PARTRIDGE ARE SCARCE.

Hunters returning from Keweenaw and other points, are reporting indifferent success. There are a few birds about, but the number of hunters in the woods is so great that the birds are nearly all scared away. Many local hunters are going further afield for their sport. Many of them have gone into the iron country, where it is said there are a great number of birds. Just back of Nostria the birds are said to be plentiful and quite a few birds are also reported in Ontonagon and Baraga counties.

DEATH AT EAGLE RIVER.

Paul Jokela died at Eagle River Thursday morning. He was found sick in Charrier's barn in Mohawk several days before and was taken to the county seat and placed in the jail. Later, arrangements were made so that he was taken care of by John P. Moilanen. He was then removed to the Lantieri building on the lake shore

where he died. When brought from Mohawk to the jail, he was suffering from pneumonia which later developed into tuberculosis. He sank rapidly and nothing could be done to prevent death.

Attorney A. W. Kerr left yesterday afternoon for Iron Mountain. He will be the principal speaker this afternoon at a Columbus day celebration in the iron country town.

FUND FOR COLUMBUS STATUE HAS REACHED NEARLY \$1,000

Local Societies Interested in Movement Pleased With Success So Far and With One-Third of Required Amount Subscribed it is Believed Entire Sum Can be Secured.

The subscription fund for the Christopher Columbus statue, which it is proposed to erect in some suitable public place in Red Jacket, is steadily growing. Secretary Paul Tommel reported this morning a total of about \$1,000, or one-third of the required amount.

At Sunday's meeting of the Christopher Columbus fraternal society it was decided to donate \$100 to the fund. There are still several local Italian societies to hear from with regard to donations, and it is believed when all have replied that the fund will be even near the \$2,000 mark. All of the societies approached for subscriptions have stated that they will take the matter up.

The Italian ladies of Calumet are preparing for a grand bazaar to be held in Calumet during the month of January. Preliminary arrangements have already been made for this bazaar and it promises to be a mammoth affair. It is hoped to realize at least \$2,000 from this effort alone, the proceeds to be devoted to the statue fund.

At the next meeting of the local council, Knights of Columbus, the matter of making a donation to the fund will be considered. The proposition has already been brought before the council, but owing to the small attendance of members at the last meeting it was decided to postpone action until the next meeting.

The local Italian committee has secured 500 badges for sale today, and the receipts of this sale will be added to the fund. The badge contains a picture of Christopher Columbus, with the inscription, "Columbus day, October 12, 1492," directly over the portrait.

FOR THE ELKS' TEMPLE.

House Committee to Meet to Let Contract for Electrical Fixtures.

The chairman of the Calumet Elks' House committee has called a meeting for the members of this particular committee for today, for the purpose of conferring with a representative of an electrical supply house for permanent electrical fixtures for the Elks' temple.

If the goods and prices are found right, it is probable a contract will be let for the installation of permanent electrical fixtures both in the lodge room and other parts of the temple.

The new pool and billiard tables have been set up in the temple by the two experts of the Brunswick-Balke-Candler company, of Chicago, who are in Calumet for the purpose. The tables are among the finest in the copper country. The bowling alleys will now be installed and within a few days these should be ready. One of the best features of the alleys will be the automatic pin setters, the first of the kind in the copper country.

The pool and billiard tables, cue racks, ball racks and other paraphernalia on the lower floor of the temple have all been finished in the same color to harmonize.

The chairs to be used in the card and billiard rooms have not arrived as yet, while the permanent lodge furniture and the furniture for the parlor is yet to be received. This will soon be here, however, and when installed the temple will be one of the best and most convenient in the state.

There will be a special communication of Calumet lodge, No. 271 F. & A. M. Thursday evening, Oct. 14th, at 7:30 o'clock. Work in the M. M. degree. J. J. ELLER, JR., W. M. PIERCE ROBERTS, Secy.

SON DIES WITHIN WEEK OF HIS FATHER'S DEATH

After an illness which has continued since his return from the Butte mining camp last spring, Daniel Lynch died at the home of his mother, Mrs. Timothy Lynch, of Raybaultown, at 4 o'clock this morning, just one week since the death of his father.

Mr. Lynch was about thirty years of age, having been born in this city and a resident of Calumet until a few years ago when he went to Butte to work in the mines. His health became impaired and he returned to Calumet last spring, having made his residence in this city since that time. He is survived by a number of brothers and sisters, who are: Mrs. William Billedoux and Mrs. Patrick Downey of Tamarack, Mrs. David Simpson of Laurium, Mrs. Michael Cullinney of Houghton, Timothy who resides at home and Patrick who lives in Minnesota.

No funeral arrangements have been made but it is likely that the services will be held in the Sacred Heart church on either Thursday or Friday morning.

CONCERNING ROSS CRANE.

Cartoonist Who Will Entertain Here Has a Charming Personality.

Most people, if asked who is the most popular actress on the American stage would unhesitatingly answer "Why, Maud Adams;" and they would be correct. Maud Adams is a powerful illustration of the influence and charm of a winning personality. Her art is fine and strong, but others are as gifted as she; but her wonderful attractiveness lies largely in her delightful personality, which is but the outward expression of manifestation of her sweet, strong, gracious, womanly character.

On the stage, on the platform, in the pulpit, in business and social life a winning personality is a weapon of untold power. All may possess it for it is but the external dress of a fine character.

One of the most striking exponents of the power of a charming personality on the platform is the cartoonist Ross Crane. On this point Paul Pearson, editor of Talent, and Professor of English at Swarthmore college, waxed eloquent. He says:

"The one word which always comes to me regarding Ross Crane's entertainment is charming. It is the charm of the man's personality. We can't say why charm is charming only we know it is—and that is enough. There is a definite authority in his manner which one always recognizes when any work is done just right. I have heard him repeatedly and always with a feeling of satisfaction such as one experiences in hearing few people. There is no apparent striving for effect, no playing to the gallery, no insincerity. As a Lyceum entertainment I think an evening with Ross Crane brings one a realization of Kipling's phrase, 'All art is an effort to be sincere.' Ross Crane's entertainment is just that—it is sincere, it is artistic and it is Ross Crane. What Leland Powers is to the art of impersonation, what Dr. Gungaulus is to the lecture platform—Ross Crane is among cartoonists."

Ross Crane will entertain at the Calumet theater Thursday night under the auspices of the Calumet Y. M. C. A., the attraction being the first of the lecture course arranged by the Y. M. C. A.

WANTS GOOD ATTENDANCE.

Indoor Baseball Meeting at Y. M. C. A. Tomorrow Night Important.

Physical Director Sherwood of the Y. M. C. A. is hoping for a good attendance of indoor baseball players tomorrow evening in the local association gym, when a team is to be organized and other matters connected with the game discussed. The meeting will take place at 8 o'clock sharp. At 8:30 o'clock those present will get out for the first practice match. It is the intention, if enough players are present, to choose up sides and play a match game. It is likely that many followers of the game will be on hand, so as to get a line on the players. Practically all of last season's team are available this year, and the Calumet Y. M. C. A. indoor baseball team should be one of the strongest in the county.

GRAND THEATER PROGRAM.

The program of the Grand theater of Calumet for Tuesday and Wednesday evening, is a very excellent one, including the following choice films, "Queen of the Quarry," "Dog's Circus Rehearsal," "Two Lovers and a Coquette," and "Elastic Transformation." The songs to be rendered are, "When the Purple Shadows Tint the Golden Grain," and "No One Knows," by Joe Marshall.

ITALIANS ARE CELEBRATING THE DAY DESPITE WEATHER

While There May be a Curtailment of Parade Program Exercises in the Italian Hall Will Be Held as Scheduled—Big Dancing Party Tonight—Italians Loyal to Day.

Despite the inclemency of the weather the Italians of the copper country are observing Christopher Columbus day. While there will be a curtailment of the parade program, owing to bad weather, the exercises in the Italian hall will take place as advertised, as will the grand ball in the same place this evening.

The principal speakers at this afternoon's exercises will be Consul-Agent James Lisa and Attorney P. H. O'Brien, provided the latter is able to be present. There will be other addresses in Italian.

The old Red Jacket band and the Laurium village band have been engaged to take part in the parade, if one is held, while the Laurium band will furnish music for dancing this evening. Included in the parade arrangements are the Carlo Botha society, the members of the Club Alpino, the Calumet and Hancock branches of the Italian Citizens' league, the Red Jacket and Laurium Garibaldi societies, the Italian Beneficenza society, the Christopher Columbus society, the Giuseppe Giusti society, the Ettore Ferroni, and the Italian lodge of the Modern Maccabees, all of whom have received invitations to take part, and practically all have accepted.

The Italians are loyal to the day. A large number of them have obtained a holiday from the local mining companies, and several of the more patriotic did not send their children to school.

Calumet Council, Knights of Columbus, will also observe Columbus day with a card party in the Gately-Wiggins' hall this evening. Only members and their lady friends are eligible for admission.

WILL ATTEND INSTITUTE.

Several of the Calumet teachers in the school districts, Nos. 1 and 2, are planning to attend the Institute of the Upper Peninsula Educational association, which is to be held at Ishpeming this week, beginning Thursday morning. Miss Lucy Browning of this city, is chairman of the kindergarten department, while Supt. H. E. Kratz and Miss Anna Schurtz, head of the domestic science department, will give interesting papers.

ODD FELLOWS TO SOO.

Local Odd Fellows are planning to attend the state convention to be held at the Soo next week. The business men at the Lock City are making elaborate preparations for the entertainment of the visitors, and it is believed there will be a very large attendance from all over the state. Provided there are enough local Odd Fellows to warrant it, a special car will be provided by the South Shore road.
