

The 1900 WASHING MACHINE

Is a Great Help
on Wash Day

It cleans the clothes so thoroughly by forcing the water through all the fibres. It does not wear or tear the clothes like most washing machines. We have them on display now and would like to show them to you. We have everything for wash-day, including, "Lovell Anchor Brand Ringers," wood wash tubs, galvanized wash tubs, wash boards of all kinds, willow baskets and clothes lines. Everything in hardware.

There is no Royal Road to Wealth.

The average man must win his way. Some have inherited riches but the foundation of every fortune, big or small, is based on hard work and thrift.

A savings account is the first step to wealth. It enables a man to save his money and at the same time it is earning money for him.

This bank will not only help you save money but it will pay you interest—Remember this—compound interest has made more millions than speculation.

PRaise HIGHWAYS OF U. P.

Wisconsin Motorists Say They Surpass
Badger State Roads.

A. L. Conrad, Henry Roppie, Ed. Throck, Frank Throck, Frank Murgue, John Chard and Ben Gantz, seven Green Bay motorists, are visiting in Ishpeming, having driven from Green Bay by the way of the Escanaba-Marquette road. They left Green Bay on Sunday. Mr. Gantz, the chauffeur of one of the two touring cars which the party used on the trip, yesterday expressed the opinion that the roads from Escanaba to Ishpeming far surpass the roads of Wisconsin and lower Michigan, through which he has traveled extensively. Mr. Gantz considers all the upper peninsula roads excellent.

Mr. Gantz said that all along the line from Marquette to Ishpeming a large amount of road building and repairing is being done, especially near Marquette, where work has been commenced in rebuilding the road to Marquette, an extensive piece of work. From the road which is being built Mr.

Gantz considers far superior to any on their trip to the Iron country. He says the farmers through the northern part of Wisconsin take no interest whatever in road building and the roads are rough and stony. However, from Escanaba to Marquette the road is in fairly good condition.

Along many of the Wisconsin highways the cars sank up to the hubs in loose sand and great difficulty was experienced by the party in getting over some of the rough spots.

MRS. SARAH GRIBBLE DEAD.

Well Known Resident of Laurium Succumbs to Short Illness.

Mrs. Sarah Gribble, aged 41 years, wife of William Gribble of Kearsarge street Laurium, died at an early hour this morning, after a short illness. Besides her husband the following brothers and sisters survive: Harry Hill, Thomas Hill, William Hill and Joseph Hill of Florida, Miss Martha Hill of Calumet and Mrs. Richard Barrett of Laurium, survive. Arrangements for the funeral have not been announced.

TOURNEY RACES FEATURE TODAY

Baseball Games Today and Tomorrow Are Called Off

The big feature of the upper peninsula firemen's tournament in Red Jacket today, is the program of firemen's sports being held at the Athletic park. Because of the disturbances at different points this morning it was deemed necessary to call off the baseball games scheduled for this afternoon, between the Calumet Independents and the Keweenaw All-Stars and tomorrow afternoon between the Calumet Independents and the Portage Lakes. This is Keweenaw day, and large crowds are expected here from that county this evening.

The tournament activities began immediately after dinner, with concerts by the C. & H. Red Jacket and Miller carnival bands. Because there was no baseball game, the sport program began earlier than had been planned. There will be a 100-yard dash for firemen, a flag race and a 100-yard dash, free-for-all.

Concerts by the C. & H. Red Jacket and Mohawk bands will open the evening's activities and will be followed by dancing on the pavements. The Miller shows will also be a big attraction this evening.

The Ishpeming firemen were awarded the prize for the best appearing company in yesterday's big parade and Manitowish carried off the first prize for coming the greatest distance.

Ishpeming's campaign to land the 1914 tournament met with success. At the annual business meeting of the association which was held last evening, Manitowish, which had made a strong bid for the honor of entertaining the firemen, dropped out of the race and Ishpeming was the unanimous choice of the association delegates. Ishpeming's invitation to the firemen was extended by Ed J. Butler of the Ishpeming Advancement association. His arguments were of a very convincing nature and he assured the firemen the citizens would welcome them with open arms. Chief John Lacey of the Ishpeming department seconded the invitation.

Manitowish, which dropped out of the race for this year's tournament and Manitowish, which announced its intention of seeking the 1915 meeting, will be rival candidates for this honor.

Attorney A. W. Kerr gave the address of welcome on behalf of the local committee and Mayor Frank Schumaker presided. John J. Ellis president of the association responded on behalf of the association.

Following is a list of the officers selected for the ensuing year:
President—Ernest Dehn, Ironwood.
First vice president—John Lacey, Ishpeming.

Second vice president—Paul H. Exley, Hancock.

Secretary—T. J. Flynn, Negaunee, re-elected.

Treasurer—Gordon Murray, Michigamme, re-elected.

The only opposition which developed during the election was for second vice president. Mr. Exley winning over R. W. Nebel of Gladstone by 25 to 22 votes.

The association extended a vote of thanks to John J. Ellis, Jr., the retiring president.

SALVATION ARMY PICNIC.

The annual picnic of the Calumet Corps of the Salvation Army will be held at the Freda park of the Copper Range road on Saturday, August 23, it was announced today. It has been agreed that the Salvation workers will have full charge of all concessions at the grounds. A special will leave Calumet at 5 o'clock, arriving at Freda at 10:30 and will leave Freda on the return trip at 6 o'clock.

FIREMAN IS INJURED.

While responding with the Red Jacket fire department to an alarm of fire last evening, John Sphear fell from the hook and ladder truck and suffered a badly injured leg. He is undergoing medical treatment.

FALSE FIRE ALARMS.

Some Excitement Seeker Has Amusement at Expense of Town.

Two false alarms of fire were sounded from Box 42, corner of Eighth and Pine streets last evening causing considerable excitement, in view of the fact that the fire tournament is in progress. So that the offense would not be repeated, Mayor Schumaker ordered that the keys of all of the boxes in the village be collected last evening, except those in possession of the night watchmen. The keys were replaced this morning.

The officers are investigating in an effort to ascertain the identity of the excitement seeker who turned in the alarms, causing the departments to turn out needlessly.

KEWEENAW FAIR TO BE BEST EVER ATTEMPTED

MINES AND MINERAL EXHIBIT TO BE ONE OF THE BIG FEATURES.

The directors of the Keweenaw Fair association, at a meeting held this week, designated Sept. 23, 24, 25 and 26 as the dates of the big fair which will be held in the Glaciadom at Mohawk. Plans were discussed for making it bigger and better than ever before. L. D. Strait of the United States department of agriculture visited in Mohawk this week and discussed with directors of the association various features of the fair, offering numerous valuable suggestions.

One of the features of this year's fair will be a "Mines and Minerals" department, under the supervision of Dr. Will T. King of Ahmeek. Efforts will be made to collect a number of novel mineral exhibits that have never been seen here before and it is probable that some of the fine mineral collections of private owners will be shown.

From an agricultural standpoint the fair should be a bigger success than those held in other years. The farmers in Keweenaw county and throughout the district generally have made special preparations to have choice exhibits in readiness.

LOCAL BREVITIES.

Mr. and Mrs. H. S. Winter are visiting at the home of Mr. Winter's parents in Mecosta, Mich.

W. D. Tresidder of Ishpeming and Louis Decker of Muskegon, Minn., visited with Mohawk friends this week.

The Merchants and Miners bank of Calumet this week celebrated its fortieth anniversary, having been established on July 23, 1873.

Mrs. Richard Pascoe and daughters have gone to Tecumseh, Mich., where they will visit relatives and friends.

Mr. and Mrs. Louis Hamel have gone to Detroit, where they expect to take up their residence.

Samuel A. King of Rexton, Mich., and Joseph King of Sudbury, have returned to their homes after visiting at the home of their sister, Mrs. Duhamel of Wolverine.

The marriage of Miss Julia Williams, daughter of Mr. and Mrs. William Williams of Wolverine, to Charles Lork, was solemnized Wednesday evening.

Manuel Treverrow, chief of police at Ishpeming, and son David, are guests at the home of Capt. and Mrs. John Treverrow of Mohawk.

The Mohawk M. E. Sunday school will picnic in the Electric Park Saturday, August 2.

Garfield King, secretary of the Munsing Y. M. C. A. is here with friends.

Henry Pudis is visiting with L. W. Primodig of Laurium.

Mrs. John Josey and daughter Miss Nettie, who have been visiting with friends in Duluth and Minneapolis, arrived home yesterday.

Stephen Pauli, Ben Reding and C. E. L. Thomas have returned from Rochester, where they attended the Ellis convention.

Mrs. Frank G. Bertrand of Duluth, is visiting with her husband here.

Mr. and Mrs. M. C. Wylie of Detroit are visiting local friends.

Miss Agnes Borgo of the staff of the Harper hospital, Detroit, is visiting Calumet friends.

J. A. Moder has gone to the Iron country on business.

John Dudley, who has been visiting with friends in Osceola, has left for his home in Ishpeming.

Joseph Shives, who is recovering from injuries received in railroad work at Two Harbors, Minn., is visiting with his parents in Osceola.

GUN CLUB STARTS WORK.

The members of the Austrian Red and Gun club of Calumet have commenced active work on the club's rifle range near Swedetown. A tournament is in progress with events for teams and individuals. The tournament, which began the first Sunday in July will continue until early in September. Trap shooting as well as rifle work is being indulged in.

MEETS DEATH IN WEST.

Word has been received in Calumet of the accidental death in Lyons, Ore., of Edmund Langenberg, whose wife, Marion Imhoff Langenberg, was born and reared in this city and has a large number of friends here. Mr. Langenberg was crushed between two logs in a sawmill where he was working. He was twenty-four years of age.

The regular meeting of the German Aid society has been postponed from July 25th to July 31st. The meeting will be held at their hall.

BIG MEETING OF MINERS SUNDAY

Women as Well as Men Invited to Gather in Palestra

Continued From First Page.

severe bruise. Other men were attacked by the strikers and more or less severely beaten.

Some of the miners and surface employees put in sympathy with the strike have been deputized and this morning they were stationed at different points to protect property. It is estimated fully 500 or 600 deputies were on duty today.

Near the No. 2 shaft of the Calumet branch of the mine, fresh disturbances broke out about 10 o'clock this morning. At this point a large number of deputies and strikers gathered and finally the deputies were attacked by the strikers who wielded heavy clubs, iron bars and hurled stones at the deputies as the latter retreated to points of greater safety. Several deputies found isolated from the others were attacked and beaten. George Lawworth was struck in the back of the head with a rock and received a bad scalp wound. Edwin Danbom was badly beaten and Simon Trexler, who is about sixty years of age, was severely beaten. Most of those were removed to the C. & H. hospital for treatment.

Several Victims of Violence.

From the No. 2 shaft Calumet, the strikers marched to the Hecla and South Hecla departments, closing all of the surface shops before them. In the machine shop, William Grierson, one of the few who remained on there after the shop was closed was attacked and beaten. William Richards of Raynhamtown, a mine "blaster," was struck on the head by a stone and severely wounded. It is believed his skull is fractured and his condition is serious. Foundrymen, carpenters and other employees were forced to lay down their tools, the shops having been closed.

John T. Harry, Mike Maurin and M. Petersing, all of whom have scalp wounds and bruises, were among the men attacked in the Hecla division of the mine. From this division the men marched as far as the Osceola, where the surface shops were closed down. Capt. James Rowe was hit on the head with a stone and rendered unconscious and John Opie and Wilbert Huntley, two machine shop employees were beaten up. Word reached the Laurium mining companies shafts before the strikers reached there and all work was suspended. The engine house employees were driven away.

John Johnson an employee of the Red Jacket shaft division was attacked and quite severely beaten by the strikers today.

Stamp Mills Also Closed.

The stamp mills of all of the mining companies have been closed because of the exhaustion of the supplies of rock in the ore bins, this applying to the mills flanking the shores of Torch Lake and Portage Lake as well as to the mills of the Copper Range Consolidated mines on the lake shore and the Wolverine and Mohawk on Traverse Bay. The smelters likely will remain in operation for a short time, they having a supply of mineral sufficient to continue operations for a week or ten days.

Deputies stationed at the Mohawk, Ahmeek and Allouez mining properties today, were forced to leave their posts by the strikers. There was no violence. At the Ahmeek mine, a slight disturbance was reported last evening, but no one was seriously injured.

About thirty strikers went to the Park brewery in Hancock this morning and demanded that the institution be closed. This demand being denied, the foreman of the plant was attacked. Manager Foley has sworn out complaints for the arrest of the assailant. There was a strike at the Park brewery a short time ago, but the plant soon resumed work with new men.

At the Hancock mine there was a slight disturbance last evening, but no one was injured.

All saloons in Red Jacket were closed at 11 o'clock last night on orders from Sheriff Cruise, as a precautionary measure.

LAKE SHORE ROAD WORK.

James R. Hurdell, overseer of highways, announces the completion of the work on the roads in the lake shore district. Attention is now being directed to repair work throughout the township. It is likely the re-macadamizing of the Lake Linden road will be taken up soon.
