INSPECTOR TO VISIT CALUMET

To Look Over the Proposed Post-office Sites in City

An inspector of the U. S. Treasury department is expected in Calumet soon for the purpose of investigating the sites offered for the proposed federal building, for which an appropriation of $20,000 was made at the last session of Congress. He will look over each of the sites, also the bids submitted and will make recommendations to the department accordingly. The inspector would have visited Calumet before, but for the pressure of work in this department due to the number of building projects approved by Congress at the last session. Bids for the local site were submitted several weeks ago. It is understood several tenders have been made.

Once the site is selected and the contracts closed, local residents feel confident but a short time will elapse before an appropriation is made by Congress for the construction of a building of suitable proportions. It is certain Senator W. A. Smith will work for such an appropriation, he having introduced a bill calling for an appropriation for both building and site at the last session of Congress. The congressman from the twelfth district and other congressmen in Michigan can also be relied upon to do their utmost for Calumet in this connection.

LOCAL BREVITIES.

The Calumet high school baseball team will go to Lake Linden this afternoon to meet the Lake team.

Announcement has been made of the approaching wedding of Miss Mamie A. Mills, daughter of Mr. and Mrs. William J. Mills of Waterworks street to Walter G. Caverne which will be solemnized June 12.

Carl Smith has gone to Hurley, Wis., where Mrs. Smith and child have been visiting for some time.

Joseph R. Reed, superintendent of agents for the Detroit Life Insurance company, has left for Ishpeming, after a business visit here. Mr. and Mrs. Reed will leave shortly for Detroit.

The funeral of the infant child of Mr. and Mrs. Alexander Bukovich of Wolverine was held this morning with services in St. John's Croatian church.

Mr. and Mrs. William Ristell of 122 Iroquois street are the parents of a son.

Jerry Harrington of Ishpeming was the guest of friends here today.

A. F. Franlich of Detroit, is here on business.

FOREST FIRE WARDENS.

Men Are Selected To Patrol the Upper Peninsula Woods.

Secretary Forester Thomas B. Wyman of the Northern Forest Protective association, has to date appointed the following wardens for the season of 1913: H. J. Hotchkins, Trout Lake; Frank J. Park, Newberry; J. H. Roundtree, Grand Marias, Mike White, Steuben; Ricus Guidebeck, Munising; C. H. Slater, Au Train; Carl Markley, Winters, Frank W. Osgood, Gwinn; E. F. Sandberg, Ishpeming; Frank E. Krieg, Birch; H. S. Smith, Big Bay; Charles H. Anderson, L'Anse; John C. Real, Baraga; John Welsh, Greenland; Harry G. Vincent, Ontonagon; Richard Henry, Ontonagon; N. J. Ferguson, Matchwood; T. R. Browning, Watersmeet; William Rigstad, Iron River; W. S. Mickey, Crystal Falls. In addition to the wardens some eighty commissions as special fire wardens have been granted to woods superintendents and lumbermen throughout the peninsula. The warden of the association went on duty May 1 and were immediately confronted by serious conditions. Although some severe losses are of record, they occurred on lands not listed with the protective association and no losses of consequence have as yet been reported from lands patrolled by this organization. The work of the association is well in hand and everything feasible is being done to protect the holdings of the members from fire losses. At a meeting of the directors, held at Marquette, it was decided to furnish the secretary-forester with an automobile for use in making the territory which he finds it necessary to cover.

PARENTS MEET THURSDAY.

The parents of the children in the Calumet public schools will meet Thursday evening in the high school building, where a musical and literary program will be rendered. There will be numbers by several well known vocalists, including Arthur Reed, who has recently returned from Detroit, where he has received training in the Detroit Conservatory of music.

DRASICH HEARING TONIGHT.

The adjourned hearing of Matt Drasich, charged with selling liquor without paying the tax, will occupy the attention of Justice William Fisher's court this evening. There is considerable local interest in this case. The adjournment until this evening was taken to allow for the transcribing of the testimony.

Preparations for class-day exercises at the Sacred Heart high school are in full sway. The respective class honors have been awarded to the following young ladies:

Valedictorian, Corine Brouillet.
Historian, Veronica Kelly.
Prophet, Ernestine Caesar.

The various grades of the school are contemplating an exhibition of class work in the very near future.

The social held under the auspices of the S. H. H. S. alumni proved one of the most enjoyable and successful events of the season. The auditorium was filled to its capacity, and all were loath to depart as the evening waned into the "wee" hours. The members of the alumni are to be highly congratulated on the success of the evening and the royal entertainment afforded.

Monday evening, the 19th inst., the alumni committee on arrangements met in the high school to discuss matters pertaining to the banquet which will be given in honor of the graduates of '12 at the Electric Park, Monday, June 23rd.

The seniors have received their class pins, which are of a neat and handsome design. Their style is of Roman gold, rose finish with polished letters and numerals.

MILLER TO MEET CARR.

Walter Miller and Joe Carr have signed articles for a wrestling match at Duluth July 4. The match will pave the way for another championship bout in which the peerless Mike Yokel of Salt Lake City will be one of the participants. Yokel has promised a match to the winner of the Carr-Miller fray and the victor will not be a bit modest about picking up the invitation.

E. F. Bretz, representing J. A. Brown & Co., of Milwaukee will display a beautiful collection of summer dresses, coats, tub silk waists and muslin underwear at the Calumet Hotel, Thursday and Friday, May 22 and 23.
