WHY HOUGHTON CO. SHOULD HAVE NEW OR BETTER JAIL

Reasons for Better Accommodations at County Bastille as Set Forth in Communication From Secretary of State Board of Corrections and Charities to Supervisors.

Before many more years pass by, Houghton county will have a new jail. That is if the report and recommendation of the state board of corrections and charities has any effect. The plan which is being most discussed is the erection of a new jail and the fitting up of the old part of the county building used by prisoners for office purposes.

The matter of this new county jail will probably be brought to the attention of the supervisors at their next monthly meeting.

The communication of the board of corrections and charities says:— "To the board of supervisors of Houghton county:—

"At a meeting of the state board of corrections and charities held on the fourteenth instant, a report of the visit to your county jail by a representative of this board was made and I am directed to advise you that it is the unanimous opinion of this board that a new jail should be provided or an addition made to the one in use at the present time. The jail is entirely inadequate for the present needs of the county, and except for extra precaution used by the management the jail would be unfit for occupancy.

"The balcony cells in the cage on the first floor, in which four convicts are confined in each cell, with barely enough room to turn in are totally unfit for use.

"The cells are equipped with canvas stretchers, two deep and two high and at times it is necessary to put four men in such cell.

"You are entitled to special commendation for the facilities provided for the handling of juvenile cases, and the infirmary maintained by your county is such that you have reason to refer to it with pride; but your jail is very much below par and it is urgently recommended that this matter be given prompt and careful consideration by your board.

Yours very truly,
M. F. MURRAY, Secretary.

H. P. DUTTON RESIGNS.

H. P. Dutton, sales manager for the Worcester Lumber company at Chassell for the past eleven years, has resigned his position. His resignation takes effect Dec. 1, at which time he will assume the management of one of the largest wholesale lumber concerns in Chicago.

PARLAND NEWHALL COMPANY.

Second Attraction of Star Lyceum Course here Nov. 23.

The second attraction of the star Lyceum course of Houghton will be a musical one, the Parland Newhall company being engaged to appear at the Kerredge theatre Nov. 23. This company retains the place as the leader of all similar musical organizations in the country. It is one of the great headliners of the Mutual list, that now leads all others in the selection of great attractions which are acknowledged the best. The bell ringing of the members of the troupe can not be surpassed. This feature alone has raised it from the characterization of an entertaining novelty to a musical attraction of the highest order.

COW CASE IS SETTLED.

Poundmaster Englebert of Houghton is vindicated in Court.

The quite famous Moon-Englebert cow case, which attracted so much attention in Houghton and Hurontown, the bones of the two contending parties, was settled yesterday afternoon in Justice Little's court in favor of the defendant. Mr. Moon instituted replevin proceedings against Mr. Englebert to recover his cow which had been impounded by Englebert acting in his official capacity as poundmaster of Houghton. The contention of the poundmaster that he was in discharge of his duties when he impounded the bovine was upheld by Justice Little and Moon was forced to pay the costs of the argument.

DEER SEASON OPENING FINDS MANY HUNTERS IN WOODS

Number of Parties From Houghton and Range Towns Have Left and Are Going to Different Camps Along the Line of Copper Range Railroad—Law in Regard to Transportation.

The open season for the hunting of deer in the state of Michigan began at 12 o'clock last night. Already a large number of hunters from all parts of the copper country are in the woods, having gone Monday and Tuesday to be ready the minute the open season arrived. Today found many more hunters buying paraphernalia and departing for different camps.

The law says in regard to the sale of and also the transportation of deer that: "No person shall by himself, his clerk, servant or agent, expose or keep for sale, or directly or indirectly upon any pretense or device, sell or barter, or in the consideration of the purchase of any other property, give to any other person any deer nor shall any person or persons, or any corporation acting as common carrier, its officers, agents or servants, ship, carry, or take, either within or beyond the confines of this state any of the protected animals including deer. It is provided, however, that it shall be lawful to ship and any transportation may lawfully transport either within or beyond the confines of the state any such animal or portions of animals which may be consigned at any station in this state to any consignee in this state where the nearest railroad route from such shipping point to any such destination within the state leaves the confines of the state and re-enters the same."

The number of non-resident deer licenses issued by County Clerk Richardson was raised to four yesterday when a permit to hunt was granted to Rene Swift of New Haven, Conn. Mr. Swift accompanied by his nephews, Leigh and Paul Swift, of Houghton, John McBeha, Charles Mills and J. N. Haas, left last evening for the Swift camp near the Sturgeon River for a two weeks' hunt.

The number of deer licenses issued by the County Clerk is now rapidly nearing the high water mark of sixteen hundred made last year. Twelve hundred have been issued so far. As there yet remain several weeks during which there will be a demand for licenses, it seems as if the record established a year ago will be equalled.

ANOTHER RANGE WRESTLER.

Heitakangas, One of Tournament Stars, Locates at South Range.

The name of another wrestler has been added to the long list of catch-as-catch-can artists now residing at South Range or in the immediate vicinity. This person is Heitakangas, one of those who participated in the tournament conducted recently at Hancock. He is seeking to fill Lehto's shoes as the star wrestler on the range and will shortly become a member of the Hulima club, the athletic organization existing at South Range. This club has a large number of performers on the mat and excellent training is had by the constant arranging of different matches.

LEHTO HAS ASPIRATIONS.

South Range Wrestler is Preparing to Contest for Titles.

No more of the smaller fry for Karl Lehto, the South Range giant, who so easily took first money in the catch-as-catch-can wrestling tournament conducted in the Kerredge theatre last week. Karl is after the bigger game and from this time on, his aim will be to secure the scalps of some of the wrestlers touted as wonders and world beaters.

CONFLICTING AUTHORITIES.

Supt. Marks of Soo Hatchery States Whitefish Are on Increase.

Authorities conflict as to whether whitefish in Lake Superior are on the decrease or not. The small fishermen from the entry who make regular weekly visits to the Portage lake waters state that the past year has been a hard one for them and that the fish do not abound in such quantities as in years past. This argument is denied by one of the officials of the Soo hatchery.

Supt. Harry H. Marks of that institution in a communication states that instead of growing scarcer, whitefish are becoming more plentiful. During the past year, whitefish have increased one-third, according to this authority. Also, he says, an instance of the benefit of hatcheries may be seen in Lake Erie. Because of the numerous hatcheries located on the shores of that body of water, fishermen there have caught more whitefish during recent years than have been taken from the rest of the great lakes combined.

TEMPLARS WILL BANQUET.

First Anniversary Celebration of Palestine Comandery Tonight.

The members of the Houghton Palestine Comandery, No. 48 Knights Templar, in conjunction with other knights from all over the copper country, will this evening commemorate the first anniversary of the constitution of their lodge with the largest body of Knights Templars ever assembled at one time in copperdom. There is no official program but Toastmaster McLaughlin will call on a number of the Templars to respond to different subjects.

MEMONINEE IS DISGRUNTLED.

Defeated High School Football Players Not Recovered From Reverse.

There is weeping, wailing and gnashing of teeth in Menominee as a result of Houghton's victory over the high school football eleven from that burg. Menominee people attribute their defeat to a decision of the referee.

The following from the Menominee Herald-Leader will be of interest:—

Outplaying and outclassing their heavier opponents in every stage of the game—the sturdy little Menominee eleven went down to defeat in the last minute of play, having the game won in one of the most unusual decisions in the history of football. It was a hard victory to lose on a fluke, especially after having the game within their grasp.

Benesh carrying the ball, had advanced to within fifteen yards of Houghton's goal. There was but little over a minute to play and the enthusiastic crowd was shouting for a touchdown. Benesh, when downed, was up like a shot and the Menominee team was preparing to line up again, when Haas, of the Houghton eleven, picked up the ball and sprinted the length of the field for a touchdown. Everybody was nonplussed until the explanation came that Packard, the referee, had not blown his whistle, and that therefore the ball was not dead. Capt. Penberthy and Coach Rawson and Haggerson protested against the decision, but Packard held to the decision that the touchdown was valid, and with that decision Menominee's hopes for an upper peninsula championship went glimmering.

Referee Was to Blame.

Packard's decision may have been technically correct. It is such an unusual and obscure situation that it is hard to dispute it, but even though it was, the blame rested upon him for his negligence in blowing the whistle. Realizing the importance of the contest and the fact that there remained, but a minute or so more to play, he should have paid closer attention to what was occurring, and been ready with his whistle the moment the man carrying the ball was tackled. Previous to the decision his work was eminently fair and it is thought he regretted his carelessness that resulted in a victory for the Houghton boys as much as anybody.

All Credit Due Menominee.

But in spite of the fact that Houghton eliminated Menominee from the championship of the upper peninsula, those who saw the game give all the credit due the local warriors. Outweighed twenty pounds to the man in nearly every department, the local high school outplayed, outclassed and outnerved their bulkier opponents. After the first few minutes of play they began presenting an impenetrable defense to the bulky line of the copper country boys, and until the last minute of the game held them at bay. The ball, after the first fifteen minutes of play, was never in dangerous territory as far as Menominee's goal was concerned. Once in the second half it came near Menominee's goal but was booted out by a beautiful kick with Benesh behind the leg.

At a meeting in Hotel Menominee, at which Supt. Shives, Paul Penberthy, captain of the Menominee team; Roy Campbell, manager; Francis Wall, referee, and Packard, referee of Saturday's game, were present, the play which caused the defeat of Menominee was discussed. Packard admitted that he was not informed on it when he made the decision, and would gladly have it told over again. Houghton was called up on the telephone and asked if they would consent to playing the game over again if all their expenses were paid down here and they were allowed to use their own officials. They refused to do this, and the local team will now challenge the winner of the Houghton-Ishpeming contest. The two teams will meet next Saturday.

HOUGHTON AND ISHPERING PLAY FOOTBALL SATURDAY

Houghton and Ishpeming Manager Blais of Houghton High School Eleven Has Received Telegram Stating That Ishpeming High School Team Will Be Here Saturday to Play for the Championship.

The final game for the high school football championship of the upper peninsula will take place at the Hancock driving park next Saturday. A telegram was received yesterday by Manager Blais of the Houghton team from the manager of the Ishpeming eleven stating their willingness to play at Houghton Saturday. A reply was asked for and Manager Blais will telegraph to Ishpeming that this arrangement is convenient to Houghton.

Houghton is practicing hard and will be in the best condition. This will be the first opportunity copper country followers of high school football will have had to witness a championship battle since two years ago when Escanaba defeated Hancock by the narrow score of 11 to 5.

A reception and entertainment is being planned by the Houghton high school people for Ishpeming Saturday evening, after the game, a dance will be held by the high school people in the Citizens' bank hall and luncheon will be served by the high school girls.

Other Sporting Notes.

In connection with high school football, the answer of the captain of the Houghton Light Infantry football eleven to the demand of the Naval Reserves for another game may be published. He says: "It was the intention when the game was arranged that the event should be an annual affair between the two military organizations. One game each year is to settle the differences between the clubs. We did not imagine that the games would provide any hard feelings although we are well aware of the fact that Hancock had the better team and deserved to win, but luck was against them. At any rate, we will not play again this year and will abide by the arrangements as first drawn up."

LEINNONEN ON TRIAL.

Jury Selected by Attorneys in the Case This Morning.

The attention of the court this morning was occupied entirely with the selecting of the jury for the trial of Charles Leinonen, charged with murder. The alleged crime occurred the evening of Aug. 25 on Pine street, Calumet. During a row Herman Mattson was seriously injured so that he died shortly after in the Calumet hospital. Leinonen, one of the disturbers of the peace who was brought to trial on the charge of murder, pleaded guilty to manslaughter and was sentenced to from one to fifteen years at Marquette. He has been brought back to Houghton to testify against Leinonen, who is alleged to have participated in the trouble. The hearing of evidence began this afternoon.

HOTON BREVETIEG.

A daughter was born recently to Mr. and Mrs. John Dexter, of Baltic. A dance is to be given Saturday evening in Forster's hall at Atlantic. Kingham's orchestra of Houghton will furnish the music.

Fred W. Corbett, the prohibition sorcerer who spoke at the Houghton M. E. church last Sunday evening, will talk Friday evening in the South Tangle Finnish hall.

A small blaze in the Houghton store of the Lakeside Floral Co. caused a fire alarm to be turned in. The flames were easily extinguished and the damage done amounted to only about \$15, the woodwork about a heating plant having been somewhat scorched.

Applications were made yesterday to County Clerk Richardson for full citizenship papers at the Embassy term of circuit court by the following: Lars John Somere, Finnish, residing in Atlantic, coming to America in 1883, through the port of Boston, and Oscar Druggie, an Atlantic Swede, who entered this country by way of New York in 1905.

Two more students from China have entered the mining college. These are G. H. Ho and N. C. Shih, of Canton. Another of the citizens of the Flowery Kingdom, R. U. Wong, is taking up a course at the college, having entered at the beginning of the fall term.

Thiel Robertson, the Houghton boy who was brought back recently from Valparaiso, suffering with appendicitis, is reported improving rapidly at St. Joseph's hospital where he was taken for treatment.

The funeral of Mrs. Emortane Normand, who died Sunday morning, was held yesterday with services at St. Ignace church and interment in Forest Hill cemetery.

Robert H. Taylor of Sault Ste. Marie, United States Immigration inspector, is in Houghton on business.

Harry Overy, professional instructor for the Portage Lake Golf club, W. H. Bertrand, Royce Bertrand and William Latterell are at Skanee

HOUGHTON AND ISHPERING PLAY FOOTBALL SATURDAY

Houghton and Ishpeming Manager Blais of Houghton High School Eleven Has Received Telegram Stating That Ishpeming High School Team Will Be Here Saturday to Play for the Championship.

The final game for the high school football championship of the upper peninsula will take place at the Hancock driving park next Saturday. A telegram was received yesterday by Manager Blais of the Houghton team from the manager of the Ishpeming eleven stating their willingness to play at Houghton Saturday. A reply was asked for and Manager Blais will telegraph to Ishpeming that this arrangement is convenient to Houghton.

Houghton is practicing hard and will be in the best condition. This will be the first opportunity copper country followers of high school football will have had to witness a championship battle since two years ago when Escanaba defeated Hancock by the narrow score of 11 to 5.

A reception and entertainment is being planned by the Houghton high school people for Ishpeming Saturday evening, after the game, a dance will be held by the high school people in the Citizens' bank hall and luncheon will be served by the high school girls.

Other Sporting Notes.

In connection with high school football, the answer of the captain of the Houghton Light Infantry football eleven to the demand of the Naval Reserves for another game may be published. He says: "It was the intention when the game was arranged that the event should be an annual affair between the two military organizations. One game each year is to settle the differences between the clubs. We did not imagine that the games would provide any hard feelings although we are well aware of the fact that Hancock had the better team and deserved to win, but luck was against them. At any rate, we will not play again this year and will abide by the arrangements as first drawn up."

Trouble seems to be brewing among the members of the Houghton Light Infantry team. After opening the season in a most auspicious manner, the boys have had an internal disagreement and several members of the team have threatened to quit playing.

AUTO RECORDS ARE BROKEN.

Chevrolet and Strang Take Opening Honors on Atlanta Speedway.

Atlanta, Ga., Nov. 10.—Louis Chevrolet, in a Buick car, at the opening of Atlanta's new two-mile speedway yesterday, won the 200-mile stock chassis race, averaging about 72 miles an hour. He won in 2:49:48, lowering Burman's mark of 3:24:12 4-10 made at Indianapolis.

Two of Barney Oldfield's records were lowered, one of them by Louis Strang, who, in a Fiat, reduced Oldfield's one-mile mark of :43.1 by more than five seconds.

The second of Oldfield's records to

be beaten was in the ten-mile handicap, when John Aiken, in a National Sixty, starting from the scratch, forged to third position in a field of eight cars in :08:02.1. Oldfield, who made the distance at Indianapolis in :08:15.9, also started from the scratch in this contest, but broke a steering knuckle in the first lap and was compelled to withdraw.

Why it Pays To use CALUMET

INSTEAD OF CHEAP AND BIG CAN BAKING POWDER

You simply cannot get as good results from the cheap and big can kind—the baking cannot be as evenly raised—it cannot be as delicious—it cannot be as pure and wholesome—because the quality is not there. And it cannot be any more economical. Calumet is medium in price—the standard 1-lb. size can costs 25c. Less of it is required and the baking is certain to be better. Try one can—if not satisfactory your money will be returned.

Calumet Received Highest Award—World's Pure Food Exposition. FREE—large handsome recipe book. Send for and also found in pound cans.

The Cheap and Big Can Kind

In this can you get more substance but not more baking powder. It is great in quantity only—not in economy—not in satisfaction.

No Extra Strain. Highblower (to prospective buyer)—"Seventy-five dollars a month? Why that's all I pay my bookkeeper!" Butler—"But he doesn't have to associate every day with your family, sir!"—Puck.

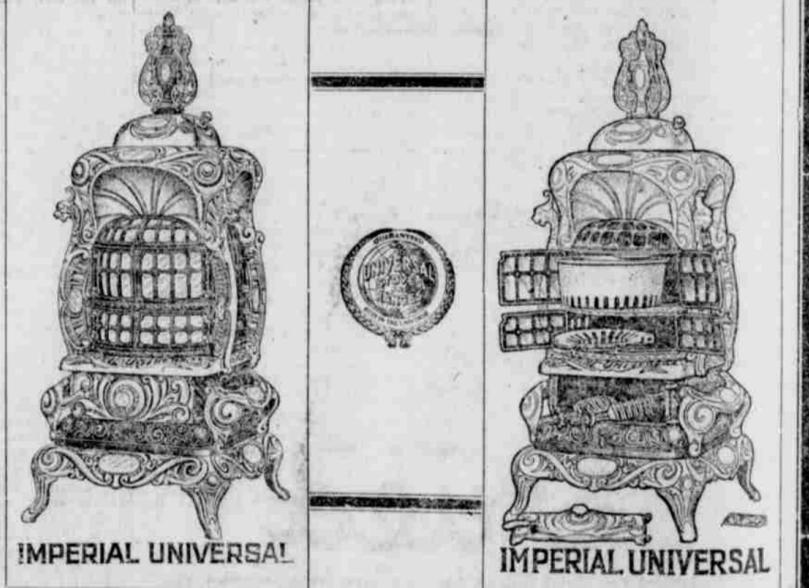

By Degrees. "Hubby, do you like my new hat?" "I guess I can learn to like it" answered hubby, after viewing the latest effect.—Louisville Courier-Journal.

Buy Your Stove Now

The Universal Three Flue Base Burner

BEFORE you buy a heater we want to show you the **Imperial Universal Base Burner**. This heater has three back flues and three base flues, besides the double heating flues that take the cold air up from the floor.

More Radiating Surface by actual measurement than any other heater on the market. Consequently the most powerful heater, as well as the most economical. A guarantee bond with every **Universal**.

The Imperial Universal

Has many special features and advantages not found in any other base burner. It embodies every modern and practical feature worth having.

We guarantee the Imperial Universal to have better flue construction and more direct radiating surface than any other base burner which is the only true method of measuring a heater.

Note the Illustration Above

The Revolving fire pot, extra heavy and deep, almost straight, giving extra large grate surface, can be removed through upper front of mica door opening. Shaking ring can be removed through lower front mica door. Duplex grates can be removed through ash pit door. It is not necessary to remove fire pot in order to remove shaking ring or duplex grate.

INDIGESTION, GAS, HEARTBURN AND ALL MISERY FROM A BAD STOMACH VANISHES

A Little Diapiesin Makes Your Out-of-Order Stomach Feel Fine in Five Minutes—Stops Food Fermentation and Regulates the Digestion, Curing Stomach Trouble Forever.

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia or out-of-order stomach is merely a matter of how soon you begin taking some Diapiesin.

If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.

People with weak stomachs should take a little Diapiesin occasionally, and there will be no more indigestion,

no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach or belching of undigested food, headaches, dizziness or sick stomach, and besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved five minutes after taking a little Diapiesin.

Go to your druggist and get a 50-cent case of Pape's Diapiesin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know
