### Fortress Is Reported to Have Fallen Before Attack of Bulgarians and Servians

## ATROCITIES AGAINST TURKS?

### Bulgars Soldiers Are Accused by Correspondent of a Berlin Newspaper

## CHOLERA IN CONSTANTINOPLE

Belgrade, Nov. 14.—A report that the Turkish fortress at Adrianople has fallen before the combined attack of the Bulgarians and Servians is current here, but is without any confirmation in official circles.

## Bulgars Accused of Atrocities.

Berlin, Nov. 14.—Insinuations that the Bulgarians are guilty of atrocities against the Turks, and that the present war is more of butchery than of orderly warfare, are made by a correspondent of the Vossische Zeitung. The correspondent declares he has been reliably informed that the Bulgarians mutilated the bodies of Turks after the battle of Kirk-Kiliseh and carried Turks' heads about on the points of bayonets.

## Armistice is Requested.

## Mediation Note Presented.

Sofia, Nov. 14.—The Turkish note of mediation was presented to the Bulgarian premier this afternoon by the ministers of the great powers. Premier Cvetkoff promised to confer on the matter with the cabinets of the allied Balkan nations. The text follows: "The Ottoman government, having approached the great powers of Europe to ask their mediation, we are charged to inquire if Bulgaria is disposed to accept this mediation, and if so what the conditions of her acceptance will be."

## Much Sickness in Capital.

New York, Nov. 14.—Oscar Strauss, former ambassador to Turkey, has received the following cablegram from Ambassador Rockhill at Constantinople: "There are now over fourteen thousand sick and wounded soldiers here. Cholera seems to be increasing fast. There is much sickness and destitution among the many thousand refugees."

## EXPECT SIMPSON WILL BE RETAINED AS WARDEN.

Lansing, Mich., Nov. 14.—There seems to be a prevailing opinion in the state house that Nathan F. Simpson, warden at Jackson prison, will not be removed when the newly-elected Democratic governor, Woodbridge N. Ferris, assumes the reins of office the first of next year.

At the present time there are two Democrats on the board of control of Jackson prison, Levi Barbour of Detroit, and Edwin Frensdorf of Hudson. Each of these men was appointed to the board by Gov. Osborn, and it is claimed that they have approved Warden Simpson's administration of affairs at the big penitentiary to a large degree.

Owing to the fact that the two Democratic members of the board are thoroughly familiar with the affairs of Jackson prison, it is thought that Gov.-elect Ferris, who will be a member of that board after he takes the oath of office, will depend for a time at least, upon their judgment as to the best methods to pursue.

Warden Simpson has many friends in the state house who believe that he will be able to handle the situation, as they remember him as a good fighter and a man possessed of much executive ability.

## DEER FROLICS AT PHOENIX.

Residents of Phoenix had an interesting guest yesterday. A large buck made its appearance from the woods near the Phoenix school and its playful antics attracted the attention of the school children, who watched it for considerable time. Later it visited other parts of the location, but before any of the hunters were aware of its presence, the animal made good its escape.

## RYAN KNEW OF THE EXPLOSIVES

### So Testifies Ortie McManigal at Dynamite Trial Today

Indianapolis, Ind., Nov. 14.—Direct charges that President Ryan of the International Association of Iron Workers had full knowledge of the explosion, and even advised the dynamiters to disguise themselves, were made by Ortie McManigal at the "day-afternoon" trial today. McManigal testified Ryan said:

"I want you fellows to be coming around this office so openly; you don't change your appearance enough. When any one gets a good look at you they will be sure to know you the next time."

"I told him we weren't reckless and no one knew what we were doing. Later when J. J. McNamara returned to Indianapolis he arranged for greater secrecy in my reporting to headquarters. At night he was to put a light in the window, signifying the coast was clear. If there was no light I was to stay away."

McManigal said that at one time, when eighty quarts of explosives were stored in a vault in the Iron Workers' office, McNamara remarked:

"If this should explode there wouldn't be enough people left in downtown Indianapolis to tell what happened."

## INDEPENDENCE FOR FILIPINOS

### Democrats in Congress Plan to Cut Off the Islands

Washington, Nov. 14.—Some of the Democratic leaders are talking of giving the Philippines limited independence July 4, 1913, if a special session of Congress is held next spring.

Chairman Henry, of the house rules committee, said today that one of the very first measures to go before the house this winter with every prospect of passage was the Philippine independence bill. The measure drafted by Chairman Jones, of the house insular affairs committee, is now on the calendar.

"The rules committee has given a written pledge to Representative Jones to call up the bill under a special rule privilege early in December," said Representative Henry today. "I believe it will be passed with little opposition."

The Senate is said to be the stumbling block in the path of immediate enactment of the law. It is expected that the Republican majority in the Senate will prevent its passage during the short session of Congress ending March 4.

"One and All" has increased its membership considerably during the past half year, and its financial condition is sound. Several applications are expected for membership at the next two meetings of the lodge.

## NEW GOVERNORS OF MANY STATES

### Only Nine Re-Elected in Twenty-Eight Commonwealths Holding Elections

## DEMOCRATS TO TAKE OFFICE

### Will Succeed Republicans in Several of the Capitals

Washington, D. C., Nov. 14.—Many changes among the chief executives of the different states will take place next January as a result of the recent elections. Of the twenty-eight states that balloted for governors only nine re-elected their present executives. The governors fortunate enough to be re-elected for another term are Simon E. Baldwin, Democrat, of Connecticut; Eugene S. Foss, Democrat, of Massachusetts; Adolph O. Eberhart, Republican, of Minnesota; Coleman L. Blease, Democrat, of South Carolina; Ben W. Hooper, Republican-Fusion, of Tennessee; Oscar R. Colquitt, Democrat, of Texas; William Spry, Republican, of Utah; Francis E. McGovern, Republican, of Wisconsin; and Aram J. Pothier, Republican, of Rhode Island.

Of the new governors twelve are Democrats and seven are Republicans. Elias M. Ammons, Democrat, succeeds Governor Shafroth, Democrat, in Colorado.

Charles E. Miller, a prominent citizen of Wilmington, succeeds Governor Pennington of Delaware. Both are Republicans.

Park Trammell, at present attorney-general of Florida, will become governor in succession to Albert R. Gillchrist. Both are Democrats.

John M. Hatton, Republican, will succeed James H. Hawley, Democrat, as governor of Idaho.

Edward F. Dunne, former mayor of Chicago, has been elected by the Democrats of Illinois to succeed Governor Bennett, Republican.

Governor Marshall of Indiana, who will be Vice President of the United States after March 4, will be succeeded by another Democrat, Samuel M. Hahn of Lebanon.

In Iowa, Governor Carroll, Republican, will be succeeded by George W. Clark, also a Republican. Mr. Clark is at present lieutenant governor.

The state of Michigan followed the lead of the nation by electing a "schoolmaster" to the office of chief executive. Woodbridge N. Ferris, Democrat, who will succeed Governor Cushman, Republican, has devoted his life to educational work.

Governor Hadley of Missouri, Republican, will be succeeded by Elliott W. Major, Democrat, who has served as attorney general of his state.

Governor Norris, Democrat, of Montana, will be succeeded by Samuel Y. Stewart, also a Democrat.

John H. Morehead of Falls City headed the Democratic ticket in Nebraska and will succeed Chester H. Aldrich, Republican, in the governorship next January.

No gubernatorial candidate in New Hampshire obtained the necessary plurality and in consequence the choice of the governor devolves upon the legislature. The Republicans will have control of that body and will elect Franklin Worcester to succeed Governor Bass.

William Sulzer, who is to succeed Governor Dix of New York, has long been prominent in Democratic circles. He is a former speaker of the New York general assembly and has a record of eighteen years' service in Congress.

Leslie Craig, elected to succeed Governor Kitchin of North Carolina, is one of the noted lawyers of his state.

Louis H. Hanna, Republican, who is to become governor of North Dakota in succession to John Burke, Democrat, has been a representative in Congress since 1909.

Another congressman elevated to the governorship of his state is James M. Cox, Democrat, who has been named governor of Ohio in succession to Governor Harmon.

Frank M. Byrne, Republican, elected to succeed Governor Vessey, of South Dakota, is at present lieutenant governor of the state.

Ernest Lister, a leader in Democratic politics in Tacoma, will succeed M. E. Hay, Republican, as governor of the state of Washington.

The election of Dr. H. D. Hatfield as governor of West Virginia in succession to William E. Glasscock was one of the surprises of the November battle of the ballots. Dr. Hatfield is a friend of President Taft, though he ran on a Republican Progressive ticket. He is a nephew of "Cap" Hatfield, the clean leader who managed to fill columns of newspaper space in the days when the famous Hatfield-McCoy feud flourished in the mountains of West Virginia and Kentucky.

Bunker Hill, Los Angeles, a barrier between the business and a large residential district, now pierced by tunnel, is crumbling so that complete removal may be necessary—an immense costly undertaking.

### As Governor He Issues Thanksgiving Proclamation

Princeton, Nov. 14.—As governor of New Jersey, Wilson today issued the annual Thanksgiving proclamation, drawing attention to the conduct of the political campaign just closed, "without violence or passion." The proclamation:

"Another year of peace and prosperity has passed by. The life of the state and nation has been undisturbed by war, pestilence or disaster of any kind. We have been free to choose our own ways and have gone through the varied action of a great political campaign without violence or passion. The hope of our people has arisen with the increase in their life, and God has been very gracious to us in all his dealings."

Members of the class of '78 of Princeton have arranged to give Wilson a dinner in New York Friday.

Wilson is going to lead the newspaper correspondents a merry chase when he begins his vacation next week. He said he intended to make long bicycle trips, and ride horseback a good deal. He will go Saturday afternoon to a retreat a short distance from New York, where he will spend a month. A party of correspondents already are in training for bicycle journeys.

### Thirty Thousand Teamsters in Chicago May Quit

Chicago, Nov. 14.—The possibility of a strike of thirty thousand teamsters, chauffeurs and helpers, composing the local teamsters' unions, developed today when three thousand members of local No. 795 struck because of a wage disagreement. The men on strike were employed by ten contracting concerns.

The dispute was over a dollar a week increase for single teams and \$1.50 for doubles, set by the International Brotherhood of Teamsters, to go into effect Nov. 1. Two of the smallest of the ten teaming contracting firms accepted the increase, while the other eight declined to meet the demands.

## TREASURER M'CLUNG OF U. S. QUILTS

### Rumored His Resignation Is Result of Friction With Secretary of Treasury

## GARMITHOMPSON TO SUCCEED

### Private Secretary to President Taft Will Be Appointed to Fill Vacancy

## MUST COUNT ALL THE MONEY

### Washington, Nov. 14.—The announcement of the resignation of Lee McClung as treasurer of the U. S. was made by President Taft today. The president said McClung resigned voluntarily. It is believed Carmi Thompson, private secretary to Taft, will succeed him.

It is rumored the resignation was the result of continued friction with Secretary MacVeagh. McClung was one of the treasury officials named by Assistant Secretary Andrews as having been in continued controversy with MacVeagh when Andrews declared the secretary and his associates were not in harmony.

McClung was a noted Yale football star and has been treasurer of Yale university.

The appointment of Thompson to succeed him will be followed, it is believed, by the immediate return of Charles E. Hillier to the white house as secretary to the president.

The resignation of McClung means that the money and securities for which the treasurer was responsible must be actually counted and receipted for. This will be the greatest single financial transaction in the history of the world. When McClung assumed the duties of treasurer he gave a receipt to his predecessors for \$1,250,000,000, the two-thirds of a cent being due to a fraction in one of the Tennessee state bonds, for which the treasurer is trustee. This was the largest single transaction from man to man on record.

While the exact amount of the treasurer's fund is not known, it is expected to exceed these figures by many millions. It will require probably three months to count the money and securities. The treasurer will remain in service until his successor is appointed, and this creates a remarkable situation, because, presuming McClung's successor will retire the fourth of March with the incoming of Wilson, the count must be made all over again for the new treasurer.

While responsible for over a billion dollars, the treasurer receives a salary of \$8,000 and is bonded for only \$150,000.

Other Vacancies to Fill. President Taft has made it clear to the members of his cabinet that he intends personally to fill all the vacancies now existing in federal appointive offices and will leave none of these to be filled by President Wilson. The president wishes Republicans to get in as much benefit as possible from the administration and does not want Democrats to hold the offices. While no definite announcement has been made concerning the successor to Dr. Harvey W. Wiley, it is expected that Dr. R. E. Doolittle, Dr. Wiley's former assistant, will be nominated as soon as the Senate convenes.

Succeeds Chas. Page Bryan. Washington, Nov. 14.—Lars Anderson of Washington, now minister to Belgium, has been named ambassador to Japan to succeed Charles Page Bryan, resigned.

## GUNMAN ON THE STAND.

### "Gyp the Blood" Denies Incriminating Statements of Rose.

New York, Nov. 14.—Harry Harowitz, otherwise "Gyp the Blood," the dandy of the four gunmen, charged with the murder of Rosenthal at Becker's bidding, took the witness stand today and swore the shots in front of the Metropole were fired by Harry Vallon, "Bridgie" Webber, informers for the state, and a third man, mysteriously unnamed. He denied every incriminating statement made by "Bald Jack" Rose and said he and his companions did not hear of the murder until seven hours after it occurred. They were within a stone's throw of the scene, whither they had gone at the stranger's invitation, he said, and fled when they heard the shots.
