The Only Baking Powder Made from Royal Grape Cream of Tartar.

Safeguards the food against alum

Chemists' tests have shown that a part of the alum from biscutt made with an alum baking powder passes into the stomach, and that digestion is retarded thereby.

Read the label and make sure that your baking

Household Decalogue.

Young housekeepers who have not had so very much experience will perhaps find some belpful suggestions in a new Decalogue-this for housewives particularly-which was recently published in the National Magazine. Here are a number of the items:

thy cake will be heavy. After washing the currents and raisins thou shalt be sure they are thoroughly dry. Thou shalt not throw away sour

Thou shalt not use damp fruit, or

cream, but use it in place of butter Thou shalt not dry white gloves or bose in the sun, lest they turn yellow. Thou shalt not discard thy rubbet

Thou shalt not let the juice coze out from thy pie, because thou caust pre-

water.

dry cleaning, but thou shalt use "el-bow grease" with a cake of magnesia. Thou shalt not allow cheese to mold, when a cloth wet in vinegar and put over it will prevent.

Thou shalt not use thy new baking dishes until after thou hast put them in a pan of cold water, set where it will boil and then set away until water has cooled.

Sawdust For Floors.

It is said that sawdast makes the best cleanser for a waxed or varnished floor that has become too dirty for the usual treatment.

Soap and water will ruin the polish. but if clean sawdust is scattered over the floor and a person gets down and uses a scrubbing brush with the same movements as though using water every bit of dirt and soil will come away. The sawdust is then swept up and destroyed and the floor polished in the general way.

Varnished Paint.

Ten leaves are involuntile as a means of cleaning varnished paint. When sufficient leaves have been hald aside they should be placed in a tin basin full of water and soaked for half an hour. The ten when strained should be used instead of soop and water to clean the varnished surfaces.
