OUTDOOR SPORT PROGRAM IN THE COPPER COUNTRY

CALUMET TO PLAY M. C. M. TEAM TOMORROW AFTERNOON.

GOOD CRICKET GAMES ARE SCHEDULED.

The program of outdoor sports for Saturday and Sunday in the copper country includes some very interesting baseball and cricket games. The Calumet baseball team will meet the East Mining College team here Saturday afternoon and on Sunday a league game will be played between the Calumet and Mohawk teams at Mohawk. Hubbell and Hurontown will clash at Hurontown.

The Calumet-M. C. M. game Saturday promises to prove a very interesting one. It is likely that Hilltonen will be on the slab for the locals and the line-up will be the same as in the league game. The M. C. M. team is composed of former college players.

The Sunday game will give Calumet a chance to overhaul Mohawk, this team being tied with Hurontown for the leadership of the league. While Mohawk is conceded to have one of the strongest teams in the league the Calumet players are confident of their ability to overhaul Mohawk. A victory would leave Calumet and Mohawk tied for second place in the league race.

The cricket games scheduled for Saturday are as follows:

Tamarack at C. & H.

Wolverine at Kearsarge.

Painesdale at Mohawk.

Menard at Quincy.

BOTH SLAY AND SLENEAU COMING

GREAT COMMANDER AND GREAT MEDICAL EXAMINER OF K. O. T. M. M. TO ATTEND REUNION.

Advice received in Calumet last evening indicate that A. M. Slay of Port Huron, Great Commander of the K. O. T. M. M. will be in Calumet tomorrow to attend the big reunion of the Houghton county tents of the order at the C. & H. park. It was at first thought that Mr. Slay would be unable to come to Calumet, and the latest information is highly gratifying to the joint committee of the three local tents in charge of the arrangements. Dr. Talbert Sleneau, also of Port Huron, Great Medical Examiner of the order and Deputy Commander J. A. Patterson of Marquette will also be the guests of the local Macabees. Great Commander Slay, Dr. Sleneau and Mr. Patterson will give addresses at the park.

All preparations have been completed for the big reunion. Members of the other twelve branches of the order in the county will be the guests of the three local tents on this occasion and it is expected the gathering will be a monster one. Visitors will arrive in Calumet early in the afternoon and at 2 o'clock the Laurium band will proceed to the park where a choice program of concert numbers will be rendered, after which dancing will be in order during the remainder of the afternoon and evening. At 6 o'clock a big parade will be held, starting from the Calumet Odd Fellows' hall, headed by the Laurium band. The members of all of the visiting and local tents will participate in this demonstration. Arrangements have been made to serve luncheon and refreshments at the park for the convenience of those who care to remain there throughout the whole afternoon and evening.

CROSS THE BURNING SANDS.

Large Number of Shriners Made Pilgrimage at Marquette.

Shriners to the number of about 250 took Marquette by storm Wednesday afternoon and evening, and the city was host to the crowd of royal good fellows who make a pilgrimage to the Queen City twice a year. The visitors began to arrive early in the day and kept coming until well along into the afternoon. A business session was held in the afternoon and in the evening twenty candidates were led across the burning sands into the oasis of Ahmed Temple.

A large crowd gathered on the streets early Wednesday evening to see the Shriners' parade, which only takes place once a year, at the summer meeting. This parade was headed by the Marquette Finnish band, following which was an unusually large number of Shriners in line, many of whom
