services at Negaunee on Sunday. He said in part as follows:

"This is the sacred day, set aside by those who ordained our fraternity, to consecrate the memories of our absent brothers. In all parts of our country members are assembling before the altar of our brotherhood, to pay their solemn tribute of respect to those who have gone to their eternal rest.

"They have often told us that life was made for the living and 'Why should memory welled with gloom And like a sorrowing mourner croud, Sit weeping o'er an empty tomb?'

"The beautiful message of this occasion, bequeathed to us by those who have passed into the great hereafter beyond, is recalled in the memory of their lives, which they continue to lead in the hearts and minds of those who knew and loved them.

"The immortal Nazarene has said: 'Though I speak with the tongues of men and angels and have not charity, I am becoming as sounding brass and tinkling symbols; We have been taught that this the noblest purpose of our organization—that we have no asset so real as that which we have given away, if it be given to those who are worthy and deserving.

The Holiday Season It is a well established custom for the people of the Copper Country to remit large sums at this season to the old homes in Europe. This movement of money grows with leaps and bounds as the years pass. Our old customers, who have always bought their drafts and money orders at this bank know the advantage of it, but some who do not know the bank's methods need enlightenment. But what's the use of talking! The only way to judge of the way of our ability to serve is to try us. We promise quick service, absolute safety, and certain delivery. Our whole capital and credit stands behind every transaction. The young man at the window is very obliging. We make cable and telegraph transfers also. Come in and try us. Faithfully yours, The First National Bank OF CALUMET

EXTRA HELP IS NEEDED. Postoffice Asks for Larger Force for the Holiday Season. Regulation has been made by the Calumet postoffice for extra help during the holiday season. An extra clerk and two carriers are required in order to facilitate the work during Christmas, and it is likely that the postal authorities will grant the request. The local postoffice will handle thousands of registered mail packages, letters, cards, etc., and it is in anticipation of this big rush that the extra help is needed. A large money order business is also expected. Thousands of dollars will be sent out of here to relatives and friends in this and other countries. 'THIS IS MY 78TH BIRTHDAY.' Rev. Polidexter Smith Henson, the eminent Baptist divine, who recently resigned from the pulpit of Tremont Temple in Boston, was born in Fluvanna County, Virginia, December 7, 1831, the son of a village pastor. After his graduation from Richmond College in 1847, he taught school for a time, then tried the bar, and finally gave that up, too, to enter his life work in the ministry. His first pastoral service was in his native county. After two years' work there he went to the Broad Street Baptist church in Philadelphia. Seven years later he founded the Memorial Baptist church of Philadelphia, where he worked until 1882, when he went to the First Baptist church of Chicago. In 1901, Dr. Henson accepted a call to the Hanson Place Baptist church in Brooklyn, where he remained until called to Tremont Temple in 1903. MAKE ICE AT PALESTRA. The work of making ice for skating at the Palstra rink has commenced and it is expected that the formal opening of the rink for the winter season will take place. The floor has been placed in condition for the ice and good progress is being made. If the cold weather continues, it may be possible to open the rink for skating on Saturday evening.
