### CHAS. STELZE TO LECTURE AT CALUMET THEATER OCT. 17

Superintendent of the Presbyterian Department of Church and Labor Will Address Men's Mass Meeting Under the Auspices of the Y. M. C. A.—Admission Will Be Free.

Charles Stelze of New York city, superintendent of the Presbyterian department of church and labor, will address a men's mass meeting in the Calumet theater on October 17, at 8 o'clock p. m., under the auspices of the Y. M. C. A. Admission will be free, but in order to avoid overcrowding, it has been decided to issue tickets. These may be secured from the officers of the Y. M. C. A. shortly. Arrangements are also being made for reserved seats. That is, those who care to reserve their seats may do so by calling at the Y. M. C. A. some time next week, present the ticket of admission, and get it changed for a reserved seat. This will be done to avoid any confusion or unnecessary overcrowding.

The following from the Ohio State Journal, referring to a meeting addressed by Rev. Mr. Stelze, in Columbus, O., will be read with interest:

"Yesterday afternoon's assemblage in Memorial Hall was at once the greatest labor meeting and the greatest church meeting ever held in Columbus, and probably the greatest church-labor meeting ever held in any city in the world. Upwards of 7,000 persons gathered there to hear the apostle to the laboring man, Rev. Charles Stelze of New York, superintendent of the Presbyterian department of church and labor, in his address, 'Labor's Champion,' and the success of the meeting was attested not alone by mere numbers present, but by the deep interest shown and the applause which greeted some of the speaker's remarks. Governor Harris was present, and there was a distinguished company of churchmen, labor leaders, educators and eminent citizens in every walk of life."

### BIRTH AND DEATH REPORTS IN THE TOWNSHIPS IN SEPT.

Total of 63 Births and 20 Deaths in Calumet Last Month, and 17 Births and 4 Deaths in Osceola Township—Finns Lead in Births in This Township, Americans Second.

Township Clerk Thomas of Calumet reports a total of 63 births and 20 deaths for the month of September, while Township Clerk Sweeney of Osceola reports 17 births and only 4 deaths.

Calumet township's death rate is slightly below the average, as are the births. In Osceola township the birth rate is in excess of the month of August, while the death rate is about normal. The total number of births and deaths for the villages of Red Jacket and Laurium have already been recorded. That of Laurium shows that the death and birth rates are about equal. Something that has never happened before in the village, while Red Jacket's report is about on a par with others for the preceding eight months of the year.

In Calumet two deaths are recorded as the result of tuberculosis, a slightly smaller death rate from this disease than in the preceding months. There were four deaths from gastro-enteritis and two from cholera infantum.

Clerk Thomas has compiled the births by nationalities. The Finns as usual have a very strong lead, totalling more than one-third of the whole. American born rank second with 9 and the Austrians come third with 7.

The births in the township by nationality are as follows: Finns, 24; Americans, 9; Austrians, 7; Norwegian, and Canadian, 6 each; English, 5; Italian, 4; and Hungarian and Swedes, 1 each.

### DR. GRAHEK WILL LEAVE CALUMET FOR PITTSBURG

Dr. J. V. Grahek of this city, who won out in the competition for the office of examining physician for the Croatian National society, Saturday morning, at the windup of the tenth triennial convention, will leave Calumet for Pittsburg in order to better handle the office to which he was elected. This was one of the stipulations that influenced the delegates in voting for Dr. Grahek. He received just ten votes more than his next nearest competitor, a resident of Pittsburg, but a Hungarian by nationality.

Dr. Grahek was graduated in 1907 from the Northwestern university. Following his graduation he came to Calumet, where he practiced medicine on the staff of the Tamarack Mining company for one year. He then decided to practice in Red Jacket, and opened an office in the Calumet State bank building. His decision to leave Calumet for Pittsburg will be regretted by his many Calumet friends. During his residence here he has had charge of practically all of the Slovenian and Croatian fraternal societies of Calumet. His private practice is also extensive.

### AN OLD CALUMET SETTLER DIES AT HIS HOME TODAY

Timothy C. Lynch, one of the pioneer residents of Calumet, died at his home in Raymbaultown at 10:30 o'clock this morning, after an illness of three weeks duration. The deceased had been in the employ of the C. & H. Mining company for the past forty-five years and was well known in this city. He is survived by a wife, and several grown up sons and daughters, who are Mrs. Wm. Billedeux and Mrs. Patrick Downey of Tamarack, Mrs. David Simpson of Laurium, Mrs. Michael Cullinney of Houghton, Daniel and Timothy who reside at home and Patrick who lives in Minnesota. He leaves 19 grandchildren. The funeral arrangements have not been completed but it is likely that services will be held at the Sacred Heart church of this city on Wednesday morning, with interment in Lake View cemetery.

### KEARSARGE GIRL WEDS.

A very pretty wedding was solemnized Thursday evening, when Miss Kate Cornish, of the Kearsarge became the wife of Sidney Paul, formerly of Cornwall. Rev. S. Polkinghorne officiated at the ceremony, which was performed at the home of the bride. A number of the bride's relatives from Iron county points were present.

### SCHOOLS FARED WELL.

Manual Training Exhibit at Copper Country Fair Won Prizes.

The manual training department of the high school carried off more than its share of the honors at the Copper County fair, as did also the various grades of the local schools. In the shops, the blacksmith shop did exceptionally well, carrying away seven firsts and two seconds. Mr. Wilson, who has charge of this shop, came in for a good deal of praise, it being through his instruction that so many prizes were won.

The machine shop, under the instruction of Mr. Craze, won three firsts and two seconds, while the wood shop under Mr. Larson and Nyberg won one first and three seconds. All the awards in this shop were on lathe work. It is expected the wood shop would have won other prizes had more work been sent in, but owing to its recent change in quarters the instructors were unable to put much time to the exhibit.

### ALLEGED MOHAWK FORGERY.

Deputy Sheriff O'Brien arrested Mike Kozman on Wednesday on the charge of forging the check of Matt Cernic. Last Saturday a man now supposed to be Kozman presented himself at the office of the Mohawk Mining company. With the pay check belonging to Cernic, and received the check due Cernic, which he proceeded to cash at the bank here.

Cernic later on called at the office for his pay, and found that it had already been paid out. The authorities got to work and ascertained that Kozman was a roommate of Cernic's, and that there was a likelihood that he was the man who had secured and cashed the check. A preliminary hearing was held before Justice Barkla Thursday, when Kozman was put under bonds of \$500 to appear for further examination and to give the accused man an opportunity of securing counsel. The bonds were furnished and the prisoner is at liberty.—Keeweenaw Miner.

### Y. M. C. A. GETS TROPHY.

The Y. M. C. A. Athletic team has been presented with the pennant won in the recent labor day meet at the local association park. It is about two feet in length, of blue felt cloth, surmounted with a brass bar. The pennant has the following inscription on it: "County Athletic Meet, Y. M. C. A. Park, Sept. 6, 1909, Won by the Calumet Y. M. C. A. team. Ben McAuley, W. Nekervia, W. McKinnon, C. Gilbert, W. Roberts, J. Vogler, E. Kumbo, and George Dalgie."
