PLAY BASEBALL IN FRANCE NOW

Five Club League Started by Americans—Plan Schedule Soon

Paris, May 21.—Baseball has arrived in France, despite the fact that the recent Giants-White Sox world tour exhibitions arranged to promote the American national game were all spoiled by the rain. The Paris league, although at present it consists of two teams, has three others forming, and games have already been arranged through the Summer, to conclude with a grand tour of the provinces in the hope of arousing French interest in the sport. The present teams are known as the Latin Quarters, composed of American artists, and the Racing club, which has five French players and four Americans. The season will open Sunday at the Colombes race track, where the Latin Quarters, in drab gray uniforms, to depict the vivid painting tendencies of several members of the team, will cross bats with the Racing club, wearing new blue and white suits. They will play several games in the following fortnight, until the other teams complete their organization and a full schedule of games has been arranged. The other teams are the St. Aude Francais, the leading football club, which will be all French; Le Vestinet of France-Amiens, founded by George Burgess, the manager of Spalding's Paris house; while the fifth team, all American, is being organized by the Ford Motor company.

FEDS CLAIM TWO STARS.

Assert Walter Johnson and Ty Cobb Are Ready to Jump.

Chicago, May 21.—Pitcher Walter Johnson, Catcher Annanmith, and Outfielder Clyde Milan of the Senators, three of the American league's greatest stars, have put their names to an agreement to sign with the Pittsburgh Federals at the end of this season, "asserted today's issue of the Evening Post." "By getting hold of Walter Johnson—and he has signed to jump—they will have one of the two greatest drawing cards in baseball, the other being Ty Cobb. The fact that Johnson has been identified with his lot is an open secret. He played a long time with the Senators at a low salary. He has been a holdout in the past. He believes he is entitled to big money."

OUR BEER IS A FOOD

Look well to your health for in that lies the real secret of youth and happiness. Calumet Beer is an aid to health because it is a food and a tonic—an aid to the digestive organs. The food is from the cereal ingredient it contains, which has been in a manner pre-digested in the process of malting. The hops contain plenty of hop bitters, which are at once fragrant and a tonic.

25 SCHOOLS IN BIG NINE MEET

Individual Entries for Games June 6 Reach Total of 470

Chicago, May 21.—Twenty-five colleges and universities, with a total of 470 individual athletes, will strive for honors in the fourteenth annual meet of the Intercollegiate Conference Athletic Association, to be held June 6 at Stagg field at the University of Chicago, according to the announcement made yesterday by the graduate committee. The alumni members have received assurances that the championship carnival will smash all existing records for size and quality of competition. Of the teams entered nine are from conference institutions and sixteen from outside educational centers. Wisconsin heads the list of "big nine" schools with forty-four athletes named in the preliminary entries. Chicago and Iowa are next with thirty-nine and the other institutions have named the following number of performers: Illinois, 38; Ohio State, 33; Minnesota, 31; Indiana, 25; Northwestern, 22; and Purdue, 21. Missouri has sent an advance list of twenty-five performers and Drake, with twenty-four and Kansas with twenty-three are next in line. Oberlin will be represented by seventeen athletes, Notre Dame, by fifteen, Nebraska, by thirteen, Leland Stanford by eleven, Colorado by ten, De Paul by ten, California by eight, Lake Forest by eight, Michigan Agricultural college by five, Kansas Agricultural college by four, University of Denver by two, Oregon Agricultural college by two and Colorado college by one.

by a pitched ball. Both advanced on Sweeney's sacrifice and Manager O'Day sent Schulte to bat for Corriden. Schulte grounded to Ludrus and on his wild throw to the plate Zimmerman scored the winning run. Williams followed Zimmerman across and Chicago clinched the contest when Bresnahan singled and Leach got a home run. St. Louis, Mo., May 21.—Brooklyn, by bunching hits and through Dolan's error scored five runs in the eighth, enough to beat St. Louis here yesterday. It was Brooklyn's only victory in the four game series. R H E Brooklyn... 9 0 0 0 0 0 0 5 7 1 St. Louis... 0 3 0 0 0 1 0 0 0 4 10 2 Batteries—Allen, Preffer and McCarty, O. DESPERATE BASE-RUNNING FEATURE OF PLAY BY REDS.

Charlie Herzog of the Cincinnati Reds, seems to be stretching a favorite axiom of McGraw's to the very limit. Jawn J. always says: "Keep them throwing," meaning, of course, to take daring chances for another base. Herzog is going farther, and, with Moran as the chief protagonist, is constantly trying for a flock of bases, Cobb style. Again and again this spring Moran has come all the way from second on an infield out, and not long ago he came home from first on a single. The nifty play has won nearly every time, and even when a runner has been headed off the man following on the track has advanced so far that he had a great chance to score on any play immediately after. The machine-like, solemnly uniform systems practiced so much around the circuits in the past have, apparently, got the fields, both inside and outside the diamond, to think in terms of one base only. When a nifty runner makes a sudden dash they are bewildered, embarrassed and actually act as if they had been deeply wronged. They sail the ball to the place where the runner was last heard of. If Herzog's men continue that sort of stuff it will be necessary, when dealing with them, to adopt Lesson 56 of the Baseball Textbook, which says: "Always throw to the base ahead of the runner, but if the runner is a Cobb throw three bases ahead of him."

MAN SCORES WITH THREE OUT—THE RUNS COUNT.

Bill Brennan, chief of staff of the Federal league umpires, rendered a decision in Chicago the other day in a Brooklyn-Chicago game in which he allowed a run that was scored after three men were out to count. The bases were full, two were out and the count on the batter was three and one. On the next pitched ball the men on first and second dashed ahead. The man on third, seeing the ball was wide and the batter was passed, stroiled toward home. The runner who had been on second, tried to give an exhibition of speed and dashed around third and ten or fifteen feet toward the plate. Quick as a flash the catcher threw to the third baseman and the runner was tagged out trying to get back to third. In the meantime the man who was on third when the fourth wide ball was pitched continued straggling toward the plate. He crossed it fully three seconds after the third out had been registered at third, but since he was forced in before the out was made the run had to count, although he did not score until after the runner was tagged.

Right in the midst of a winning streak and a long stretch of games at home. Considerable pie for the Pirates, giving him faultless support Brooklyn defeated Indianapolis here yesterday. Billard pitched fair ball but his wild pitches were responsible for both Brooklyn runs. R H E Indianapolis... 0 0 0 0 0 0 0 0 0 0 7 1 Brooklyn... 0 1 0 0 0 1 0 0 8 2 7 9 Batteries—Billard, Harter and Warren, Texter; Seaton and Land.

Baltimore, Md., May 21.—Kansas City battled Baltimore's second string pitchers freely and won yesterday's game. Stovall and Goodwin made a triple play for the visitors in the seventh. Pittsburgh, Pa., May 21.—Pittsburgh and Chicago battled for eleven innings yesterday, the locals winning. It was an uphill contest for Pittsburgh until the eighth, when four runs were scored on good playing and hitting. The locals used 16 players. AUSTRALIA MAY SEND ITS STARS

Olympic Entrants Likely to Pass Through the United States

San Francisco, Cal., May 21.—There is a possibility that Australia's Olympic team may go to Berlin in 1916 via the United States. This proposition is known to be in the minds of the amateur athletic authorities of the island continent, though, of course, nothing definite has been decided upon. Australia's Olympians will get their final workouts for the Berlin meet either in England or America, and there are many among the men who decide athletic affairs in the Antipodes who believe that a month of hard competition in the United States will do more for the Australian Olympians than competing in the English championships. It is in the minds of the Australian, too, that their team, by making several appearances in the United States and Canada would draw down enough money for the Australian fund to pay a large portion of the expensive journey from the island continent to Berlin. Should the Australians come our way in 1916 they will land at San Francisco, and after competing there

SPORTING EDITOR'S NOTES.

It is said Heine Wagner will be used as a scout by the Red Sox management if he does not get into playing condition soon. Eddie Lennox is whaling the pill for the Pittsburgh Reds. Eddie showed a dash of real clotting while with Brooklyn, but later fell down and was released. Again the alarm has been spread broadcast that Walter Johnson is slipping. Should Walter drop another game or two the effect on the critics would be terrible. The old pep of the Cubs seems to be lacking this season. Hank will have to get his hired man going pretty soon if he expects to land one of the four choice positions in the first division. The weather bureau has taken an awful fall out of the American and National leagues this year. During the first 25 days of the season 14 games were postponed on account of old Fred's poor control. You can't beat a baseball expert.

MAIL NATIONAL ENTRIES.

Cambridge, Mass., May 21.—Twenty-nine colleges from California to Maine will compete at the annual championship track and field meeting of the Intercollegiate Amateur Athletic Association of America, to be held at the Harvard stadium, May 29 and 30. The first of 581 individual entries was mailed last night by Charles G. Spitt, manager of the Harvard track team.

COBB OUT OF THE GAME.

Detroit, Mich., May 21.—A dispatch received last night from Boston says Ty Cobb, the Detroit outfielder, has a broken rib and will be out of the game for a week or ten days at least. The injury was received Monday in the game with Boston when Foster hit Cobb with a pitched ball.
