

Calumet Team Won.

Saturday's Foot Ball Game An Exciting One.

The Score Stood 10 to 0.

Harrocks Played a Good Game, But Were No Match For the Home Team.

The foot ball game at the Athletic Park last Saturday afternoon between the high school teams of this city and Hancock was a fairly good exhibition of the game, but was a little too one-sided to be exciting and the local team had things their own way during the better part of the game, although the score was good and playing of both teams showed that they had good material, but were lacking in team work when they played on the defensive. This was noticeable in both teams to a certain extent, but more particularly in the visiting team.

The ground was in a bad condition on account of the snow and mud and the players were at a disadvantage on that account. Calumet kicked off in the first half and Hancock advanced the ball to about the center of the field where they lost it for failing to make gains. Calumet worked it to within the twenty-yard line and Lyons made a brilliant run around the center for a touchdown and Gilbert kicked goal scoring six points for Calumet. The ball was put in play again, but neither side made another score in this half and the score stood six to nothing at the end of the first half.

In the second half Hancock kicked off and Calumet got the ball and by good center and end plays made good gains until the ball was again near Hancock's goal and they finally scored another touchdown, but Gilbert failed in trying to kick goal on account of the wet ball and this left the score 10 to 0 and a short time to play. The second half came to an end with the ball in Calumet's territory but the outsiders were unable to score.

The Calumet team tried several new plays and worked the revolving tandem on the Hancock line for good gains several times.

The Hancock team played a good game when they had the ball, but showed a lack of practice in team work and their line went to pieces very easily. The team had some good material, Lynch, Mascn and Sheehan playing a good game. They lined up as follows: Center, Conway; left end, Hosking; right tackle, Wagner; right guard, McAskill; left guard, Chamberlain; left tackle, Mason; left end, O'Brien; quarter, Burkman; left half back, Furnier; right half back, Lynch; full back, Sheehan.

A CARD.

From Dr. Ira C. Williams to the Citizens of Houghton County.

To the Editor:—It gives me pleasure to announce to your readers that I have taken up my permanent residence in Calumet, and have assumed charge of the British Medical Institute, have recently been promoted to the position of chief consulting physician of that institution.

In thus announcing myself I think it is due to the public to state who and what I am. I was born in the city of Prattburgh, New York, in the year 1851, hence am 46 years old. I was educated at the Corning (New York) Free Academy, took a two year course in the University of Michigan, and graduated in 1873 from the Long Island College Hospital, of Brooklyn, New York, taking from it my degree of M. D. I was for several years a member of the Michigan State Medical Society, and at present a member of the Cheboygan County Medical Society, also an honorary member of the Jackson Academy of Medicine.

If this record, which is clear and unvarnished, commends me to the confidence and patronage of the citizens of Houghton county, I will feel more than repaid for this breach of the so-called medical ethics.

Having had over twenty-four years of experience in the active practice of my profession, and having devoted nearly all of that period to the study and treatment of all Chronic, Nervous, Special, and Sexual Diseases, I feel fully competent to treat successfully all cases entrusted to my care.

Invalids who suffer from Catarrh or Catarrhal deafness, male or female weakness, rupture or any diseases of the rectum, I can assure of a speedy and painless cure. I might with truth say that the diseases peculiar to men and women I have made the study of my life. Young men, the victims of their own follies, will, I hope, find me their friend and benefactor; and women bowed down with pains and weaknesses, from maladies peculiar to their sex, I especially invite to call upon me; my facilities for the successful treatment of their cases are, I believe, second to none.

My office is in the Agniz block, 439 Fifth street, Calumet, where I can be found every week day from 9 a. m. till 8 p. m. and on Sundays from 10 till 2.

Yours respectfully,
IRA C. WILLIAMS, M. D.

The British Medical Institute.

It affords us much pleasure to announce that the British Medical Institute has become a permanent fixture in Calumet and that Dr. Ira C. Williams, who has made so many friends in this vicinity, has been promoted to the position of chief consulting physician.

Dr. Williams has had twenty-four years of experience in the practice of medicine, is a graduate of Long Island Hospital, of Brooklyn, New York, class of 1873, is an honest, conscientious, and skillful physician. His specialty is the treatment of all chronic, nervous, and special diseases of both sexes, especially all catarrh affections of the nose, throat and lungs, diseases of women, and the special diseases of men.

From now until further notice, the doctor will give the deserving poor free treatment every week day morning 9 to 10 o'clock, at his office in the Agniz block, 439 Fifth street, and to those able to pay his charges are exceedingly reasonable.

He can be consulted from 9 a. m. till 8 p. m. on week days, and from 10 to 2 on Sundays. No better opportunity has ever been afforded the citizens of this country to avail themselves of the services of an honest and skillful physician.

Light Guard Annual.

The date of the Light Guard annual party is Thanksgiving eve and, although the event is several weeks away, preparations are already being made. The Light Guard intend to have their next annual fully up to the standard of the previous ones and will spare no efforts in that direction. The society people of the county have come to look upon the annual Thanksgiving ball of the Calumet Light Guard as the one society event of the year and the company has always put forth extra efforts to see that this dance was a big success.

At the last meeting of the company it was decided to leave the arrangements for the party in the hands of the entertainment committee appointed several weeks ago and to have this committee work in conjunction with a committee from the veteran corps of the Light Guard which was to include President J. N. Cox and two other members of that corps appointed by him. The committee met Saturday evening and planned the outline of the arrangements for the dance.

Free of Charge to Sufferers.

Cut this out and take it to your druggist and get a sample bottle of King New Discovery, for Consumption, Coughs and Colds. They do not ask to buy before trying. This will show you the great merits of this truly wonderful remedy, and show you what can be accomplished by the regular size bottle. This is no experiment, and would be disastrous to the proprietors, did they not know it would invariably cure. Many of the best physicians are now using it in most severe cases. It is guaranteed. Trial bottle free at D. T. MacDonald's drug store. Regular size 50 and \$1.

Bucklen's Arnica Salve.

J. F. Coon and William Rowe of Manistique, Mich., will open a first-class grocery and crockery store in the Harris building, corner of Hecla and Fourth streets, second door from bank in Laurium, about the 20th of this month. They have been in business for the last fifteen years and come among us highly recommended.

Services were held at the Red Jacket Congregational church again yesterday, after the church had been closed for three weeks undergoing repairs. The church has been recarpeted and the interior repaired and oiled. At the morning service yesterday the Daughters of Pocatantans attended in a body accompanied by the Salvation Army band.

Special services were held at the Finnish Lutheran church at the Hecla church yesterday, when the new pipe organ which was but recently received was dedicated to the service. Rev. D. Stalker, pastor of the Presbyterian church gave a sermon service. There was special music on the new organ for the occasion.

Chicago mail was delayed, three times last week by the Northwestern failing to make connections with the South Shore. The deer hunters are also credited for this. It is said that there are even more hunting along the line of the Northwestern than there are on the other railroads.

The exterior wood work of the Borgo block has been considerably improved in appearance by several coats of paint which were were put on last week.

WANTED—Eight steady boarders. Apply to John Thomas, over the old barracks, Pine street.

A young son arrived this morning to brighten the home of Mr. and Mrs. M. L. Riffner.

Mrs. Mary Downey of Franklin, is visiting friends in the city for a short time.

R. M. Edwards, returned Saturday from a short business trip to Chicago.
