding into a good shape."

Rupture in the Scrotum Cured.

Our little boy was cured of rupture in Scrotum by Dr. S. Clay Todd. We are so glad because Johnnie was always in so much pain, and cried all the time, but now his rupture is all gone and he is always happy and runs about and jumps and plays. Mr. and Mrs. JOHN PRINS, 198 Jennette St., Grand Rapids, Mich., March 21, 1895.

Stomach Troubles Cured.

Pains in stomach, belching wind. Raising water, food or gas. Pains before and after eating. Constant pains in stomach. Old or young people cured. Dyspepsia cured. Nervous dyspepsia cured. All stomach troubles cured by Dr. S. Clay Todd.

I had consumption—cough raised yellow phlegm, night sweats and got no permanent help from physicians—and could not eat anything. Three weeks ago I weighed 123 pounds. November 3 I began treatment with Dr. S. Clay Todd. Now I weigh 136 pounds and eat three good meals a day and feel first rate.
