

AL. PRIMROSE IS IN TOWN; TALKS ABOUT HIS BROTHER

George H. Primrose, who will be here on evening of Oct. 30 with his minstrel show, is now the oldest minstrel artist on American stage—was here thirty years ago.

Al. Primrose, brother of George H. Primrose, the famous minstrel man, whose company is to appear at the Calumet theater Saturday evening, Nov. 20, is in the city today in advance of the show.

Mr. Primrose said that he could safely lay claim to the pedestrian championship, as he has made two trips around the world, carrying a cane, wearing a silk hat and marching to the music of a brass band.

Speaking of his brother yesterday, Mr. Primrose said that he could safely lay claim to the pedestrian championship, as he has made two trips around the world, carrying a cane, wearing a silk hat and marching to the music of a brass band.

Mr. Primrose has been owner or part owner of a minstrel show for the past thirty years. The first company in which he was financially interested, traveled under the name of Harlow Wilson & Primrose.

and appears nightly in the first part, also in his famous dancing specialty. Besides owning a mansion at Mount Vernon, twelve miles from Broadway, N. Y., he also owns several business blocks in New York, a large ranch near Portland, Ore., and a summer resort at the Thousand Islands.

Mr. Primrose said that he could safely lay claim to the pedestrian championship, as he has made two trips around the world, carrying a cane, wearing a silk hat and marching to the music of a brass band.

Mr. Primrose is said to have an excellent company and special scenery to meet for the various acts. Among his principal performers are the Ward Bros., who told the Richard K. Fox meals as championship team dancers of America.

BUILDING IS DELAYED.

Owing to the lateness of the season, it has been decided that no effort will be made to commence work upon the new business block on the corner of Oak and Seventh streets, the former location of the Griddle residence, this year.

Frank Sotolly left yesterday afternoon for Chicago and other cities. Dr. M. A. Thomast of Calumet returned home yesterday from Globe, Arizona, and Illinois, he having visited friends in the latter state.

DATE FOR BIG WRESTLING TOURNAMENT CHANGED; NOV. 20

Best Known Men in Cornish Style Will be Brought Together at the Calumet Theater—Three Hundred Dollars in Prizes and a Gold Medal, Symbolic of Championship, to Winner.

Calumet wrestling promoters have made arrangements for a big Cornish wrestling tournament, to take place at the Calumet theater on November 20. The details of the big event were decided upon yesterday, and although it was first planned for November 27 it was finally decided November 20 would be the date, and the theater has been engaged.

In addition to the fine string of prizes which have been hung up, an ardent supporter of the game in Calumet has expressed a willingness to donate a gold medal, valued at \$100, symbolic of the wrestling championship of the world, to the winner.

The entries that have already been secured for this big meet, include some of the foremost wrestlers of the entire country. Jack Rowett, the Bessemer game warden and veteran wrestler, has announced that he will certainly be present, and among the others will be Wm. Jones, who is considered by many to be of championship caliber still, despite the fact that it is five years since he has donned the jacket.

Jack Carkeet May Come. The entries that have already been secured for this big meet, include some of the foremost wrestlers of the entire country. Jack Rowett, the Bessemer game warden and veteran wrestler, has announced that he will certainly be present, and among the others will be Wm. Jones, who is considered by many to be of championship caliber still, despite the fact that it is five years since he has donned the jacket.

Will Start Early. It is proposed to have the big meet start early in the afternoon so that there would be no danger of its not being finished by midnight. As all of the men will be in the heavyweight class, there should be no difficulty in arriving at standards, and the events should be pulled off in rapid succession.

The Prize Money. The \$300 in prizes which have been hung up will be distributed as follows: First, \$125; second, \$65; third, \$40; fourth, \$25; fifth, \$20; sixth, \$20; seventh, \$15; and eighth, \$10.

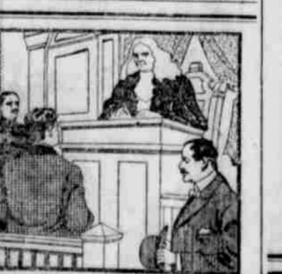

SPECIAL RATES FOR ELKS.

At the regular meeting of the members of Calumet lodge, K. P. O. E. held at the temple on Wednesday evening, an invitation was read from the Duluth lodge to attend the dedication exercises that have been prepared for their new temple on Friday and Saturday, October 29 and 30. The invitation was directed to the members of the lodge, but included the members of the Calumet lodge, and it is expected that a large delegation from each lodge will attend.

The D. S. S. & A. railroad has arranged a special rate of \$19 for the round trip to Duluth from all parts of the copper country for those who desire to attend. It is expected that two separate parties will be organized and that special cars will be provided for the Hancock and Calumet delegations. Tickets will be on sale on Oct. 27 and 28, good for return on Nov. 1.

E. church under the auspices of the Temple of Honor, of Trimonium, Painesdale and Battle. The lecture will open at 8 o'clock standard time, and it is expected that it will be a very interesting one.

On Sunday morning, he will conduct the services at the Lake Linden M. E. church, and on Sunday afternoon at 4 o'clock he will conduct a big mass meeting at the Calumet M. E. church. Sunday evening he will preach at the Hancock Congregational church. All of the lectures in the copper country will be free, and a large attendance is desired.

NEW DISTRICT POSSIBLE.

Rev. D. D. Stalker of Calumet has returned from Cadillac where he attended the meeting of the Michigan synod, that gathering being on the seventy-fifth anniversary of the organization of the Presbyterian church in this state last week. Among the most important matters before the synod was the consideration of a redistricting of the Presbyteries in the state. At present there are nine Presbyteries in Michigan, and it is proposed to increase that number to at least 11 and possibly 12. The districts at present are the same as those arranged forty-five years ago, and in many sections the territory has grown so large that more satisfactory work can be carried on if districts are divided. It is possible that a second Presbytery will be set aside in Upper Michigan. This matter has been placed in the hands of a committee which will consider it thoroughly and report at the synod meeting next year.

WANT POLICE OFFICERS.

It is altogether likely that at the next meeting of the Calumet township board petitions will be received from Florida, Copper City and Renova locations for special constables or police officers. These locations have grown so rapidly that they are now in need of police officers, and although a constable now resides in Florida location, the assertion is made that another officer is needed. The matter was brought up at a meeting a short time ago and was tabled.

NEW PASSENGER AGENT.

E. H. Leppert, traveling passenger agent of the Michigan Central, Big Four and Lake Shore, Michigan and Southern railroads is a visitor in the copper country on business for a few days. Mr. Leppert succeeds J. S. Willebrandt, who has been promoted to the position of general agent of the same roads, with headquarters at Omaha. Mr. Leppert will have his headquarters at Milwaukee.

LAURIUM

VILLAGE HAS BORROWED ONLY \$2,500 SO FAR; THIS YEAR

Unless Balance of Sidewalk Taxes Are Soon Paid, However, it Will Be Necessary to Borrow More Money to Meet Expenses—Ten Thousand Dollars in Taxes Are Due.

During the present year Laurium has borrowed only \$2,500 to meet expenses. This is the first year that so small a sum has been borrowed so far to meet the expenses of the village, and if the sidewalk taxes are paid promptly it will not be necessary to borrow more funds.

The village has had sidewalk work done this summer amounting to \$14,000. Practically all of this amount is charged up to property owners, and only \$4,000 has been collected to date.

At the next meeting of the council this question will probably be brought forward and the clerk will likely receive instructions to get in all of this amount as soon as possible. It behooves property owners to pay up these sidewalk charges as rapidly as they can, otherwise it will be necessary to borrow money to meet the outstanding bills, and this added interest will be charged up to the taxpayers. The village is not at all anxious to take this step, and is hoping that those who owe the village will pay up soon. The amount of sidewalk work that has been done the past summer has been for the general good, improving the village's appearance and making it present a more metropolitan air.

WEDDED LAST EVENING.

Miss Sadie Warnicke and Capt. Jesse Meads are married.

The wedding of Miss Sadie Warnicke, daughter of Mr. and Mrs. Charles Warnicke of Red Jacket, to Capt. Jesse D. Meads of Company A, Engineers, was solemnized last evening at the bride's home. Rev. N. J. Forsberg, pastor of the Swedish Lutheran church, officiated.

The wedding was a quiet one, only the immediate relatives and friends being present. The groom was accompanied by his three associate officers, Lieuts. Penberthy, MacDuff and Wilmer. Miss Edith V. Meads of Crystal Falls, sister of the groom, acted as bridesmaid, and Clarence Pitman was best man. The bride was given away by her father.

Both the groom and his wife are well known Calumet residents, where they were born and raised, and are extended hearty congratulations and well wishes. They have been made the recipients of many valuable and useful presents. They will make their home with the groom's parents, on Willow avenue, for the winter.

DEATH OF OLD RESIDENT.

The death occurred about 9 o'clock last evening of Mrs. Hector MacKenzie of Caledonia street. Death ensued after a short illness. The decedent was aged about 55 years, and was well and favorably known in this township. She is survived by a husband, and several children. The children are Mrs. Thomas Daley of Western Canada, Hectorina, William, Herbert, John, Howard and Jessie and Irma. Arrangements for the funeral will be completed as soon as word has been received from Mrs. Daley, in Canada.

The late Mrs. MacKenzie was born in Scotland coming to Kincardine, Ont. when a child. After spending some time there, she came to Calumet about 24 years ago and has resided here ever since. Her demise is sincerely regretted by a large circle of friends.

VILLAGE TAX COLLECTIONS.

Up to last evening Village Treasurer Frank Baggiore reported a total tax collection in the village of Laurium of \$22,000. This leaves a total of \$14,000 to collect. Bills to delinquent taxpayers are being mailed today, the first to be sent out. It is expected that these will have a good effect, and that a large collection will be reported during the next few days.

The members of Vivian Hive will meet in their hall this evening to make arrangements for the funeral of Mrs. Hector MacKenzie.
