

# The Duluth Excursion

## It Will Leave Calumet Next Friday Morning.

### Duluth People Are Preparing

A List of Amusements For the Large Crowd Who Will Take In The Excursion.

The steamer Christopher Columbus, which has been engaged by the Presbyterians for their excursion from Hancock to Duluth, has a government license to carry 3,000 passengers. Her length is 362 feet, 6 inches, beam, 42 feet; depth, 24 feet; speed, 21 miles per hour. Her cabin is 235 feet in length and is handsomely furnished throughout.

One cannot realize the magnificence of this steamer until an inspection, or the real pleasure of a trip on board of her is had. She is an ideal floating palace, equipped throughout with all the latest and safest improvements known to marine architecture. She is built entirely of high test steel, with double bottom, and is sub-divided into ten water-tight compartments, making the ship absolutely indestructible by collision, stranding or fire. She is supplied with an up-to-date electric lighting plant, with a capacity of 1,000 lights. She has a beautifully equipped cafe, in which are found all the luxuries of the season, in fact the accommodations all through are of such a character as to insure a most delightful pleasure trip. Steamer leaves Calumet's dock, Hancock, Friday morning, June 17, at 7:45 a. m., arriving at Duluth at 5:30 p. m. the same day. Returning it will leave Duluth at 12 o'clock noon, on Saturday, June 18, arriving at Hancock at 9:30 p. m., the same day. Fare for the round trip \$2.50. Special train leaves Calumet at 7 a. m., stopping at Osceola and Boston. The Lake Linden train leaves at 6:50 a. m., stopping at all way stations. Usual excursion rates on all trains. No intoxicating liquors sold on board.

**"In Cuba."**  
Tom Marks and his clever company presented the sensational war drama entitled "In Cuba," at St. Patrick's hall Saturday night and standing room was at a premium. The play is full of sensation, strong situations and climaxes. The large audience demonstrated their hearty approval of the play by repeated rapturous calls, and at the climax of the third act the entire company had to respond to the loud applause.

Tom Marks in the part of Denny McGinnis, the heroic Irish lad, brought hearty laughter at every appearance. Tom handled the part with ease and proved beyond question that he is at home in rough or neat characters. Thus his versatility is undisputed. His support was excellent, and each member did much to make the play a success. The specialties between the acts were well received. The company will remain one week longer, presenting a different play each night and they will no doubt have a full house as they deserve. The Dewey March rendered by Ella Marks was appreciated by all present. The prices will remain the same.—*The Progress.*

At 11:15 this morning Richard Hosking, one of Calumet's old citizens, passed beyond the great divide. Mr. Hosking has been a patient at the Calumet and Hecla hospital for the last fourteen months, until death relieved him of his sufferings at noon today. Mr. Hosking came to this country in 1865, and has been mining in Keweenaw and Houghton counties ever since. Three children are left to mourn his death, Mrs. T. J. Bell of North Tamarack, Mrs. Henry Sobey of Laurium and William Hosking. The deceased was a member of the Sons of St. George, under whose auspices the funeral will be held, at 2 o'clock, Monday afternoon, from the M. E. church, and the interment will be made at Lake View cemetery.

At a meeting of the Red Jacket Fire department held Thursday evening, it was decided to give a dance on the evening of June 15, for the purpose of defraying the expenses of the running team, who will participate in the tournament at Houghton next August. Tickets have been placed in the hands of Marshal Beck and anyone who is asked to purchase one should not hesitate but come up promptly with the price and help the boys along, as this is the first benefit they have given for some time, and send them to Houghton rigged out in first class style.

Mr. John Downey, an old resident of Hancock, was struck by a passing train this morning near Quincy street, Hancock, and badly hurt. Mr. Downey is a man about 72 years of age and very deaf. He did not hear the train coming and was struck by the cow catcher and hurled to the ground badly bruising his head and shoulders besides cutting off a couple of his toes. A doctor was quickly summoned and after an examination found that the injuries though very painful were not serious.

**Card of Thanks.**  
I take this mode of thanking the many neighbors and friends for their kindness

to me and mine during the sickness of my daughter Catherine and also at and after her death. More particularly would I thank the Ladies of the Maccabees who, although my daughter was not a member of the order, paid her so much attention during her sickness and who sent such beautiful floral offerings.

CATHERINE DOOLEY.  
Osceola, June 11, 1898.

A number of the young men at Laurium gave a complimentary party at Lanctor's hall last evening which was well attended and everyone present expressed the opinion that the Laurium boys are second to none when it comes to entertaining. Good music provided and everybody danced the light fantastic to their heart's content until 3 o'clock this morning.

A meeting was called last evening at Wilmer's hall for the purpose of making arrangements for a grand singers' festival or reunion to be held in this city some time during August. Owing to the absence of some of the members those present did not settle on a definite date, but will call another meeting next Thursday evening for the purpose of making definite arrangements.

Mr. Christ Schenk has made great improvement in his place of business on 6th street. The place has been all repapered in an up-to-date style and certainly reflects great credit upon the workmanship of Shannahan & Crowley, who did the work. The building has also been wired for electric lights and six chandeliers now ornament the bar room which makes a decided improvement.

Commencing next Monday evening Marks Bros.' theatrical company will play a one week's stand at the Opera House. This is the company that had to turn away people owing to crowded houses when they played here last summer.

Dr. H. Scott, late professor in one of the Chicago medical colleges, has leased the premises, 451 Fifth street, and is remodeling them into an office and operating room. His numerous friends and patients will please note the change.
